ANSWERS

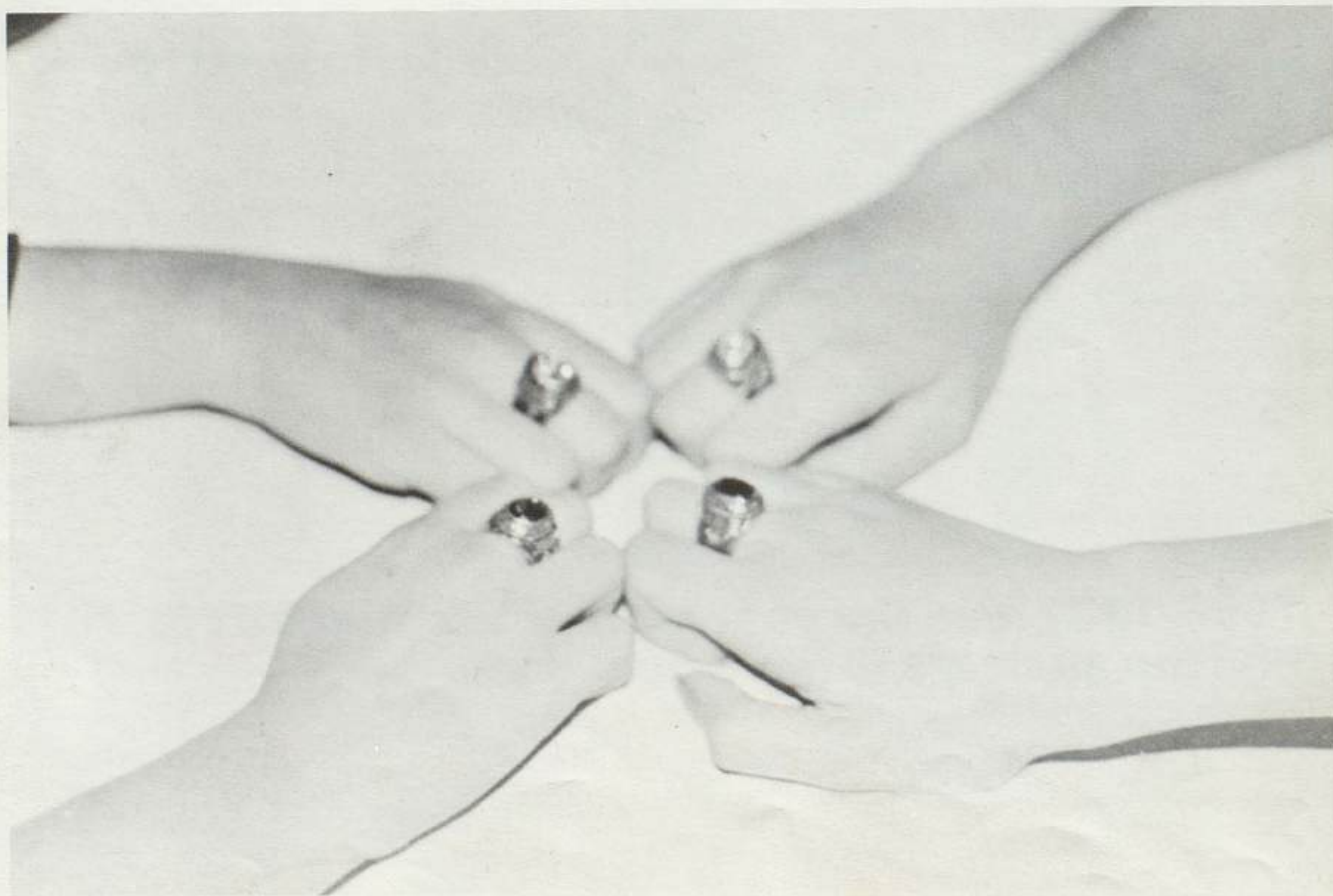

... or just shooting around ...

1986-1987 was the year for Wisdom students to find the answers to life's questions.

The Answer in Trends

Trends are becoming more and more popular at Wisdom High School. It seems that jean jackets, too-long sweaters, Nike sneakers, and class rings are "IN" for 1987.

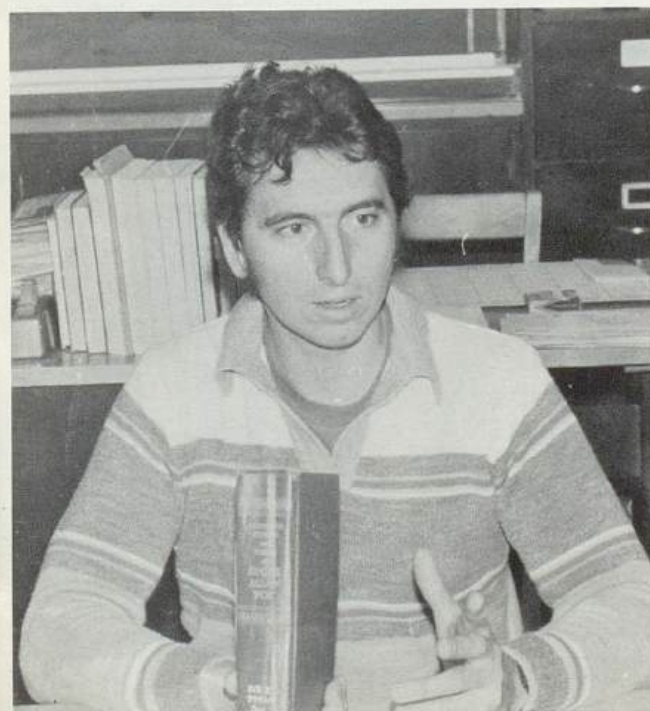

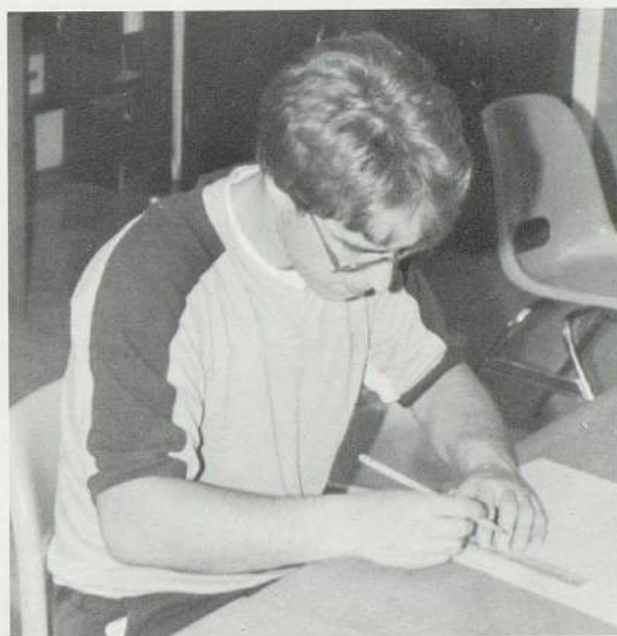

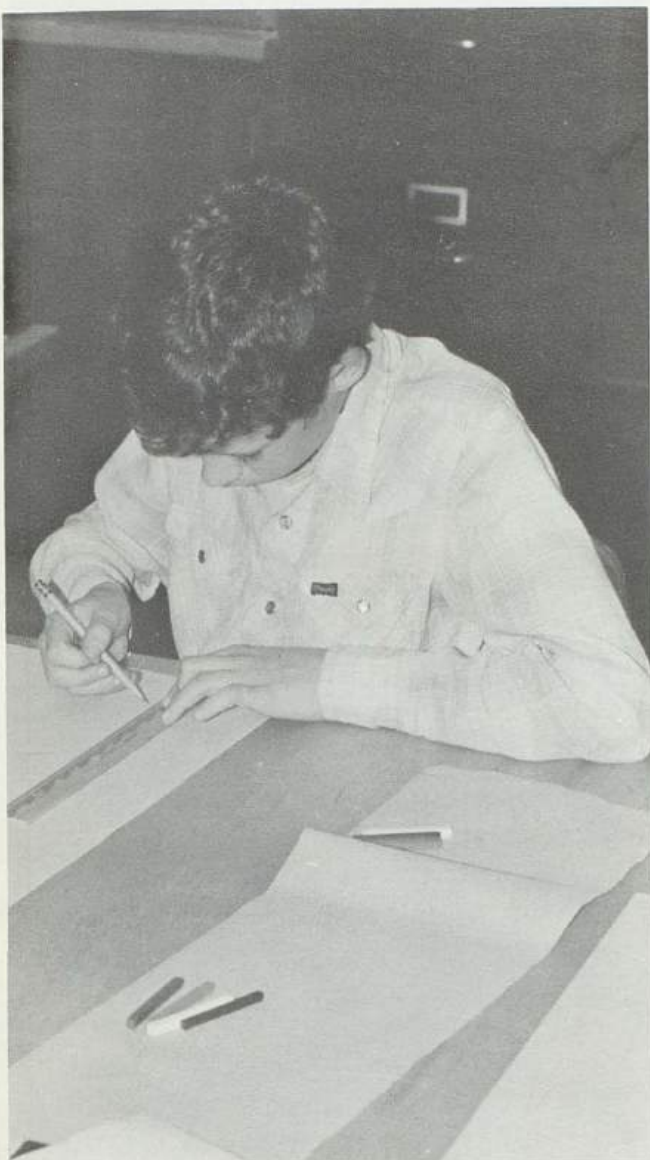

Right: Seen here are Jaime and April, displaying their latest fashions. **Bottom:** A group of people are showing-off their recently-bought class rings.

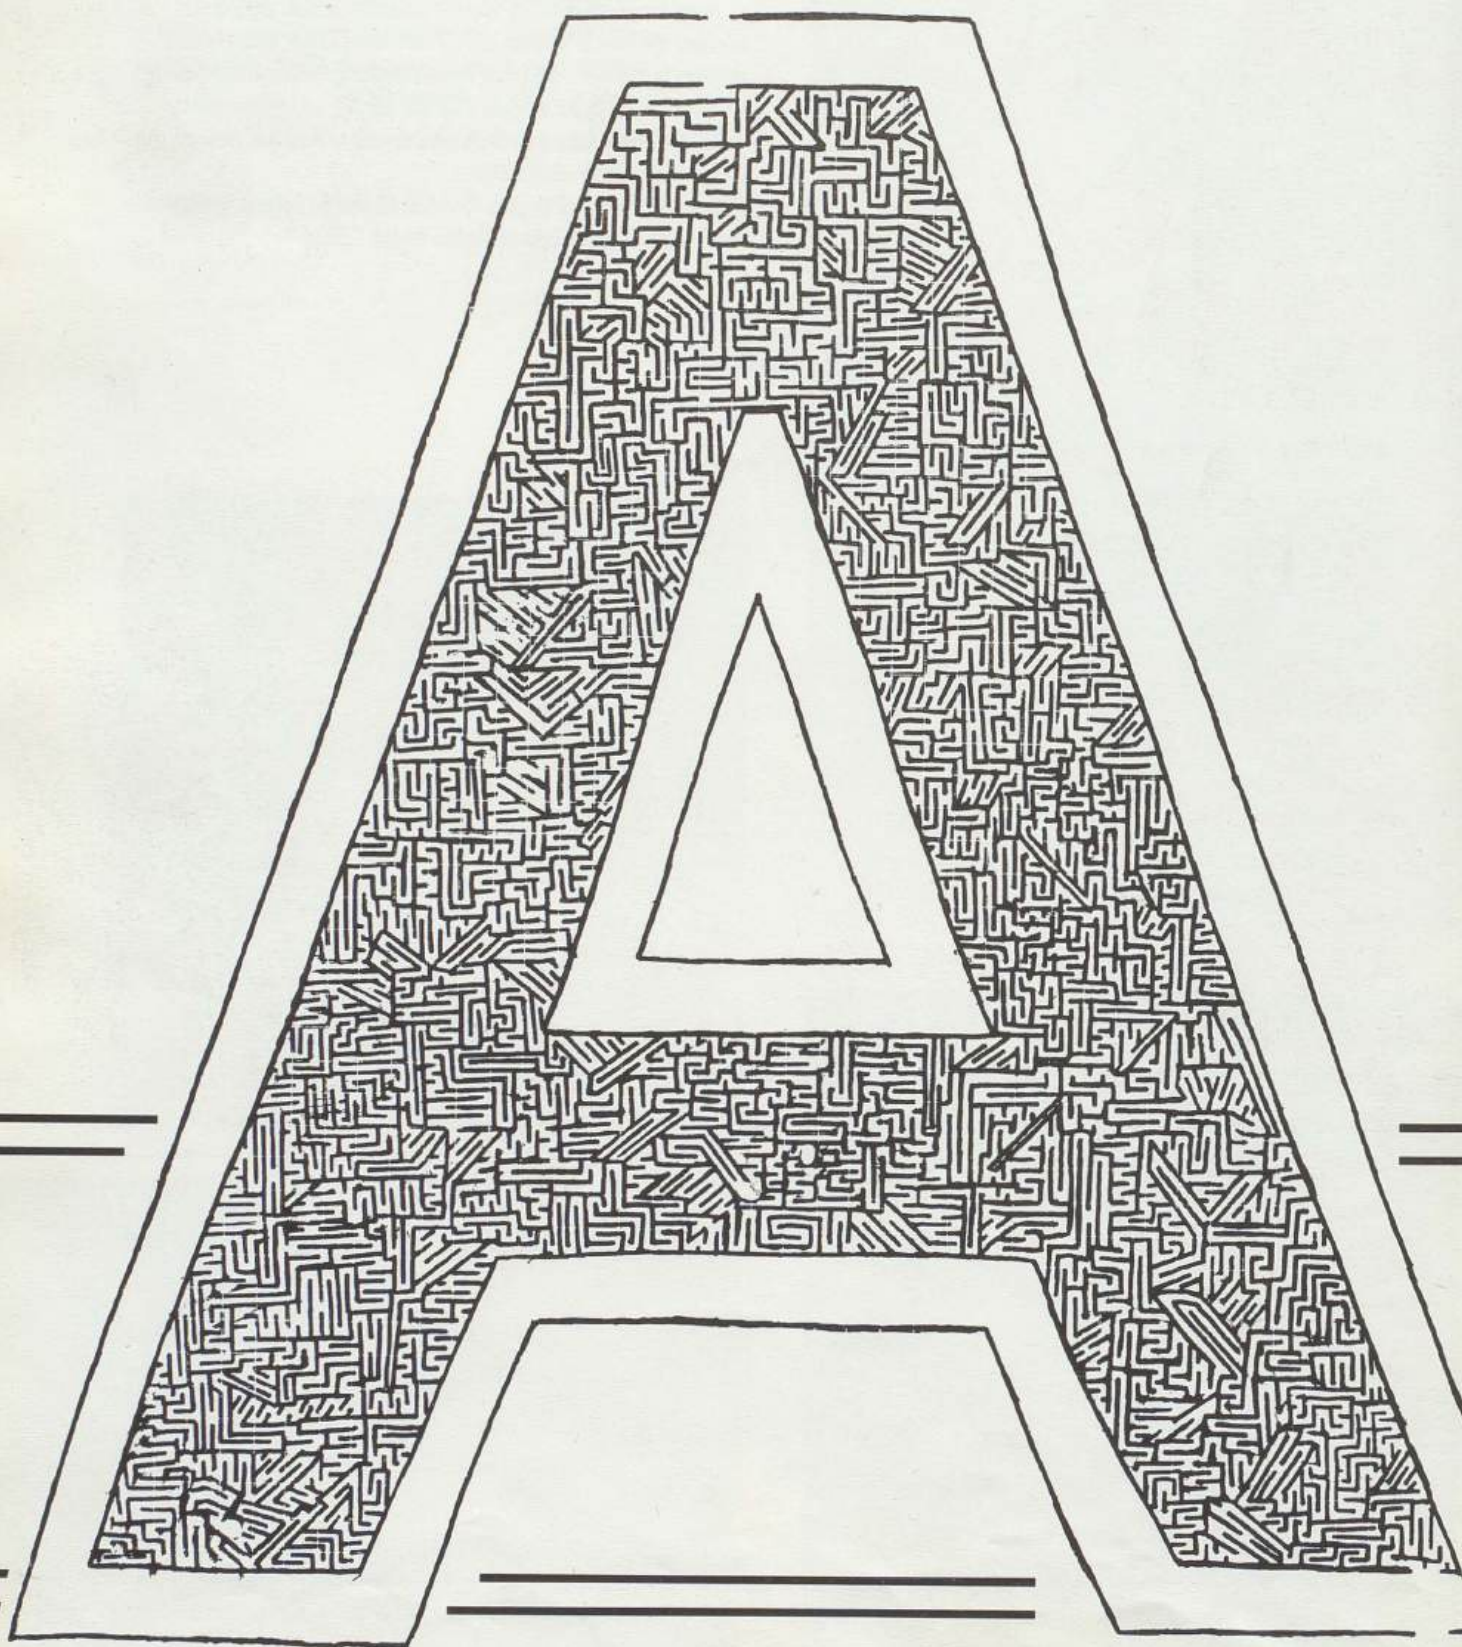

The Answer In After-School Activities

After-school art class has become a popular activity among art-oriented students at Wisdom High School. Doug Klapp, a new artistic addition to Wisdom's staff, has enjoyed teaching this class and putting on artistic displays for Wisdom students, faculty, and community to enjoy. We salute the art students who worked so hard this year to create so that others might enjoy.

Finding The Answers In The Performing Arts

In the month of April, the Wisdom Junior-Senior High School Bands put on a performance for the entire student body. This group of talented musicians included the Wisdom Pep Band, and even some of our own staff members. The teachers involved with various instruments included Mr. Workman, Miss Dionne, Mrs. Foster, and Mrs. Labbe. The highlight of the performance came with some surprising guests on some even more surprising instruments. Mr. Michaud played the blender, Mrs. Labbe played the hair dryer, and Mr.

Bouchard himself made a special appearance with his vacuum cleaner. All in all, the performance was thoroughly enjoyed by all, and we look forward to many more marvelous performances.

FREE FARE

Thursday morning finally arrived, and WHS students poured out of their classrooms into the gym, anxiously awaiting the arrival of *Free Fare*. This group had come all the way from St. Petersburg, Florida, performing benefit concerts and touring U.S. high schools. With its singing and upbeat skits, the group brought delight and laughter to audiences everywhere.

But this was not just another pretty band! In fact, the group's main purpose was to warn students about harmful drugs and alcohol, while playing popular music to entertain.

The band, made up of five guys, was not only an inspiration, but was also an entertaining way to relieve the day-to-day stress of school. Judging from the applause and cheers, *Free Fare* seemed to have thrilled Wisdom students.

HARVEY

The Drama class presented a delightful comedy in three acts this year. The play *HARVEY* is about a pooka in the form of a large, white, and invisible rabbit, and his friend Elwood P. Dowd. The play was directed by Mrs. Lynn Owen. The cast included Denise Martin, Kelly Cyr, Scott LaVertu, Karie Michaud, Robin Bernier, Donna Pelletier, Andrew Couture, Ed Latham, Doug Guerrette, Karen Hebert, Debbie Sirois, and Jessica Clark, who made a surprise appearance as Harvey in the final scene.

PEP RALLIES

The annual Pep Rally is an event that everyone looks forward to. During this special hour, everyone screams at the top of his lungs, to see which class will be the loudest.

Two special groups that participate in this event are the Junior Varsity and Varsity Cheerleaders. This is an important event for them, as well as the participating Basketball teams. This Pep Rally gives them a jump on their season.

The annual Pep Rally has played an important and exciting role in the past and will continue to do so in the future.

DANCES

Dances are usually favorite events for the students at WHS. There were several dances this year, sponsored by various clubs and organizations in the school and community. These included the Halloween Dance, the Christmas Ball, the Punk Dance, and the Hat and Bandana Dance. Dances will continue to be an important part of every WHS student's social life in the years to come.

WINTER CARNIVAL '87

Winter Carnival is a time when the entire Junior High gets out of class in order to have fun and play in the February weather. This lasts for two days. If you don't freeze to death, you're bound to have the time of your life!

La Joie C'est. . .

Tout le monde aime la joie,
c'est la beauté de la vie.
Le coeur est le centre
de toutes joies acceptées et données.

Oui, c'est joli de recevoir
de la joie de nos
amis et familles
mais quand on comprend,
on réalise que c'est
plus joli de donner de
la joie à quelqu'un
que de toujours recevoir

Quand on donne la joie
La joie es retournée cent fois plus
c'est comme cela q'on
grandit comme des êtres humains
et on comprend
la vraie raison de la vie.
Nous marchons ensemble
sur le chemin dans la
joie et l'amour.
On écrase les difficultés
Q'on rencontre tout au long
du chemin.

HAPPINESS IS...

Happiness is to be cared for.
 To be cared for is to be loved.
 To be loved is to be understood.
 To be understood is to be accepted.
 To be accepted is happiness.

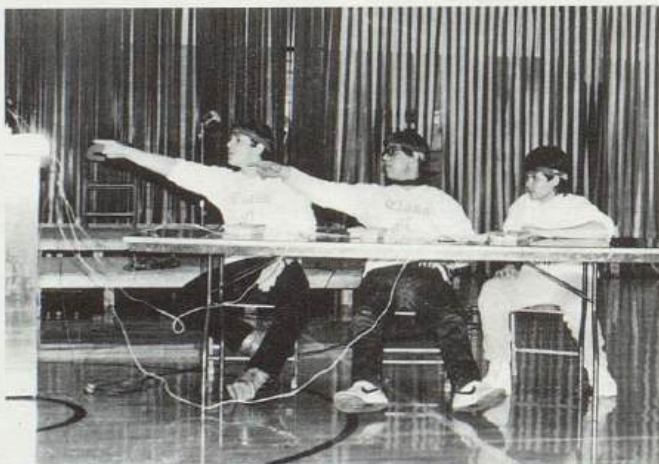

WISDOM SENIOR HIGH

This year's Winter Carnival was a time of sheer excitement and sheer energy. From the amoeba races to the snow sculptures, the Freshmen, Sophomores, Juniors, and Seniors of WHS were psyched for action.

This was also a year to remember as two kings were crowned for the first time in WHS history. Even the extremely low temperatures couldn't stop the four teams, for as the weather grew colder, their hearts grew warmer in the anticipation of serious competition.

WHS JUNIOR-SENIOR HIGH BAND

Mrs. Sue Olmsted conducted the WHS Junior-Senior High Bands in a first-ever student body assembly and Spring Concert. Both were big successes.

ALL-AROOSTOOK BAND MEMBER

Every year, musicians from high school bands all over Aroostook County come together and compete for seats in the All-Aroostook Band. This year, for the first time, WHS was represented by Jessica Clark and her magic flute. Jessica worked hard and was rewarded for her efforts. Congratulations to both Jessica and Mrs. Olmsted for their shared success — now, and in the future.

National Honor Society Induction

This year's National Honor Society Induction was very entertaining. Each of the three upper classes had representatives inducted into the N.

H. S. The Sophomores had Jill Edgecomb and Nicole Corriveau. The Juniors had Gayle Bouchard. The Seniors who were inducted were Andre Albert, Kevin Dumond, and Lynn Sirois. Afterwards a tea was served by the Home Economics Students. It was enjoyed by parents and N. H. S. members alike.

SPELLING BEE

The annual Spelling Bee was held in March this year, in the WHS cafeteria. Students competed from grades six, seven, and eight, and were very impressive in their command of the difficult words they were given to spell. After several close rounds, the winner was Dena Daigle, an eighth grader, daughter of Mr. and Mrs. Mike Daigle. The runner-up was Tina Bourgoin, also an eighth grader.

ATHLETIC BANQUET

This year's athletic program was a great success. To honor this success, Wisdom High held its annual athletic banquet in the WHS cafeteria. Various awards were given to honor outstanding athletic achievements. The soccer MVP winners were Troy Guerrette and Kevin Dumond. In basketball, Phil Pelletier and Debbie Sirois received the honors. For baseball, Steve Corriveau was named MVP. The Athletes of the Year were Kevin Dumond and Debbie Sirois. Overall, the banquet was a great success.

EIGHTH GRADE GRADUATION '87

Finding The Answers in a New Beginning

The night was warm as eighth graders marched proudly into the gymnasium of Wisdom High School. It had been a long year, but each graduate held his head up as he recalled the satisfaction of accomplishment. Softly colored dresses and accessories accented maturing young ladies, while suits and ties complemented each young man.

But the night was more than just beauty. June 12, 1987, was a New Beginning for this group of young people. As proud parents and family members looked on, a portrait of academic excellence and accomplishment unfolded. Four outstanding graduates took the podium to express just how important this evening was for them. The applause echoed support for a New Beginning in their lives. Teachers nodded in agreement of the job well-done.

A Wisdom High School tradition continued as another eighth grade class left its mark in passing through the Junior High School years, only to forge a new trail on the horizon of tomorrow.

GRADUATION '87

The Commencement Exercises of the 1987 Senior Class took place on Wednesday, June 10, at 8:00 p.m. The graduates were all aflurry before the program began, but they were all business when they marched down the aisle for the last time at Wisdom High School.

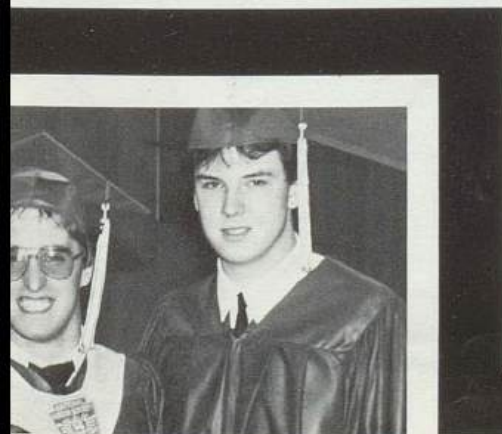

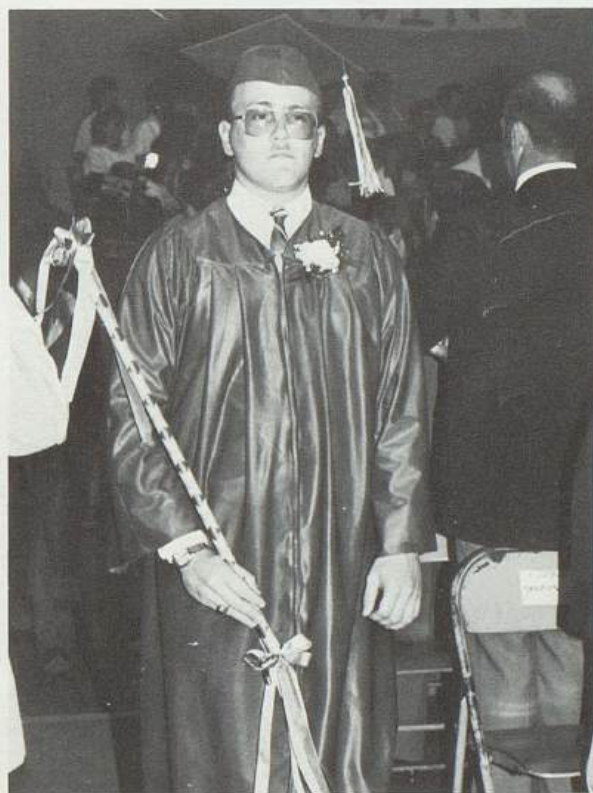

As the opening addresses began, the class of 1987 had a chance to reflect on its twelve years together. The theme, *As One Road Ends . . . Another Begins*, was brought out as the Co-Salutatorians, the Honor Essayist, and finally the Valedictorian gave their speeches.

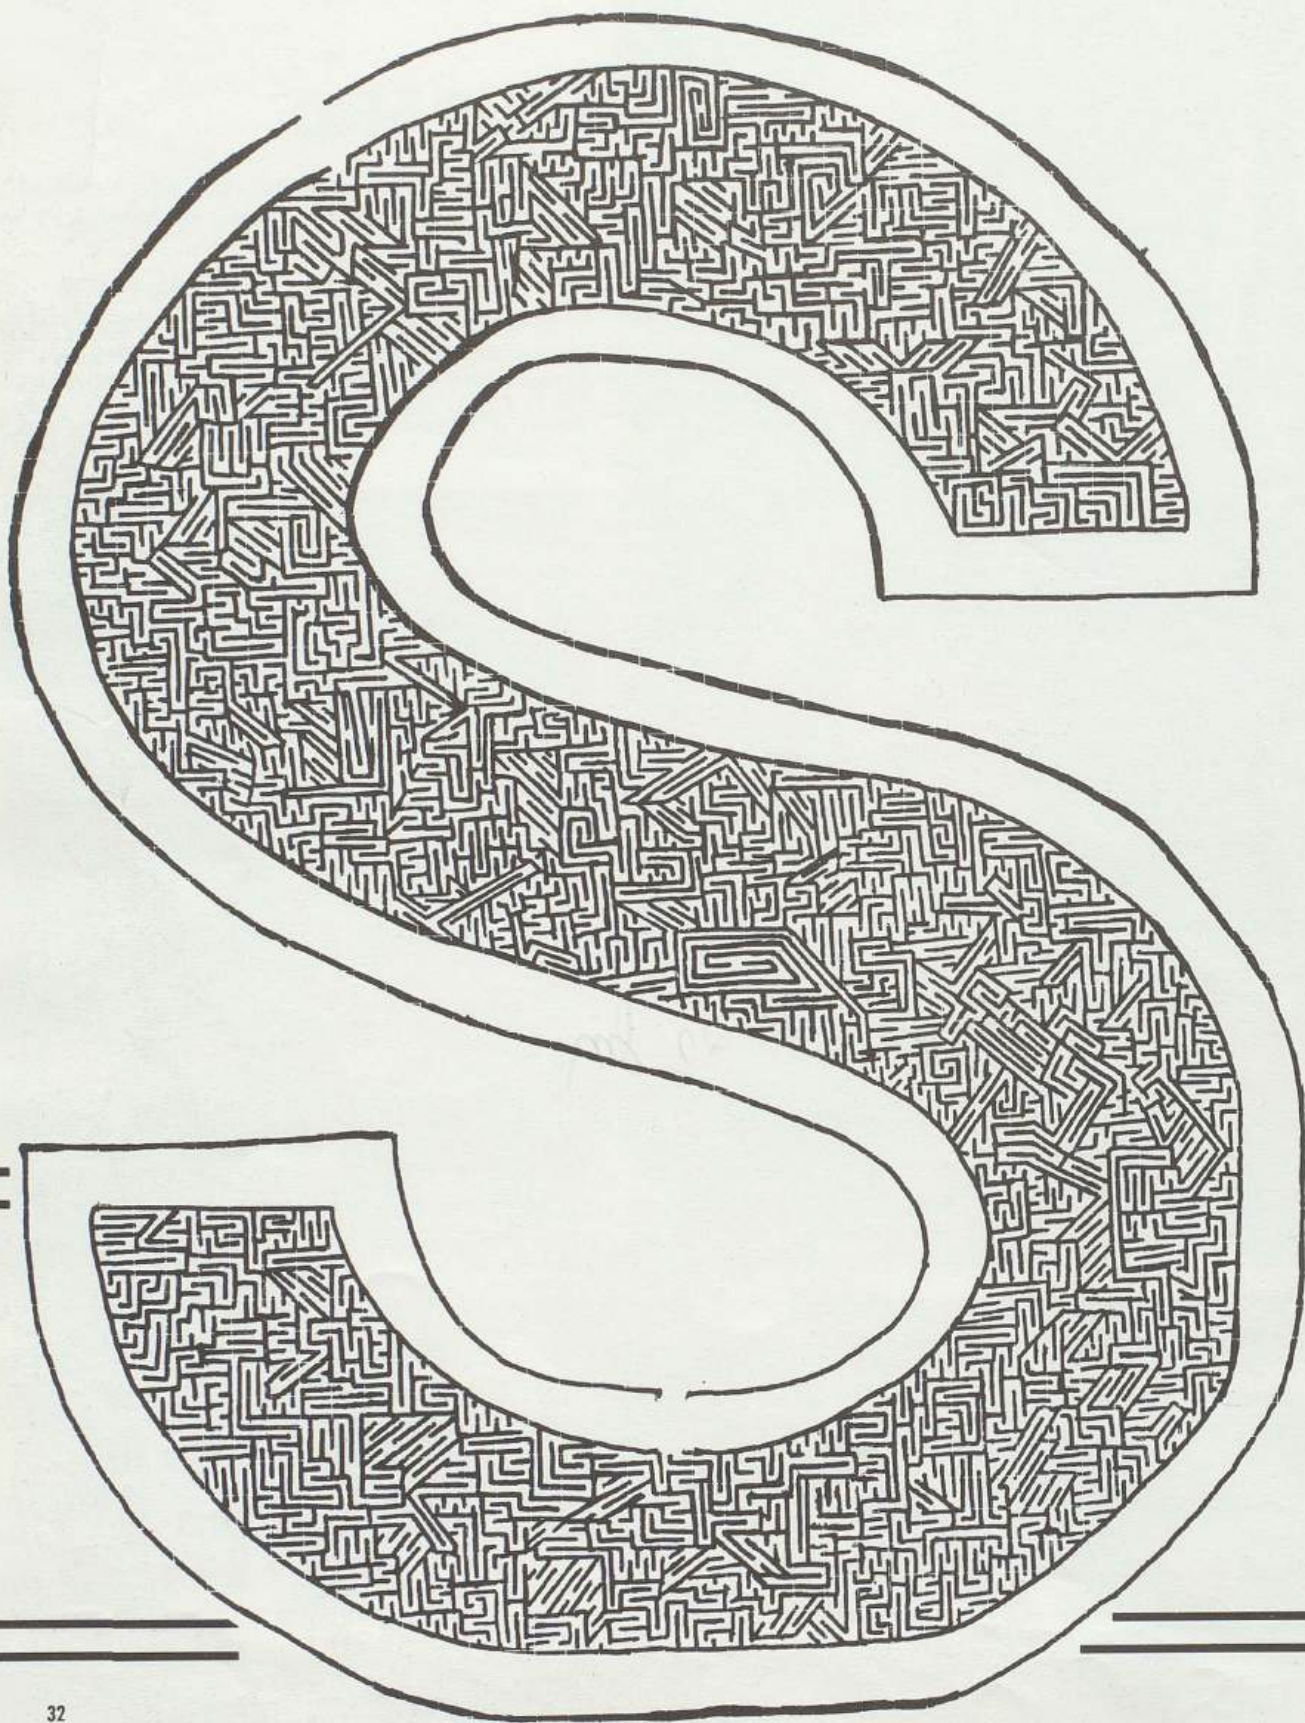

The WHS Band's renditions of several popular marches also accented the emotions of the evening. Spirits truly soared as diploma after diploma was given to each excited graduate. The memories of the 1987 Graduation will not soon be forgotten.

GIRLS' SOCCER AT WHS

This was an up and down season for the Girls' Soccer Team at Wisdom High School. With a change of coaches and techniques, the girls got off to a slow start. As the season continued, the team began to work as an efficient unit, and it once again became a competitive factor in the County.

By the end of the season, Gayle Bouchard and Karen Hebert had led the team to a 6 — 8 record during regular season. Tension mounted as the high school standings placed the Wisdom team at seventh place.

Travelling to Penobscot Valley High School, the WHS girls scored just two minutes into the game. But PVHS was ready, and came back to score six more goals. The final score was 6 — 1.

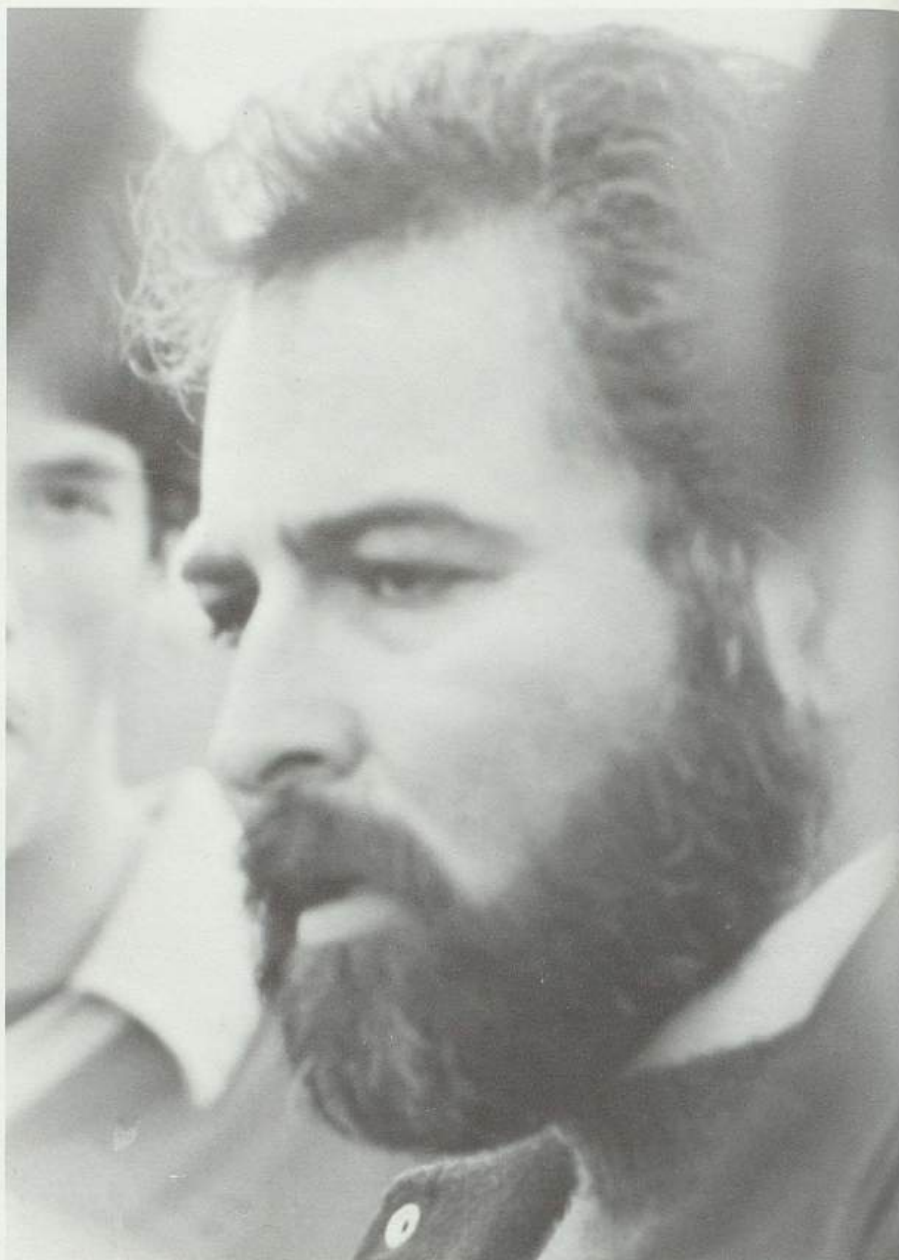

Next year, the Lady Pioneers will be losing five players, but Hebert and Bouchard will return, and much can be expected from this well-seasoned team in next year's season.

BOYS' SOCCER TEAM

This was a very good year for the Pioneers. They ended up with a record of 8 — 5 — 1 and were ranked ninth in Eastern Maine Class C. They went on and played Machias in the preliminary round, but lost by a score of 1 — 0.

Probably the most highlighted moment of the season was when the Pioneers ended the Washburn Beavers' regular season game winning streak of thirty-five games without a loss, by a score of 2 — 1. Great job, guys!

This year in basketball was the best year for the girls in a long time. More fans showed up at games, showing the team that there was a greater interest and support. There was quite a bit of discussion after games among the spectators. Quite a few people thought the team had a good chance to make it to the play-offs.

Even though the team won more games this year than in the past, the girls' basketball team did not make it to the play-offs, and the season had to come to an end. However, the games were always exciting and interesting, most of the wins decided by only a one-to two-point margin.

In view of the increased support and interest from the students and community this year, the WHS Girls' Basketball Team will be getting better in the next season or so. All can say that Wisdom's Lady Pioneers should walk with their heads high because of the fine team effort they put forth this season.

This year the Wisdom High School Boys' Basketball Team had a fine season. They had exceptional wins over Allagash, Ashland, East Grand, and a very exciting win over Madawaska. The team members worked together as a unit, and they made every point count.

The team missed going to the Eastern Maine Class D Tournament by only a couple of points. Great job guys, for a really great season!

GIRLS' VOLLEYBALL

Well, they've done it again! The Wisdom High School Girls' Volleyball Team has won another Aroostook County Championship, making this the twelfth victory in twelve years.

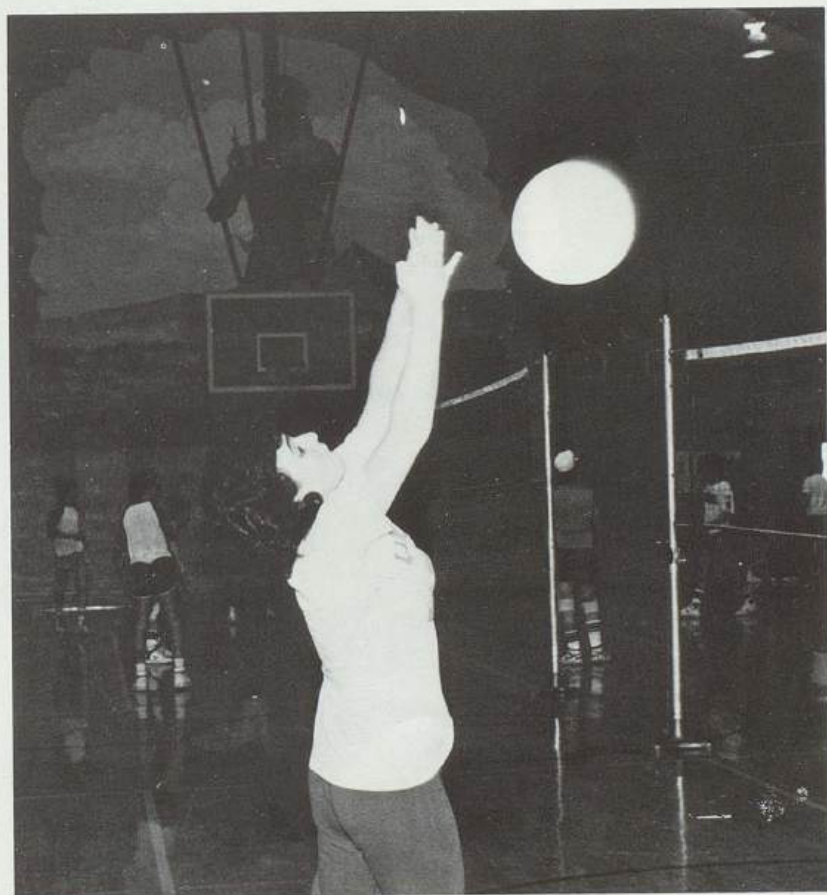

The girls participated in the Division B Volleyball Tournament on Tuesday, March 31, 1987, at Washburn District High School. A total of seven schools were present for the tournament. They included Ashland, Central Aroostook, Hodgdon, Southern Aroostook, Washburn, and Wisdom High Schools.

The girls, led by Coach Cindy Albert, faced Hodgdon in the finals. They defeated Hodgdon in two consecutive games, 15 — 2 and 15 — 5, winning the match and the tournament. The girls won all of their matches in two consecutive matches, being the only team to remain undefeated throughout the entire tournament. Congratulations on a job well-done, girls!

The Boys' Volleyball games lasted about four weeks. There were five different teams, consisting of seven or eight players. The play-offs lasted for a week. To be out of the play-offs, a team had to lose two whole games. The champions for this year were *The Mean Bunnies*.

WISDOM JUNIOR HIGH CO-ED VOLLEYBALL

Wisdom Junior High Co-Ed Volleyball began February 23, 1987, and lasted until March 6, 1987, a two-week period. There were five teams that participated, involving forty students.

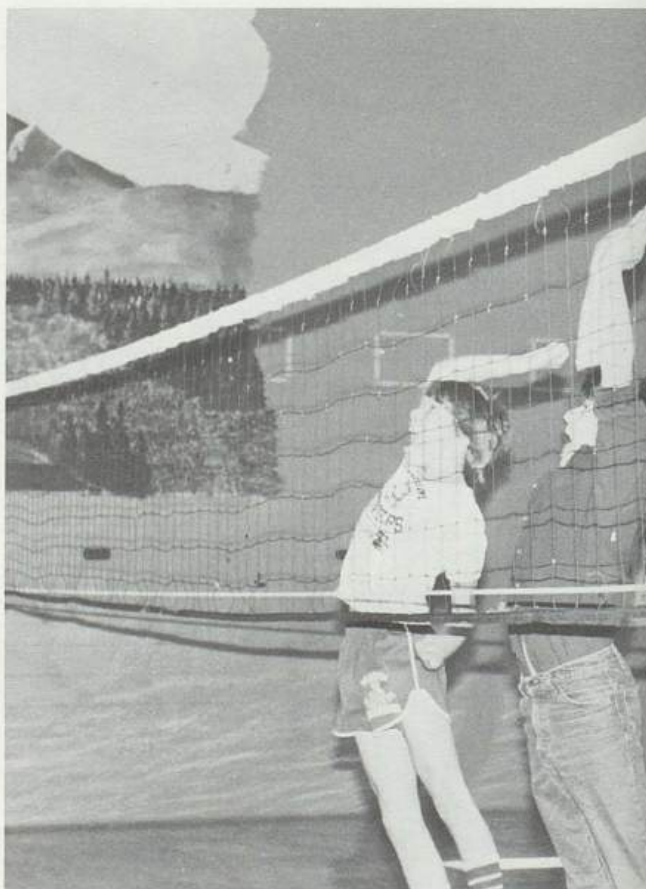

Cindy Albert organized the program and had three high school students help officiate the games. They were Debbie Sirois, Kelly Cyr, and Jason Latham.

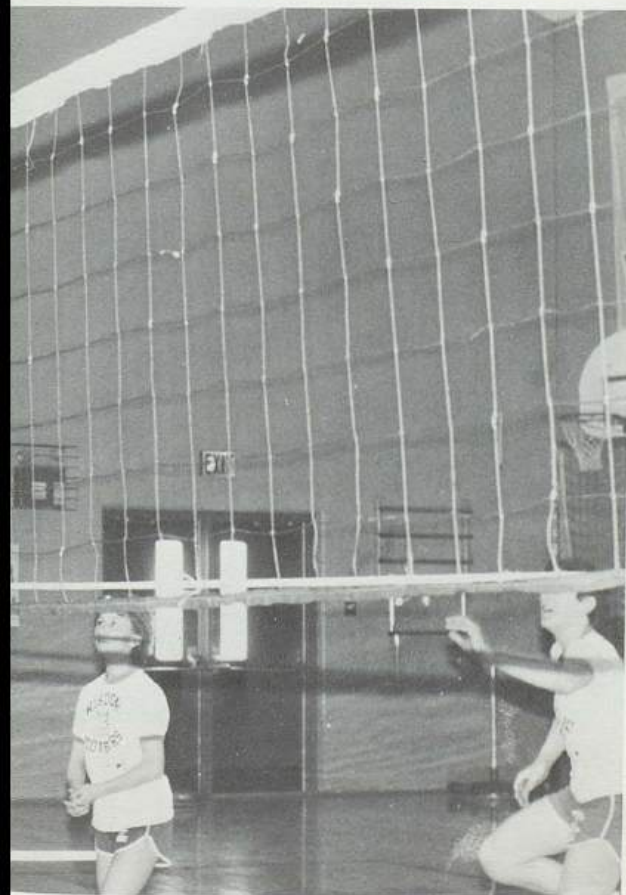

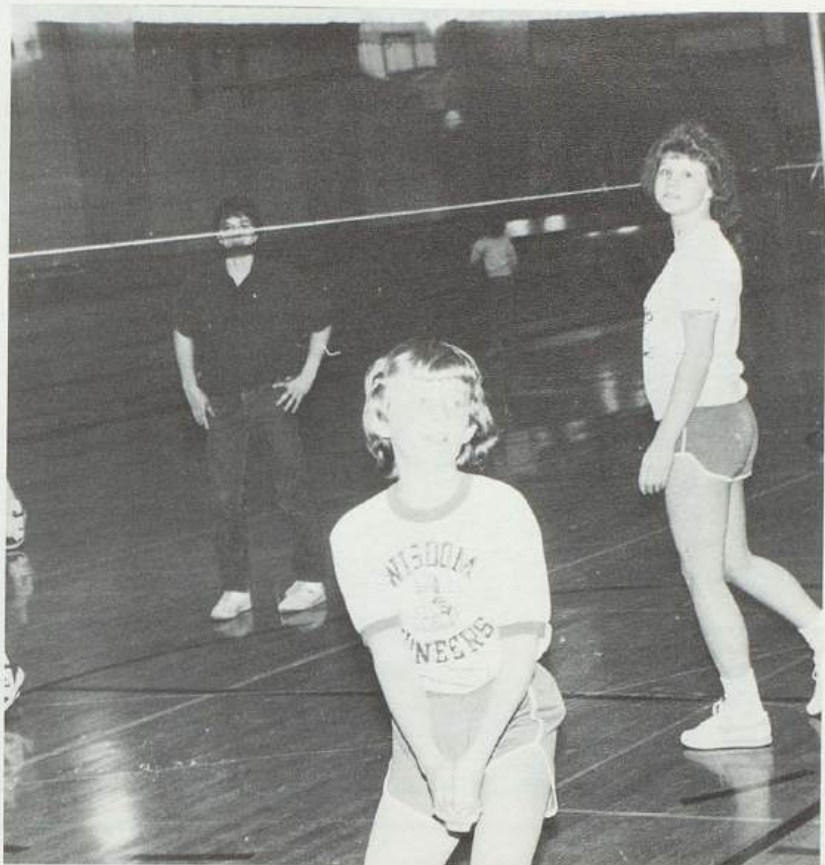

Each team played twenty games before reaching the play-off games, held Thursday, March 5, 1987, and Friday, March 6, 1987.

The champion was Team 3, which consisted of: Larry Chasse (Captain), Troy Daigle, Michael Ouellette, Mark Sirois, Scott Guerrette, Chantel Bourgoin, Kirk Fongemie, and Tina Bourgoin.

SOFTBALL '87

Aggressive is what best described the Wisdom Softball Team this season. The girls played the game with determination and made every game count.

In all, the Softball Team had a successful season, with a 10 — 4 record. The girls made it to the first round of the play-offs, against Katahdin.

Even though they lost by a score of 10 — 1, Congratulations Team, for a very successful season.

FINDING AN UNDEFEATED SEASON'S ANSWERS

This year, Wisdom High School's baseball team began with a great start. The team travelled first to play teams downstate, such as Penobscot Valley, Lee Academy, Bangor Christian, Washington Academy, and Machias. In the regular season, the team was undefeated, with a 14 -0 record, the best in the Eastern D Division in the State of Maine.

Steve Corriveau and Jon Pelletier were the star players for the year, but it was agreed that everyone on the team played his part to the fullest in the team's success this season.

FINDING THE ANSWERS IN SCHOOL SPIRIT

For the first time this year, Wisdom had a Junior Varsity Cheerleading Squad of five students. These students did a very good job. Besides cheering at the Junior Varsity Basketball games, they also participated in fund-raisers and shared the same advisor as the Varsity squad. With this valuable experience, both squads will benefit in the future. Good job, girls!

Top Row, l to r: Tina Beaulieu, Liz Bourgoin, Dawn Bouchard, Karie Michaud, Linda Daigle, Janika Nadeau, and the team Mascot, Robin Bernier.

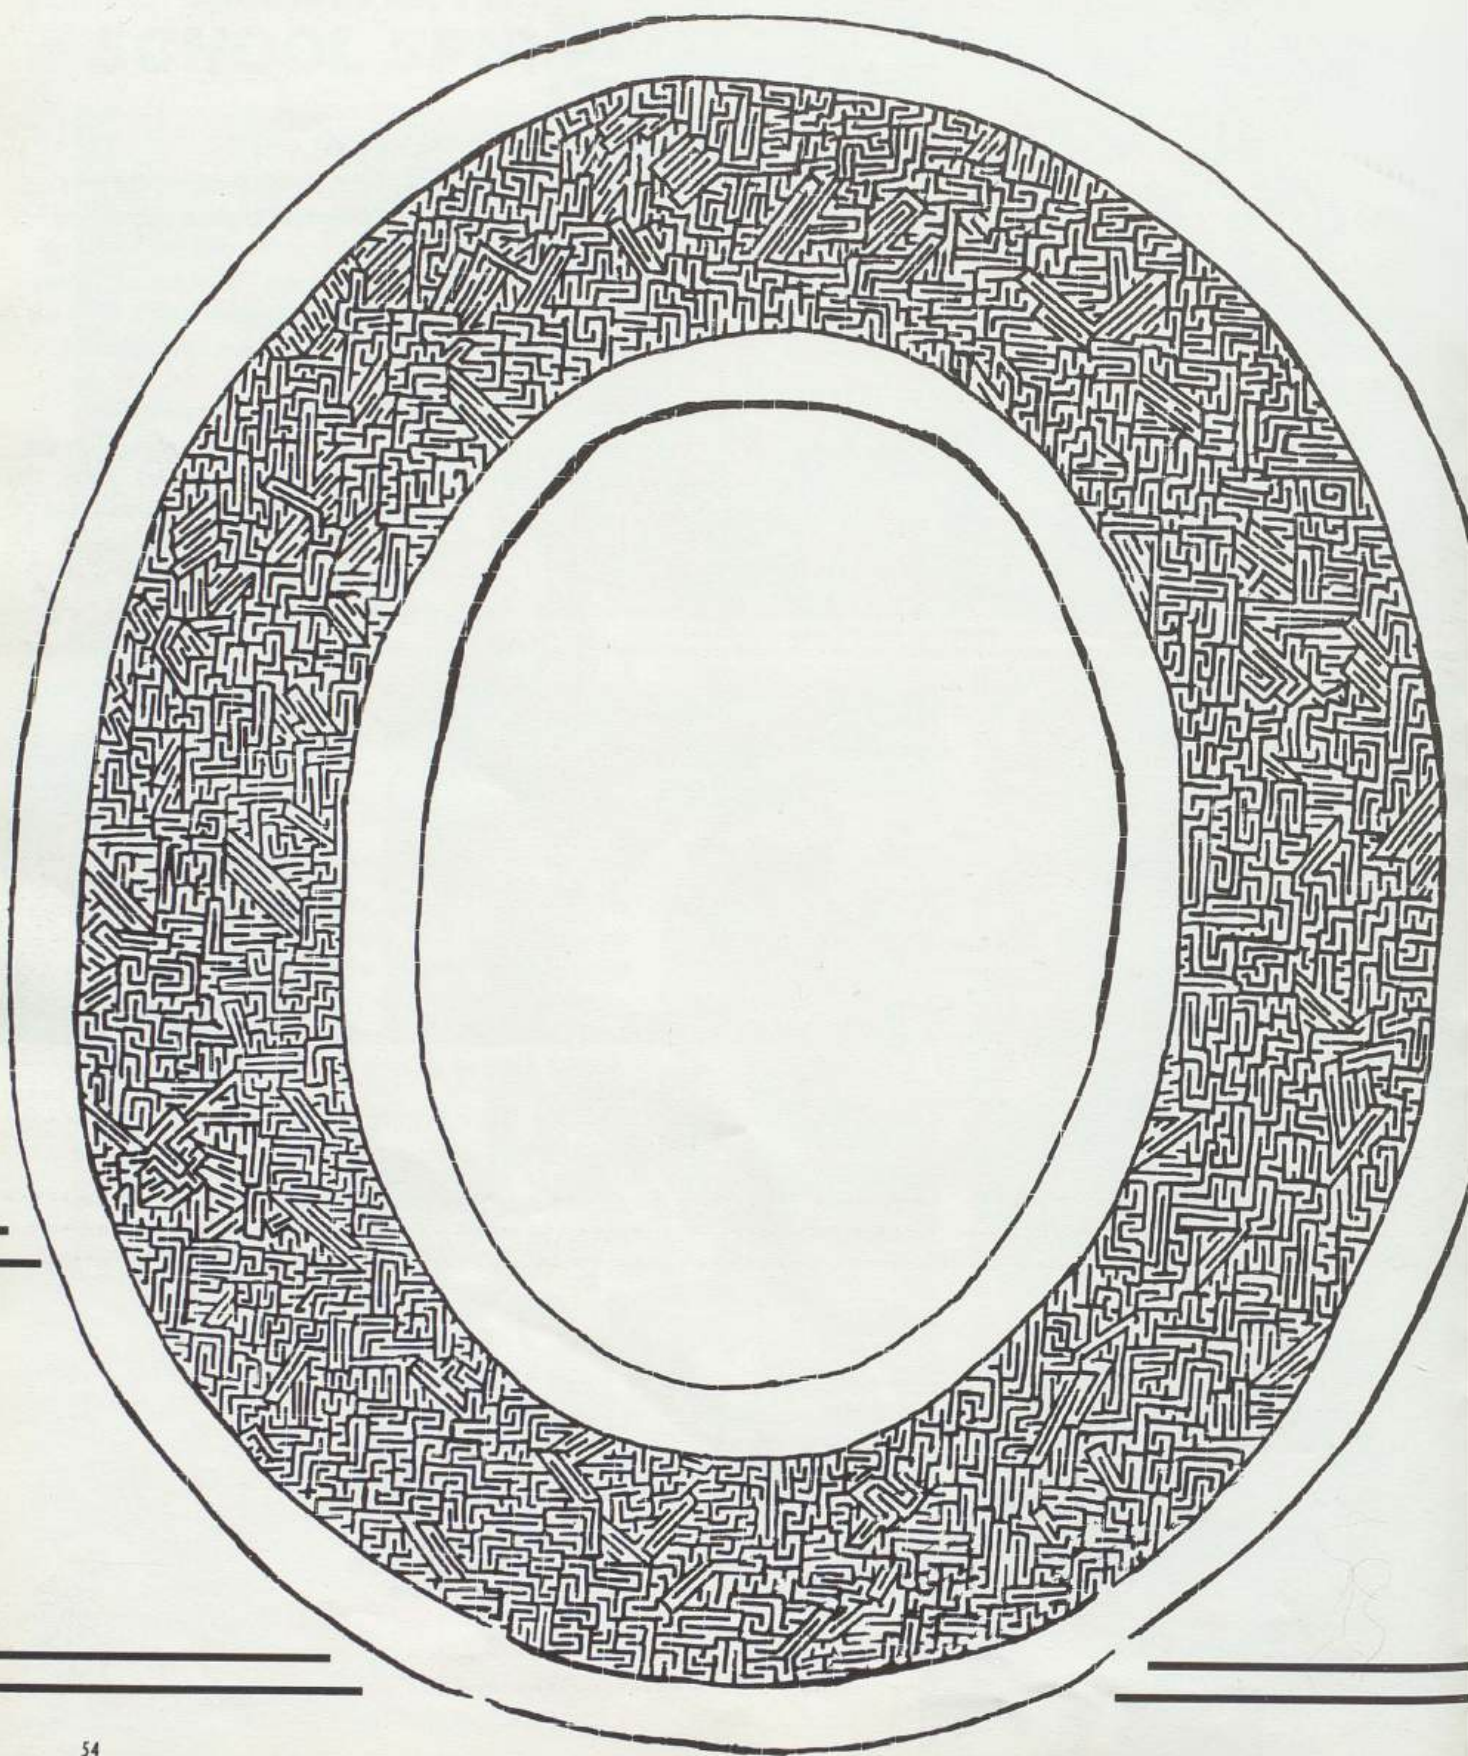

This year's Varsity Cheerleading Squad also had a very good year. Between fund-raisers, such as selling teddy bears for each graduating class, and working out the dance routine to the song "Two of Hearts," by Stacy Q, the girls were kept busy. Advisor Leigh St. Pierre was also kept busy inspiring and encouraging the girls in their efforts.

Of all the different times the girls cheered this season, however, the most challenging responsibility was that of organizing and directing the annual Pep Rally. The cheers were never better, and the girls performed effortlessly. As a result, the teams got off to a great start, and the Varsity Squad promoted Pioneer Spirit throughout the season.

Science Club's Boston Adventure

At the end of April, twenty-two students from Miss Dionne's chemistry, botany, and zoology classes went to Boston for a science field trip. At the Boston Museum, the students saw the Omni show in the Mugar Omni Theater, which holds the world's largest film projector. They also saw a lighting show, a planetarium show, and a miracle materials show. This was quite an experience for the classes and the teacher.

These winning students later went on to Husson College for the State Finals. Great job, girls! **Bottom right:** Tammy Daigle, a participant in the contest for Record Keeping.

FINDING THE ANSWERS TO EVERYDAY PROBLEMS

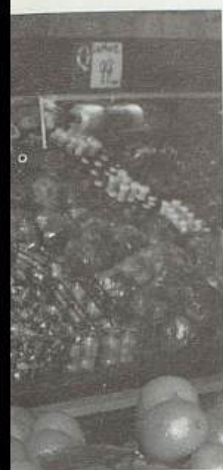

This year, a Junior High field trip was supervised by Mrs. Patty Dumond and Mr. Lester Michaud. Mrs. Dumond was a student teacher in mathematics at the time.

The purpose of the trip was to put math word problems together. The students made word problems with multiplication, addition, subtraction, and division. The students had a total of 378 math word problems by the end of the day. The math problems were then put into booklet form, so that they could be used for future seventh and eighth graders.

The field trip was held Thursday, October 23, 1986, at the Mid-Valley Shopping Plaza, Madawaska, Maine. The field trip lasted one hour and forty-five minutes. Before entering the store, each student was told that he could spend a maximum of \$400.00, and while spending this money, he had to make up a math word problem for each expenditure.

WHS MATH TEAM

Another first at Wisdom High School this year was the WHS Math Team.

This team was made up of students at various levels of advanced mathematics study, who represented the school through math competitions at various times and places around the County.

The challenge was to do unfamiliar math problems correctly, no matter what the circumstance. The fun was meeting other students who studied and appreciated basically the same things all over Aroostook County. This is definitely a group that will grow and improve very quickly at WHS.

Top: Leading the way in this new area of competition were Seniors Ed Latham and Kevin Dumond. Mr. Larry Workman was the dedicated coach behind this excited new team. **Bottom:** The WHS Math Team: (seated l to r) Celina Ouellette, Gayle Bouchard, Cindy Albert, Peggy Morin, Lynn Sirais. FINDING THE ANSWERS IN MODEL STATE GOVERNMENT

The Model State Legislature and the Model State Assembly are combined in a program sponsored by the YMCA. This program is designed to show students exactly how legislation works on a statewide level.

The Model Legislature, which is the more experienced group, spends all its time at the State Capitol in Augusta. The Model Assembly, on the other hand, prepares for the Legislature, while having sessions at a local high school.

This was the first year that Wisdom High School participated. The people in the Model Assembly from WHS were: Robin Wrisley (Senator), Kelly Couture, Dona Saucier, Jenny Michaud, Paula Dumais, and Dawn Bouchard. The two representatives to the Legislature were Douglas Guerrette (Senator), and Wayne Ouellette.

NATIONAL HONOR SOCIETY

The National Honor Society is more than just an annual induction service for its members. It is, in fact, an organization that promotes academic excellence, as well as community and school service throughout the year.

The Wisdom High School affiliate of the National Honor Society has done several things this year to be a more active part of the school. It has again sponsored a tutorial service for students at WHS, in any subject. This service, as well as the organization, is sponsored by Mrs. Louise Cyr, who believes that all students should have the chance to do well.

This year, the National Honor Society attended several conventions in the County and State. Next year will find the NHS a viable factor at WHS once again.

HELPING OTHERS TO FIND THE ANSWERS

Peer Educators is a group of people who are available to the student who has something that he or she can't quite cope with. If a student needs someone to talk to, a Peer Educator is always willing to listen. Peer Educators find answers for WHS students who have problems.

Peer Educators was formed so students with problems could open up and talk about them. Says Mrs. Louise Cyr, the program's sponsor, "We thought it would be easier for a student with a problem to talk to another student, rather than going to an adult or a counselor."

Peer Educators are not anything to be afraid of, so if you have a problem — personal or academic — just remember, there's always a Peer Educator around to talk to you.

SADD AT WHS

For the second year at WHS, Students Against Driving Drunk (SADD) has played an important role in encouraging students to have chemical-free fun. If students insist on drinking, as members, they have signed a pledge with their parents that they will not drive while under the influence of alcohol. The parents have also pledged that they will come and pick their children up, rather than have them drive while under the influence of alcohol.

This year, besides regular meetings, SADD produced an information campaign, using colorful signs and posters throughout the building. The organization also sponsored several guest speakers who spoke on alcohol and related problems of drinking and driving.

Wisdom Student Council

The Wisdom High School Student Council consists of students that were chosen to represent each class with its suggestions on how to improve student life at Wisdom High School. These suggestions help to make our school a better place, not just for the students, but for the teachers, as well. A president, vice-president, secretary, and treasurer are elected from the student body to govern the individual representatives. Each high school class elects officers, as well, who are considered as integral parts of the Council. All members are selected by the votes of the students.

Speaking of Speech . . .

Folsom Hall hummed with excitement as the contestants for the Lydia O. (Hamlin) Spear Prize Speaking Contest made last minute preparations for the evening's main event.

Representatives from Fort Kent Community High School, Lee Academy, Madawaska High School, Van Buren District Secondary School, and Wisdom High School were eagerly anticipating the thrill of forensic competition for the Northern Regional Contest. Jessica Clark waited, too, as the first contestant began her poem. The tension mounted, and then Mr. Paul Bouchard, our own principal and Master of Ceremonies, said, "And now, Miss Jessica Clark will present her selection, 'The Pied Piper of Hamelin,' by Robert Browning." Poised, and ready for action, Jessica mounted the platform and began, giving a beautiful and impressive performance.

Thank-you, Jessica, for a job well-done.

Vocational Education

Students who want to learn a trade, in order to get into that trade after graduation, take vocational education. They may take welding, auto mechanics, tree harvesting, marketing, or nursing, for three periods of each day and three credits a year. These students leave Wisdom High School each day, in order to learn these trades through on-the-job training.

The students pictured have taken these courses all year, in order to choose a career for themselves.

'87 Pioneer Staff

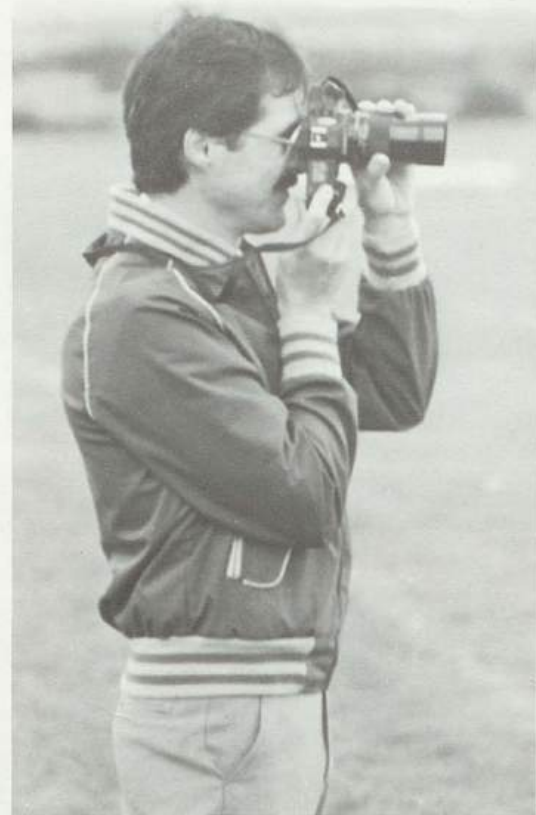

So, you think you might want to learn how to take a picture? Design a layout? Develop your own photographs? Write a story for a newspaper or magazine? Meet new people? Have some fun?

Do a lot of hard but rewarding work? All for the pleasure of being a part of your school and community? Well, you've come to the right place — Room 21, home of the first Wisdom High School official darkroom and photo-journalism class.

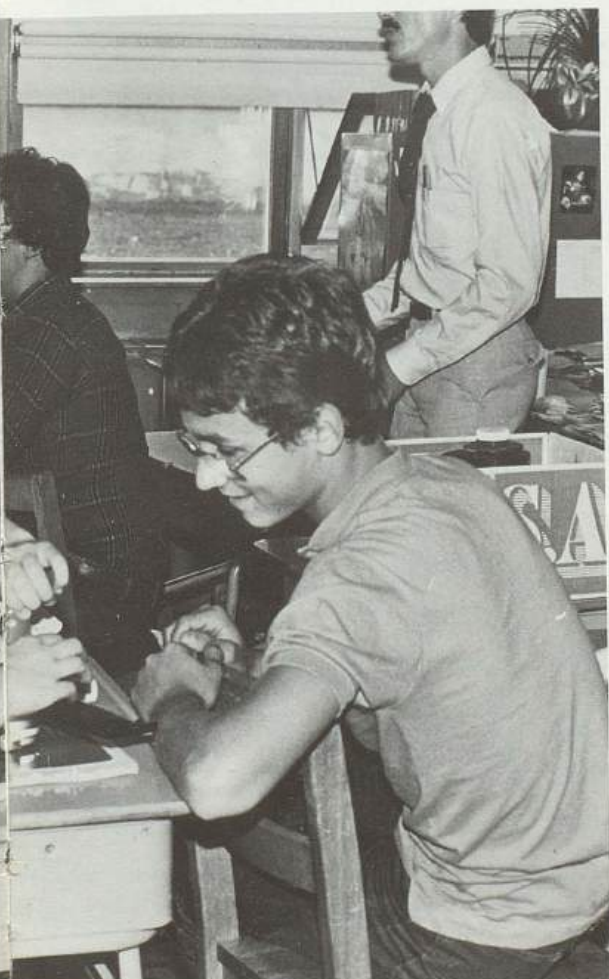

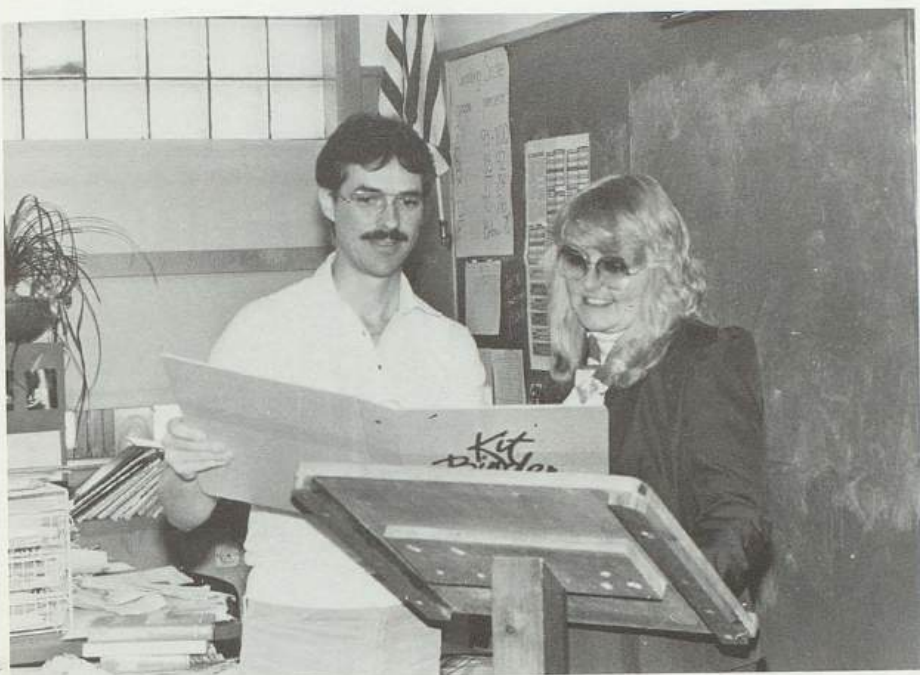

Inside, you'll find a lot of smiles and questions flying back and forth as students and two advisors/teachers struggle to meet deadlines, take pictures, and develop photos or friendships, whichever come first.

We salute this dedicated bunch of people, for the effort has been a valiant one. The 1987 *Pioneer* has been possible because of their efforts.

A TRIBUTE TO AN EIGHTH GRADE

W/LUV DLO 85/87

To the Wisdom 7th Graders - With best wishes! Jack McKen

P. 110, Top: Mrs. Theresa Guerrette and Miss Carol Cyr look like they're really having fun! **Bottom left:** Looks are deceiving in this picture. Mr. Palmer doesn't look very happy, but he really is, because we got out of school early that day. **Bottom right:** Miss Dionne is really excited to experience her first WHS winter snowstorm. **P. 111, Top:** Students and vehicles smothered in snow. **Bottom:** Mrs. Guerrette doesn't look quite so happy in this picture.

Snow Storms in St. Agatha

Winters are usually bad around here, but this was an especially bad one. When there are snow storms around here, we don't usually go home. But this year we had a few bad storms, and this particular storm was different. That's why everyone looks so happy in these pictures, as they leave school early. That's why we decided to add this layout to the yearbook this year. This is what winters are really like in St. Agatha, and northern Maine.

NEVER AGAIN . . .

by Celina Ouellette

Never again will I see so many class members put aside their differences to be associated with people they would otherwise be against . . .

Never again will I hear the quiet members of my class yell at the top of their lungs to cheer for the class they sometimes don't feel a part of . . .

Never again will I smell that bittersweet smell of sweat that fills the gym as even the non-athletes give it their all for the class . . .

Never again will I feel that sense of belonging, that special bond that holds our class together as an inseparable and loyal unit . . .

Never again will I taste that wonderful taste of victory as we realize what we've accomplished, and most of all, that we have done it together . . .

Never again will one event touch me, my classmates, or the school in quite the same way . . .

These are the times I must truly remember.
