

Wisdom High School

In Loving Memory of . . .

Mr. Claude Pelletier

**You were a very dedicated
teacher. We miss you!**

STOPPING BY WOODS ON A SNOWY EVENING

*Whose woods these are I think I
know.*

*His house is in the village though;
He will not see me stopping here
To watch his woods fill up with
snow.*

*My little horse must think it queer
To stop without a farmhouse near
Between the woods and frozen lake
The darkest evening of the year.*

*He gives his harness bells a shake
To ask if there is some mistake.
The only other sound's the sweep
Of easy wind and downy flake.*

*The woods are lovely, dark and
deep.*

*But I have promises to keep,
And miles to go before I sleep,
And miles to go before I sleep.*

You've always been there to help me through the times when I've been down.
You've always been the smiling face, never a tear or a frown.
You've showed me that even when times are dark some sun can still shine through.
You've told me to be proud and strong in every thing I do.
If ever I need someone to talk to spill my frustration and fears,
It's nice to know you'll always be there, a shoulder to cry on for all my tears.
Your words have given me hope, in times when I've had none.
Your eyes have a sparkle of faith as bright as the stars and sun.
I want to thank you for all you've done
But I can't find the words to say
How much you've brightened up my life, in each and every way.
I cherish everything about you.

Your smile. Your friendship. Your love.

"The Class of 2006 is a very unique class. We enjoy having fun, but when it comes time to get serious, we know what to do. We are all very energetic and talkative (which isn't always a bad thing!) We all have different opinions about things and we don't have a problem sharing them. We are good at helping others out and working as a team. When we do something, we always give it our all and do our best. Most of us are really athletic and we enjoy working on projects. We are looking forward to our high school years and will make the most of them."

- Jenna Dubois

*"Life isn't a destination - it's a journey.
We all come upon unexpected curves and turning points, mountaintops and valleys.
Everything that happens to us shapes who we are becoming.
And in the adventure of each day,
We discover the best in ourselves."*

Our class is like a family because we all get together. We listen to what other people say and also to what the teacher or substitute says. The Class of 2007 is very unique in our own way. We appreciate other people's opinions and we don't put them down for what they think or do.

Believe in yourself -

In the power you have to control your own life, Day by day. Believe in the strength that you have deep inside, and your faith will help you along the way. Believe in tomorrow and what it will bring -

Let a hopeful heart carry you through, For things will work out if you trust and believe - re's no limit to what you can do.

Sports Talk 2001-2002

Team Summarization:

Boys Soccer

This year was a very different year compared to others. The team was young. Only having leadership from five seniors, other under-classmen had to step-up to the role. The seniors being Brandon Berce, Brandon Michaud, Andrew Gervais, Aaron Gervais, and Todd Thibeault. "Everytime we played, we played together. We won as a team, and lost as a team." said Coach Vern Labbe.

This year the boys were close to having a 50-50 season. By: Aaron Gervais

Girls Soccer

This years team was a young group of learners. We worked hard and learned a great deal of things from each other. This year was a building year for us. Next years season we are hoping to pull through as a stronger team. We will not be loosing any players for the following year, but only gaining. Were hoping we can combine our talents, and be a threat to the other teams.

All in all, we had a great season and are anxious for the next.
