

Pictured above is the 1982 Yearbook Staff. These hard-working individuals are responsible for putting the yearbook together and for raising as much money as possible to help pay for the yearbook. I can assure you that if you consider the current state of our economy, you will realize how very fortunate we are to be able to record in such a book as this one, the year 1982 at Wisdom. ENJOY!! (Our Co-Editor, Cindy Chamberland is not shown.)

EDITORIAL COMMENT

So many exciting things have happened at Wisdom this year that a traditional theme would have only served as a restriction in covering all the events. As a result, the very simple theme "1982 At Wisdom" became an obvious choice.

We are very proud of our photographic activities in the year's issue. Approximately 85% of all photos were taken, developed, and printed by our very own Pioneers. People who were already familiar with darkroom procedures, such as Curt and Mitch Michaud, and Mark Kavanaugh, assisted tremendously. Mark and Mitch's efforts are made special mention of on three different pages. Newcomers to the world of photography and darkroom secrets are Patty Beaulieu, Tina Saucier, Steve Albert, Steve Collin, and Lisa Corriveau. There's a super rumor going around that Elaine Michaud may join our photographic staff in '83.

Thanks are in order to all of you who helped to make our Bake Sale a success. Whether you aided us in supplying the food, or aided us by buying the food, we thank you.

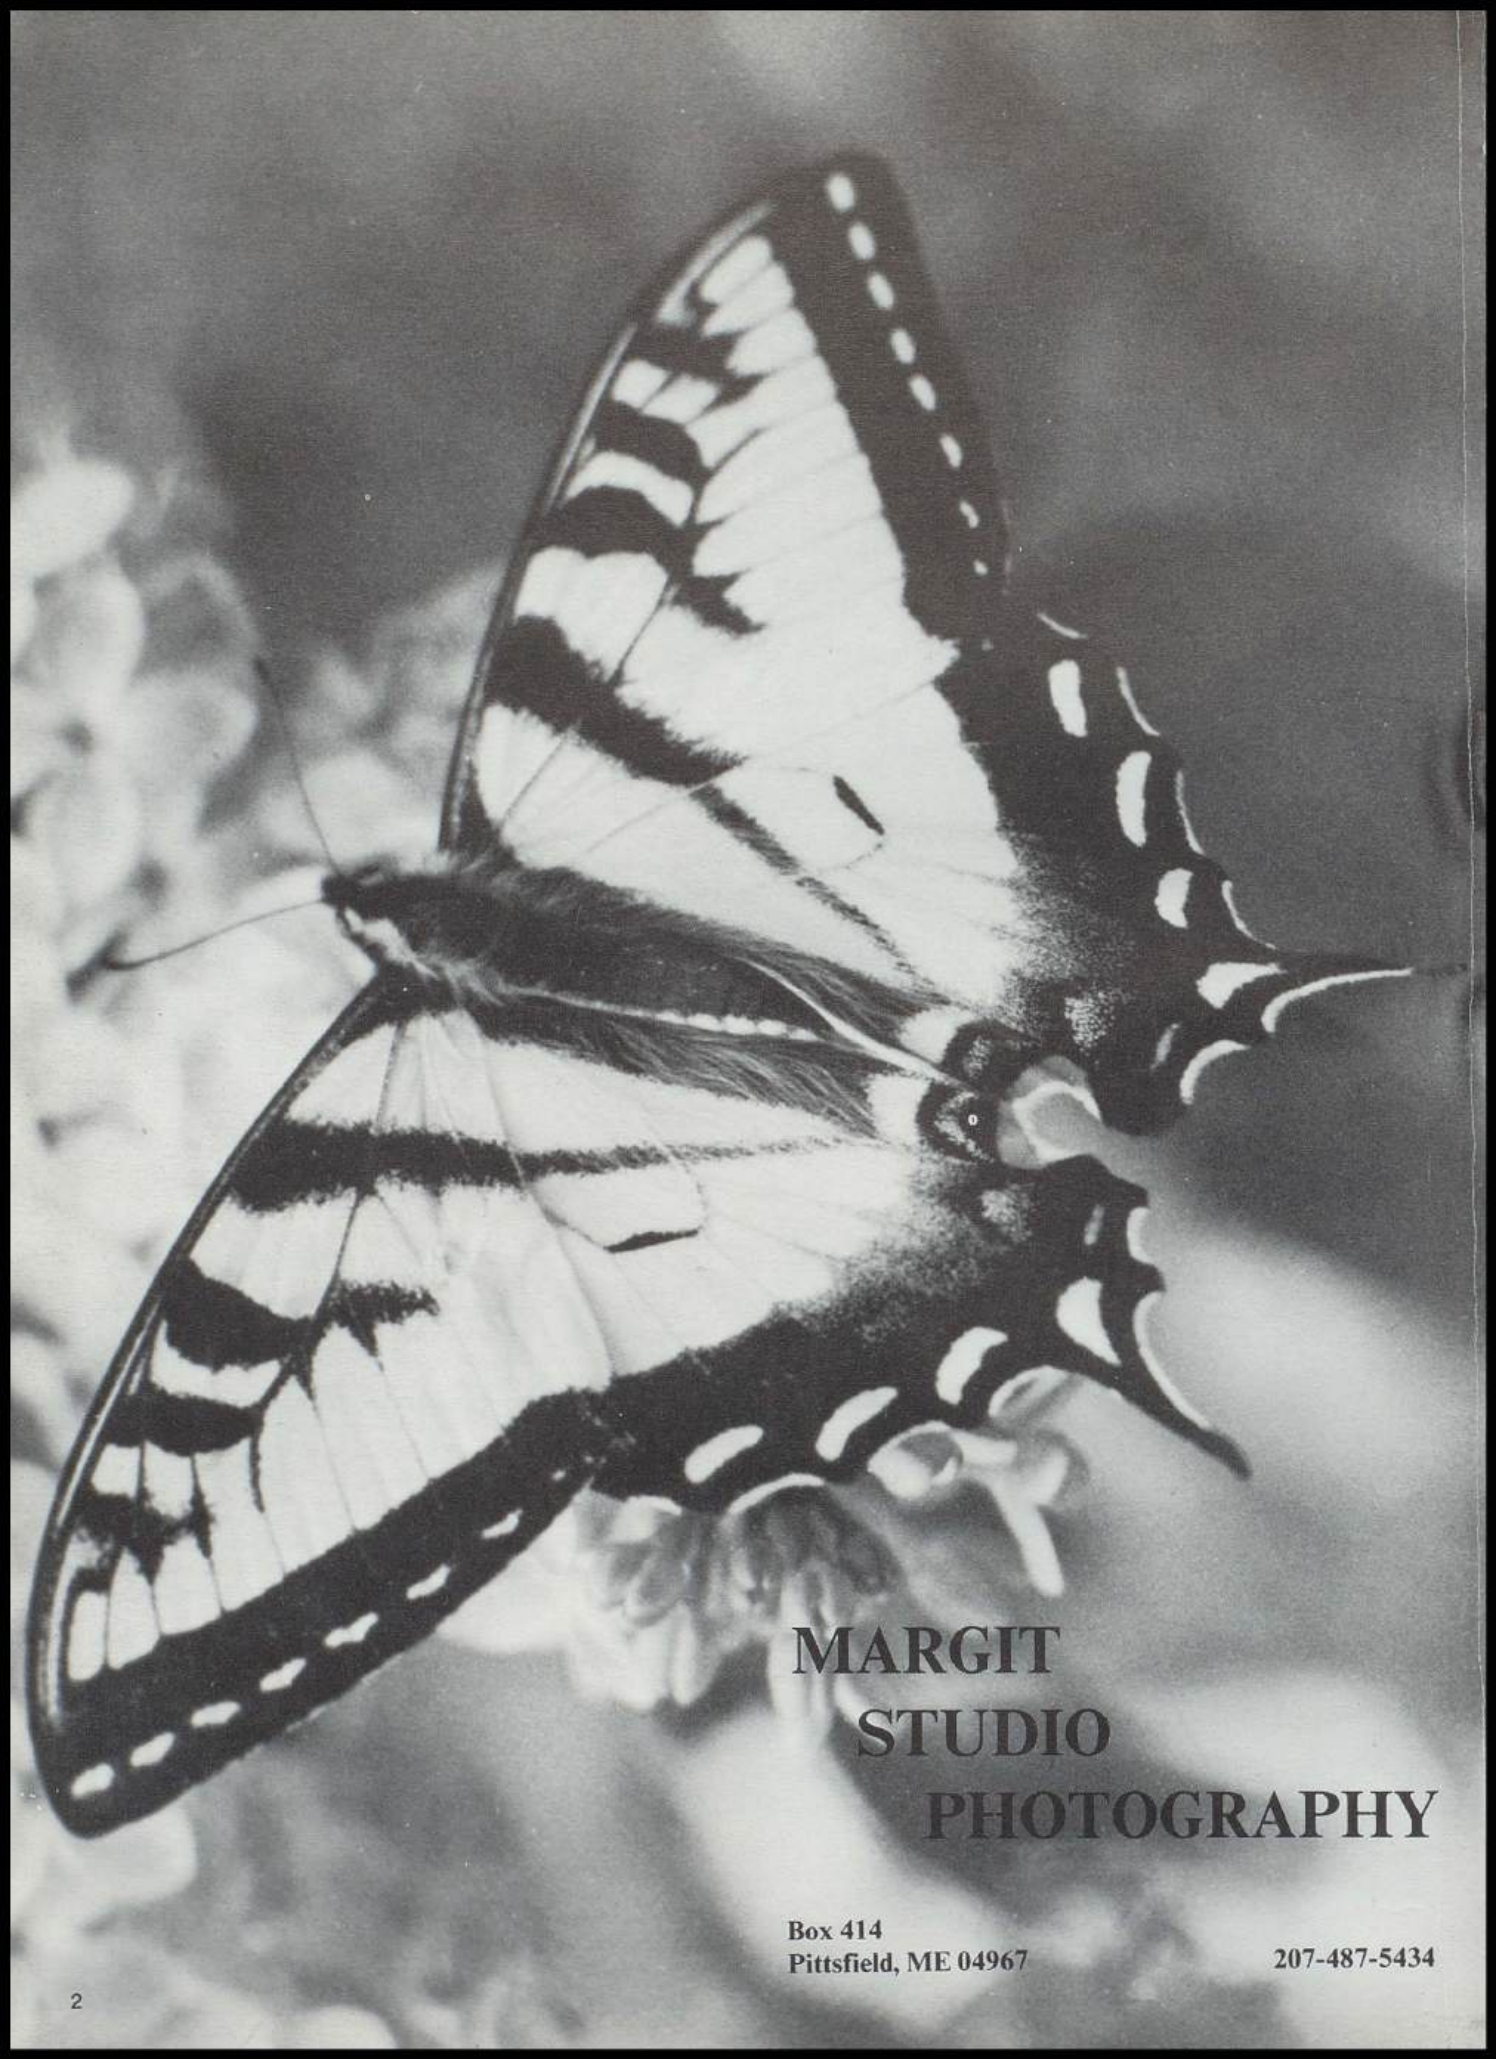

During the last couple of weeks of school, you may have seen "Summertime" T-shirts walking about. Thanks for buying these also! You're continued support is vitally necessary.

We've introduced a brand new section this year. It's called the "Hodge Podge Corner" and features a series of worthwhile but totally unrelated shots of familiar faces. Hope you enjoy it!

Our Senior information sheets are included again in the hopes of making your reunion *planning* a little less frantic. Please make use of it for other reasons as well — like keeping in touch.

I sincerely hope that you will have as much fun looking through *your* yearbook as we had putting it together.

Editor,
Paula Roy

GOALS

Slumps and ruts aren't some of Debbie Michaud's favorite hangouts nor does she feel they should be for other Pioneers either. Debbie and her team of highly motivated officers has promulgated several changes within Pioneer Country. Most of these were in an effort at improving personal relationships and student school spirit.

The presentation of films such as "Hooper," Donkey Basketball, large banners in the gym, an innertive race, Quis Bowl, Hat Day, Dance-a-thons, Teacher Appreciation Breakfast, Computer Datin, participation in State and Regional Conventions (Anne Bouchard elected Regional Vice President) are to mention only a few of the stimulating activities boosted by the student council during the 1981-82 school year.

Un Temps Pour ...

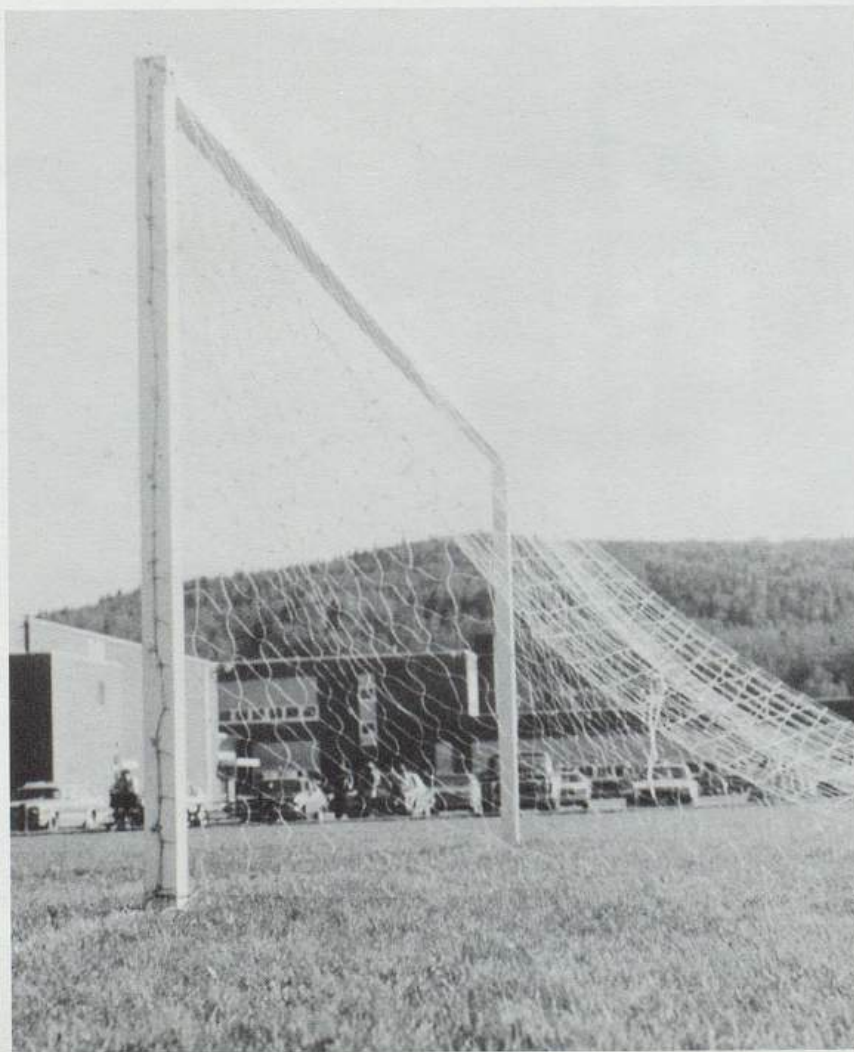

Marchant triste et solitaire
 Dans une forêt mystère
 J'ai crié mon coeur affaibli
 "Oh! Quelle triste vie!"
 L'écho m'a répondu: "Vie"
 "C'est un temps pour les amis."

Voici la rage me hante,
 Alors d'une voix tremblante
 "Echo! La vie est méchante!"
 Il m'a répondu: "Chante!"
 Si tu veux une bonne leçon,
 C'est un temps pour les chansons."

La haine en moi va germer
 Dois-je rire ou blasphémer?
 Et il m'a dit: "Aimer"
 Comme l'écho m'a conseillé
 Sur terre vivre, aimer, chanter
 C'est un temps pour la gaieté.

Close calls, near misses, everyone shouts
 Tournament Tournament this is what's all about
 We try harder to make a stand
 Thinking Tournament while we ran
 Practicing rain or shine
 Winning a game would be just fine
 We did great this soccer season
 Thinking Tournament without no reason
 Even though we did not make it
 Depressing as it was we can take it
 Now it's all *behind* us
 Memories of wedgies in the bus
 Listening and singing those rock 'n' roll tunes
 Someday we'll get to the Tournament someday
 soon
 I've had a wonderful team of special friends
 Thanks you guys, for sticking to the very end
 Even though that high pitch laugh that stung my
 ear
 You guys made me very important throughout
 this year
 We all feel that we are important in some special
 way
 So catch that winning feeling, that winning
 feeling that's here to stay.

"It has been a good year."

For the very first time Wisdom can boast of a **GIRLS INTERSCHOLASTIC SOCCER TEAM**. We performed quite well for our first year of playing. Our first game was against Washburn and we won 1-0. We had started off on a good note, but then lost the next two games. We lost, but continued doing a fantastic job.

Fond memories will always remain. The day Washburn girls and boys both played on our fields, for example, was an experience we aren't likely to forget. Pioneer Power scored two victories. The boys' game had finished earlier and they ran over to congratulate us.

Our team consisted of 24 girls; 4 Seniors, 7 Juniors, 11 Sophomores, and 2 Freshman. We also had 3 managers, Paula Roy, Gisele Clark, and Lisa P. Sirios. Our team had 3 captains; Terry Chase, Greta Fongemie, and Paula Martin.

We won 6 games and lost 4 games. Two of our wins were in overtime. Our coach was Mr. Jordan. We really appreciated his fine coaching during our first year of soccer playing.

We went to the state playoffs in Houlton against Houlton and we lost 2-0. In the semi-finals, Houlton played Fort Kent and defeated Fort Kent 3-1.

The final standings were: Houlton #1, Fort Kent #2, Wisdom 3rd. It was pure pleasure playing on the soccer team for the first year. Next year will prove to be an even greater year.

IT'S WORTH A WORD OR TWO

The Maine State Soccer Coaches Association sponsored the 8th annual All State Banquet on December 13, 1981. Sue Michaud (right) received an honorable mention to the All State Soccer Team during this event.

Greta Fongemie (left) was named to the All Aroostook Soccer Team and received a trophy for her efforts in this demanding sport. Both girls were very surprised to have been bestowed these honors. They were greatly encouraged to try even harder for top-notch performances next year.

Curt Michaud has really been on the ball (excuse the pun) this past year. He received honorable mentions to the All State Soccer and All Valley Basketball teams. He was also named to the All Aroostook Soccer Team. Ce n'est pas des pelures d'oignon ça mon petit Michaud!!!

A MUSICAL EVENT

The spirit of Christmas was greatly enhanced this year at the MSAD33 Third Annual Christmas Band Concert. Popular selections such as "Frosty the Snowman," "Jolly Old St. Nicholas," and "Silver Bells," were among the favorite pieces.

Solo's, duo's and trio's highlighted the evening of December 18, 1981. "Up On The Housetop," performed on clarinet by Ricky Michaud, Paul Michaud and Ed Latham, was especially well received.

LIGHTS! CAMERA! ROLL'EM!

On December 15, 1981, the filming of Wisdom's involvement in the TV game show "Tele-Quiz" was finally a reality. When all questions were answered and the dust settled, Wisdom was left defeated by Caribou by a very narrow margin. It all boiled down to a battle of the buzzers as both Wisdom and Caribou were very well matched in academic wit.

Representing Wisdom were Peter Daigle (captain), Ray Chamberland, and Mark Kavanaugh. Gisele Clark was score keeper and Anne Bouchard narrated the short slide presentation depicting Wisdom High.

Supporting our brave team of three was a substantial entourage of Pioneer Country people. They were: Debbie Michaud, Lisa Corriveau, Dawn Daigle, Lisa Parent, Theresa Chasse, Monica Bourgoin, Greta Fongemie, Lynn Dugal, Ann Nadeau, Diane Nadeau, Lisa P. Siroes, Elaine Michaud, Nicole Michaud, Steve Albert, and Gary Morin.

THE "ECHOES II" NEWSPAPER STAFF

EDITORIAL NOTE

HELLO. As editor of our new school newspaper, I'd like to say of few things on behalf of the staff, our advisor, Mr. Gerry Morin and, of course, myself.

First of all, I would like to remind you, the students of Wisdom High School and Junior High, that this is *your* paper. Please feel free to submit any fiction, poetry, articles, and just about anything else you'd like to see in the paper. We also would appreciate feedback, whether good or bad, on the quality of the newspaper. If you have anything to submit to us, or any feedback for us to consider, feel free to drop in to the newspaper room (room 20) or get in touch with Mr. Morin, myself or any other staff member. We're here for you!

Many of you are probably saying to yourself, "Why is the paper called 'ECHOES II'?" The reason is because a long, long time ago, when Wisdom High School, then called Notre Dame De La Sagesse, was still taught by the Daughters of Wisdom, there existed a paper called "L'Echos De La Sagesse." Unfortunately, this newspaper was not kept up, due to a lack of interest. Another attempt at having a school paper was made while Mr. Alex McLean taught here. This, too, did not succeed because the paper was left without an advisor when he left.

In order for this endeavor to succeed, we, the ECHOES II staff, must have your support. Please support us by continuing to purchase ECHOES II, sharing your ideas, and finally by getting involved in making our school a place of pride. Thank you for letting me into your busy schedule to share these thoughts with you. Until next time,

Editor,
Dawn Daigle

IT'S CRAZY! IT'S INITIATION!

October 23, 1981 was just another of those crazy daze at Wisdom. Initiates such as Dennis Bosse, dressed as a pink bunny, Teri Cyr the skunk, and Kevin Lavoie in a VERY SEXY red sweater are but a few of the many victims of the Senior imagination. Best Costume went to Paul (Max) Morin as Dracula, and Patricia Sinclair as the Fruit-of-the Loom Grape Cluster.

1982 HOTSHOT CONTEST

Students have one minute to score as many baskets as possible. Everyone begins at half-court and must dribble into shooting range. Students may shoot from "hotspots" marked on the floor in any sequence. Besides "hotspots" the students are also allowed two lay-ups. If a student shoots from all five "hotspots," he receives a bonus of 3 points.

Age	Sex	Winner	Points
9-12	M	James Dufour	20
	F	Connie Thibeault	5
13-15	M	Paul Bouchard	27
	F	Cecile Plourde	20
16-18	M	Mitch Michaud	16
	F	Diane Nadeau	14

Start college in two years with more than \$15,000.

How many employers today can guarantee you work for two year, let alone offer you a bonus for college? Today's Army will do both.

In fact, if you join the Army for two years, you could accumulate more than \$15,000 for school.

Here's how: if you participate in the Veterans' Educational Assistance Program (VEAP), the government will match the earnings you save two-for-one for a maximum of \$7,200. Then, if you qualify, the Army will add on an \$8,000 educational bonus. That's \$15,200 in just two years.

For more about how to serve your country while it helps you finance school, visit your local Army Recruiter. Or call 728-4412.

Junior Winter Carnival Song

Daytime Friends and Nighttime Lovers

It's a time for meeting here again to express our thoughts about you in a song. Now you just started and you need new friends who can help you find your way and move along.

It's a time for working at your dreams to achieve them in the best way that you can. It can be hard, but just give it a try, and soon you'll see your life will take a stand.

A time for love, a time for laughter and happiness ever after as you live throughout life in your world of fantasy. A time for tears, a time for sorrow and good outlooks for tomorrow as you live throughout life in your world of reality.

Let Your Love Flow

It's the season for the carnival, and it's a time for our spirits to rise, and we are grateful that you all could be here to join us.

Now as you all know, the time has come to crown our new king of our small kingdom. And also his queen who has worked as hard for her own dream.

Yes, it's a time for their reign to begin, to rule together till the end of spring then go their own way for the time has come for their departure. Then they'll say bye, but it won't be for long cause they'll be back someday to see all their friends, and life will go on as it has through the years like always.

Refrain

It's a time for us to prepare for life, and we'll be ready for things that might come in the future that we'll have to face tomorrow.

So don't be frightened when things go wrong, just keep on trying, and you'll move along, don't be behind now, just keep your pace through your life. (Refrain twice)

Don't Stop Believin'

Now we're near the end hoping that we'll still be friends after you are gone away for a long, long time. Soon it's time to part and we know that in our hearts, we will remember you till the end of time.

We sing this song for you tonight, without troubles you can do all right, just follow that ol' guiding light and go on and on and on and on.

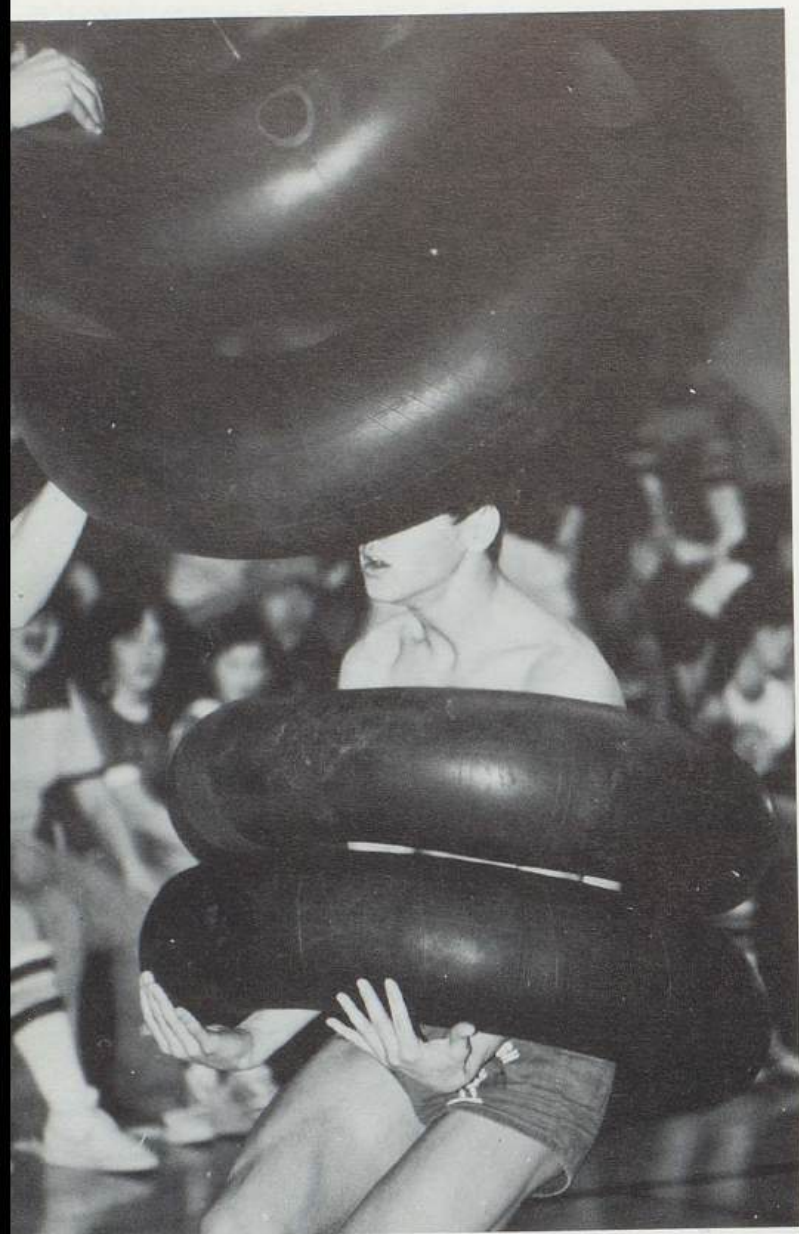

Refrain

Forget not this night, for it will be gone tomorrow the people, the glimmer and the lights. A time for remembering all the fun we had together the laughter, the carnival, and tonight.

Don't give up you've got the will, you can even make time stand still, and when it happens we will know that you have reached your goals. Life is hard, life is cruel, life can make you be a fool, but we know that you'll succeed, and go on and on and on and on. (Refrain) A time for...

"A Time For ..."

Challenging what we do best;
To seek out comrades fond request,
Strengths within we must unfold
Talents shown as true as gold;
A time for Wisdom, a time for zest

Forms of art these ice portray,
Such beauty seen on a winter day;
It fills our souls with loveliness
To know cold days brings happiness

Sharing game styles of fair play
Magic moments we dare say;
Mind and body strive for excitement
Inspired hearts look to fulfillment;
A time for Wisdom, a time for today

Songs of joy we sing with grace,
Expressing smiles on each face;
Togetherness is our key
To every friendship that will be

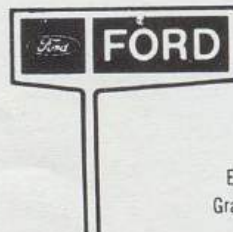

Winter Carnival provides reason to strive;
For hard work and fun is worth the try,
So much to gain that no one fail
This time of youth that does prevail;
A time for wisdom, a time for Wisdom High.

A time For ...

When lame men pass by;
That's the time for supporting them.
When crying children pass by;
That's the time for holding them.
When blind men pass by;
That's the time for supporting them.
When is now.
Now is the time for Love.

A TIME FOR . . .

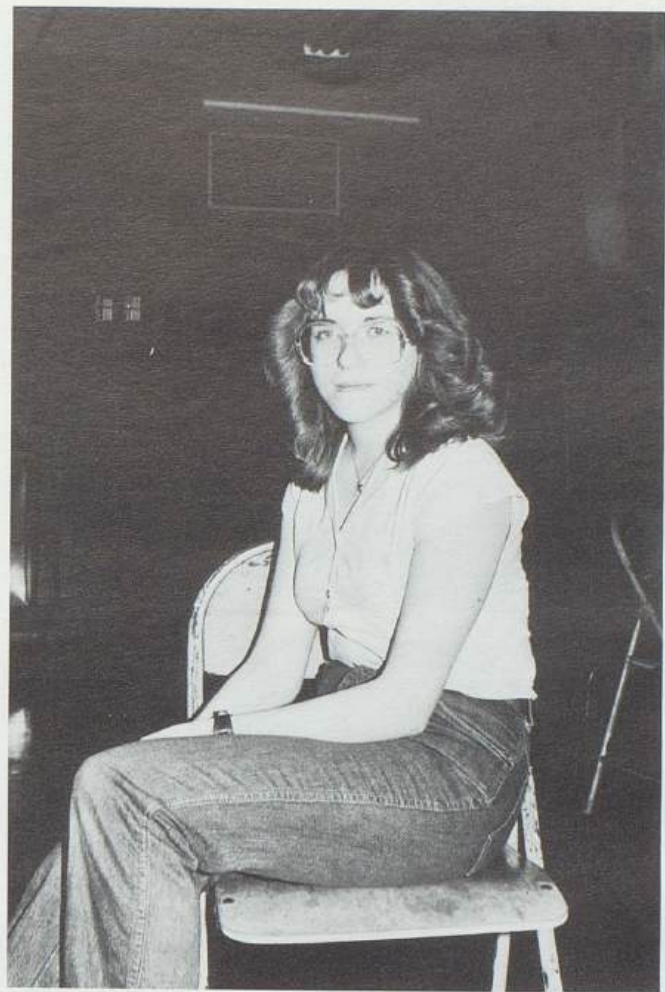

Gathering discarded pieces of cloth,
To make a quilt for my baby's loft.
Her eyes shine blue, her hair shines gold,
A time for memories
To be told.

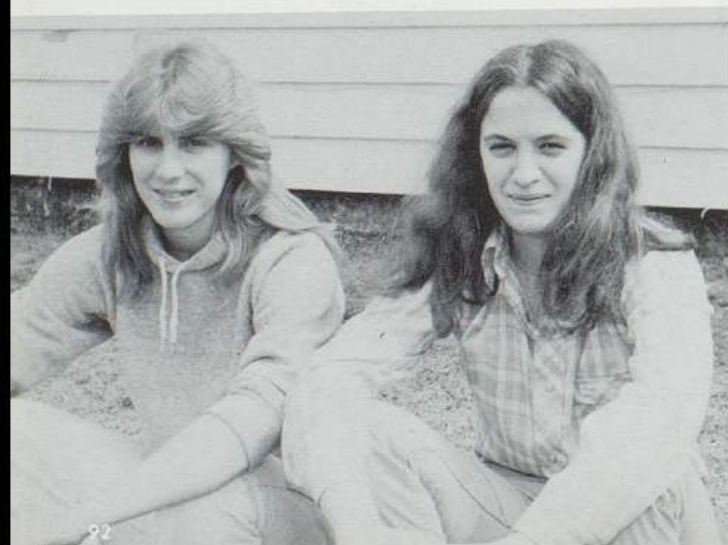

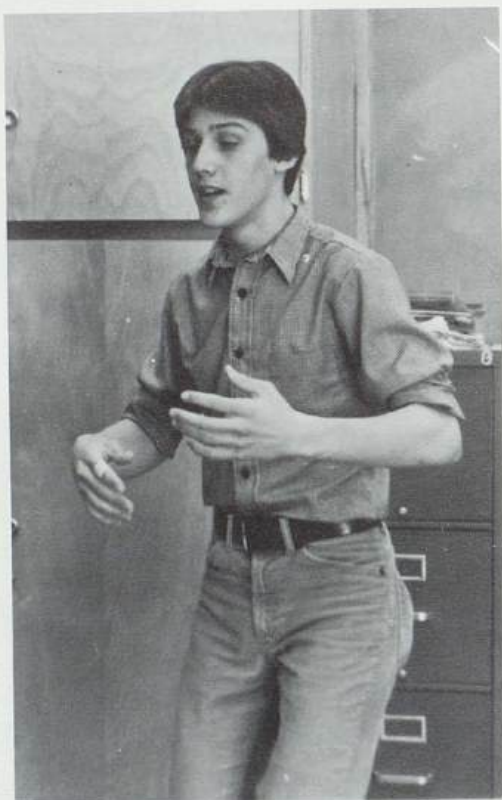

Sewing pieces with gentle care,
My baby's cheek will never rest there.
As I walked up
To the room that day,
I remember that corner where my baby once lay.

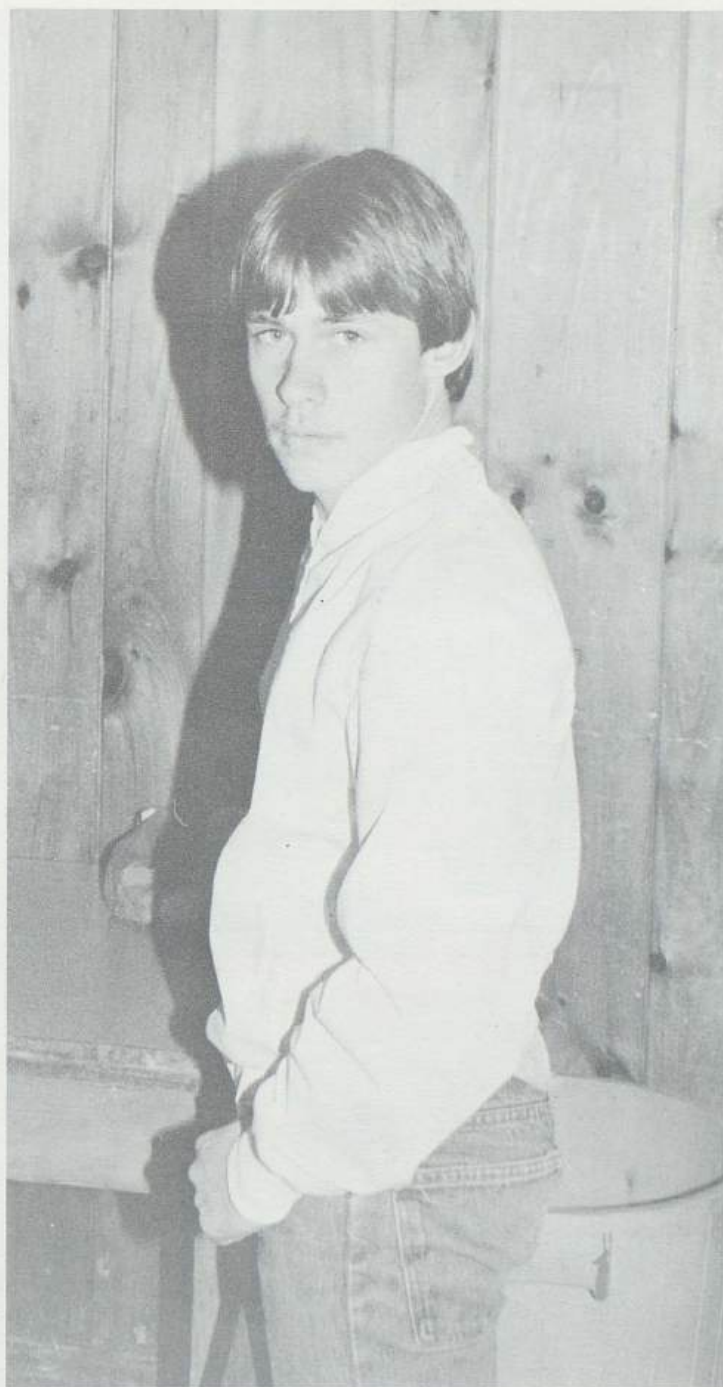

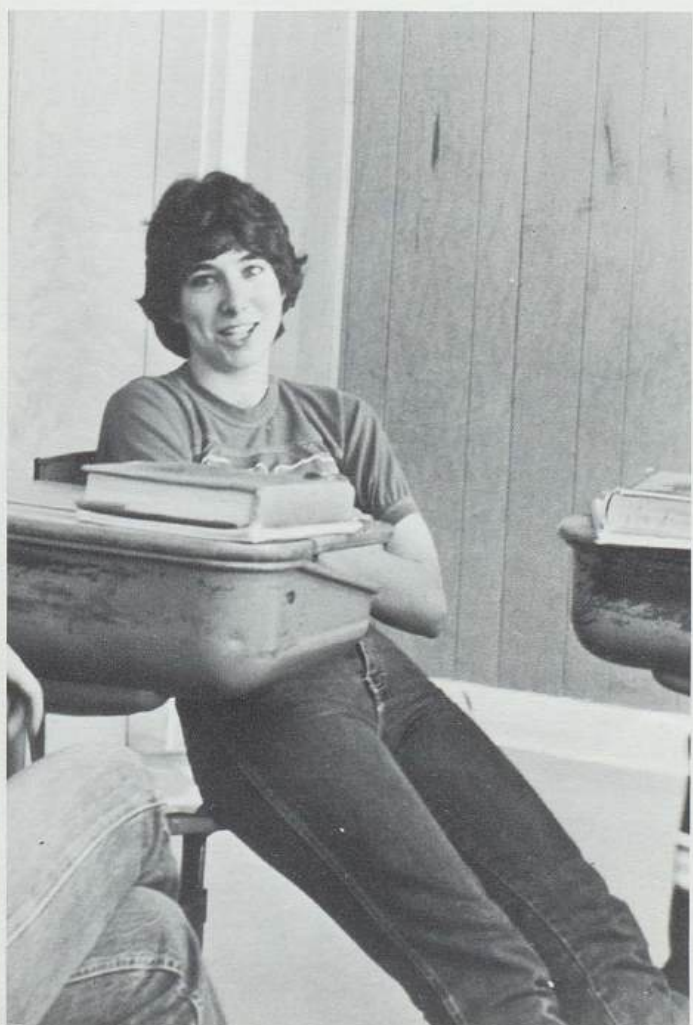

I see her there, so full of life,
My dream has vanished,
The room's all white.
Gone is the child that God had blessed,
Gone is the crib, where she would rest.

The morning I found her,
Still as stone,
I knew my life was all alone.
I finally faced that fact today,
A time for the quilt to be thrown away.

Wisdom's 1983 Commencement Program

Wisdom High School was the site last Wednesday, June 8th, of the 1983 graduation program. Some 850 parents, friends, and relatives were on hand to witness this event which saw 64 Seniors receive their diplomas. The Wisdom Jr. and Sr. High School Band — directed by Mrs. Martha Michaud — provided the music during the evening playing such selections as: "Endless Love" and "Hill Street Blues Theme."

The *Commencement Addresses* were given by; Brenda Chamberland, the "Co-Honor Essayist," who spoke on "The Value of Education." Brenda is the daughter of Mr. and Mrs. Jerome Chamberland; Greta Fongemie, "Co-Honor Essayist," reflected on how one may acquire wisdom. Greta is the daughter of Mrs. Therese Fongemie; Lynn Dugal, the "Salutatorian," at this time thanked the many people who played a large part in their high school years and pointed out the support this 1983 graduating class received from many caring people and organizations in setting up Project Graduation — an alcohol-free party — which was a trip to Quebec City; and Monica Bourgoin, the "Valedictorian," gave her "Message to the Underclassmen." Monica is the daughter of Mr. and Mrs. Robert Bourgoin.

Sixty-four Seniors received their diplomas conferred by Mr. Garfield King — Superintendent of Schools, assisted by Mr. Paul J. Bouchard, Principal of Wisdom High School.

THE JUNIOR HIGH STUDENT COUNCIL — Vice-President Peggy Morin, President Janice Thibeault, Treasurer Mark R. Collins, and Secretary Kim Gervais.

(Janice Thibeault) Fellow students and faculty. As another school year is underway, it is time again for us to choose the people we want to represent us in the Student Council. I wish to hold the position of President because I would enjoy it very much to be able to please my fellow students and teachers.

I've had some experience. In the 4th grade, I was class representative. In the 5th grade, I was my class president. In the 7th grade, I was also class representative. I will not make any promises I will not be able to keep, but one promise I will make is that I'll try my hardest and do my best to get what you, the Junior High people, want. Also, I wish all the contestants the best of luck. Thank you.

Hi! I'm Kim Gervais. As you may know, I'm running for secretary. If I'm elected to the position of secretary, I will do my best to accomplish all possible goals suggested by my fellow classmates. There are many people who think that the student council is not important, but if elected, I will try my hardest to change your dislikes of the Junior High student council. I will promise to do my best and to show just how good our Junior High really is.

If elected as secretary, I am expected to take down any necessary notes about each meeting. But, that isn't all I'm expected to do. I will take part in any discussion and put my point across. I will mention any suggestions mentioned to me. I will honestly take your suggestions in consideration. I really think I could handle the position and if elected, I will try to do my best to fulfill any of your thoughts as well as possible.

I want to wish luck to the other participants. Thank you.

Hi! I'm Peggy Morin and I'm running for vice-president of the Junior High Student Council. If you vote for me, I know I'm going to do my very best to please you all. I will always be there to stand right by the president, whoever it may be. I will listen to any comments, suggestions or complaints you may have and you can be sure I will bring them up to the student council. I know many of you love dances so I'll try hard to get more of them. I will also try to get us as many movies as possible. I will try to get bake sales and other fund raisers for any activity we may want during the year. If you vote for me I'll try to satisfy you in any way possible. I would like to wish all the candidates the best of luck.

(Mark R. Collins) My dear fellow classmates, seventh graders and faculty. I'm running for treasurer because I can do the job. I have experience from last year to what the Council is like and what is expected from us. With me being treasurer, I assure you the money will be used considerably. The money you earn will be used for the Junior High and nowhere else. I'll try to get low cost activities but still have good ones. Thank you.

Let it be known to all 1983 graduates that the people listed below sincerely hope they have had a positive influence on each graduate's future, and wish them all the very best of luck in their quest for fulfillment and happiness.

Winter Carnival Royalty

KING: Kevin Gervais
QUEEN: Gayle Bouchard
LEADER: Mr. Joel Long

It wasn't just another one of those usual winter carnivals this year. The competition was fierce both among the students and the team leaders. Of course there's always someone who wins. This year it was Mr. Long's team, "Bonhomme Carnaval." A *VERY CLOSE!!!* runner up was Mr. Michaud's team, the Kaleidoscopes, followed by Mr. Raymond's team, the Spectrums, and finally, Mr. Bechard's team, the Prisms. The development of good sportsmanship and the ability to have a good time were key goals in this year's carnival. Without a doubt, we have met these goals. Congratulations to the Bonhomme Carnaval for a job well done.
