St. John Valley Tech, gives students from all three Valley school districts, the opportunity to discover and apply career related skills. Not only do they learn in regular classrooms, but they can also apply the knowledge they can at internships and job shadowing in the real world. Brooke Franck is an example as she goes to Fish River Family Practice to see what it will be like after highschool.

Wisdom easily moved on to the Semifinals with a win over Fort Fairfield 6-1.

Quarterfinals vs. Fort Fairfield

Girls Soccer Playoffs

Northern Maine Girls Class D Regional Finals

After a long bus ride all the way to Herman, Maine, Wisdom arrived at the pitch ready to compete. At kickoff, The Lady Pioneers brought the heat and had some amazing stops defensively. With five minutes remaining in the first half, Lady Pioneer Ava Lerman scored a goal from just above the penalty box to make the score 1-0 going into the half. The second half was looking good for the Lady Pioneers with the defense holding strong. However, with just 7.5 minutes left in the second half, a breakaway for the Howlers, evened up the score 1-1. Then with 2 minutes of regulation time remaining, the Howlers managed to get off a lucky shot that somehow got through Colleen and the defense. Even with 30 saves by the goalie and an amazing offensive effort, this ended the Pioneers season one game too short.

Semi-finals vs. Ashland

In this rivalry, Wisdom came in to the game with intense focus. Although a lucky first few minute goal happened, Wisdom never backed down. Losing 1-0 at half, Wisdom brought great energy coming out. After limited time remaining, Sophomore Ava Lerman scored a goal, tying it up at 1. Keeping the momentum going, Wisdom was doing circles around the Hornets. With a few minutes remaining of regulation time, the Lady Pioneers found the back of the net, again. Launching themselves once again to the Northern Maine Class D Girls Finals.

With Wisdom easily finding the back of the net in the first minutes of play, they finished with a 10 goal lead over East Grand. This secured Wisdom a spot in the Northern Maine 8v8 Semifinals.

Soccer Bloopers

Semi-finals vs Dexter

On a perfect soccer weather day, the Wisdom Pioneers knew this was their chance to bring themselves to the Northern Maine 8v8 Championship. Right from the kick-off, the Pioneers used their strength and determination as a weapon against the Dexter Tigers. They finished this game with an 8 goal win over the Tigers.

8v8 Northern Maine Finals

A suspenseful first half of soccer. After losing to Schenck team both times in the regular season, Wisdom knew this was their final chance. However, the Wisdom Pioneers could not seem to get the ball in the back of the net. After a late goal scored by Schenck, Senior Captain, Dawson Gagnon, evened the score with a goal with 8 minutes remaining in regulation time. Going into overtime with their heads set high, another late goal by Schenck was scored, ending the game the Pioneer's season just one game too short.

GIRL'S BASKETBALL PLAYOFFS

Game Stories:

Quarterfinals

In the quarterfinals the seven person Lady Pioneer basketball team was able to get past the Bangor Christian Patriots. The Lady Pioneers started off strong and took the lead after the first quarter, maintaining it throughout the second quarter, with it momentarily being taken by the Bangor Christian Patriots during the third quarter. However, the Pioneers were able to pull off a strong 4th quarter and won the game. Lilly Roy led the way with 19 points and Ava Lerman followed with 9 points.

Semifinals

The Lady Pioneers knew they had a tough match at hand against the Katahdin Cougars. The players had the crowd on their toes during the game. The first half was back and forth between the two teams. The Pioneers took the 1st quarter lead 8-7. At the end of the 2nd quarter, Wisdom was still ahead 15-12. The Katahdin Cougars played a very strong 3rd quarter outscoring the Pioneers 21-9. The Pioneers were never able to recover from that deficit. Lilly Roy finished the game with 23 points and Ava Lerman finished with 11.

BOY'S BASKETBALL PLAYOFFS

Game Story:

Small in numbers but big in heart <3

Wisdom into Quarterfinals - After Wisdom secured a huge win over Washburn against the Beavers, they punched their ticket to the Northern Maine Quarterfinals. Wisdom entered the arena, nervous about the game that awaited them, but still felt happy about the achievements the small team boasted. At tip off, Wisdom kept the ball on the perimeter, causing Schenck multiple turnovers. After a few baskets on the perimeter, Wisdom's Tanner Marquis gets them on the board with a layup. With some finesse, Wisdom's Camden Pelletier manages to contribute a few much needed first-half baskets. Keeping their heads up high after halftime, Wisdom comes up too soon for a very talented, 18-0, Schenck Wolverine team. Everyone in the arena applauded the Pioneers for their dedication and perseverance throughout the season with only six players for the majority of it.
