## Class of 1993

*Times we will remember - a future we look forward to.*

As the end of our high school career draws to a close, we find ourselves reminiscing about fond memories that we will always hold close to our hearts.

A characteristic that most often comes to mind when thinking of the class of '93 is that we are such a closely-knit class. We have always drawn closer to each other during our winter carnivals. We always acted as a group, forgetting about our differences. In our Junior year we tie-died T-shirts because we felt if we looked the same it would motivate us to be a unified team. In our Senior year we were

the only class to have one-hundred percent participation points.

We are also very creative in many of the things we do. One day we rode our lawnmowers to school. Other groups, especailly seniors, have been noted for riding around the school in their cars and tooting their horns. How UNORIGINAL! So, we felt that as Juniors we should set different standards and be unique.

We also possess a substantial amount of intelligence. A large number of us have been honored at the annual district Honor's Banquet.

We have earned a variety of academic awards such as the UMO Merit award and a special mention for having achieved the highest eleventh grade MEA test average at Wisdom High school since the beginning of this test several years ago. Finally, most of us (approximately 97%) will be going on to college or to the military service after we graduate.

Now, as we find ourselves going separate ways to further discover ourselves as individuals, we feel proud of our past accomplishments and are excited about what our future holds for us.

# JUNIORS

## Class of 1994

The Class of 1994 consists of 56 unique students. We are fun loving yet very hard-working. Many underestimate our class, but we know we are a gifted bunch. The Class of 1994 has many special talents and qualities, some we have yet to reveal. We are highly noted for our friendliness, great charac-

ter, our willingness to succeed, and our academic and athletic abilities.

In the past few years we have learned how to work together and have become bonded in a sensational way. After winning the Winter Carnival our Sophomore and Junior years, it gave us the confidence we needed to keep on

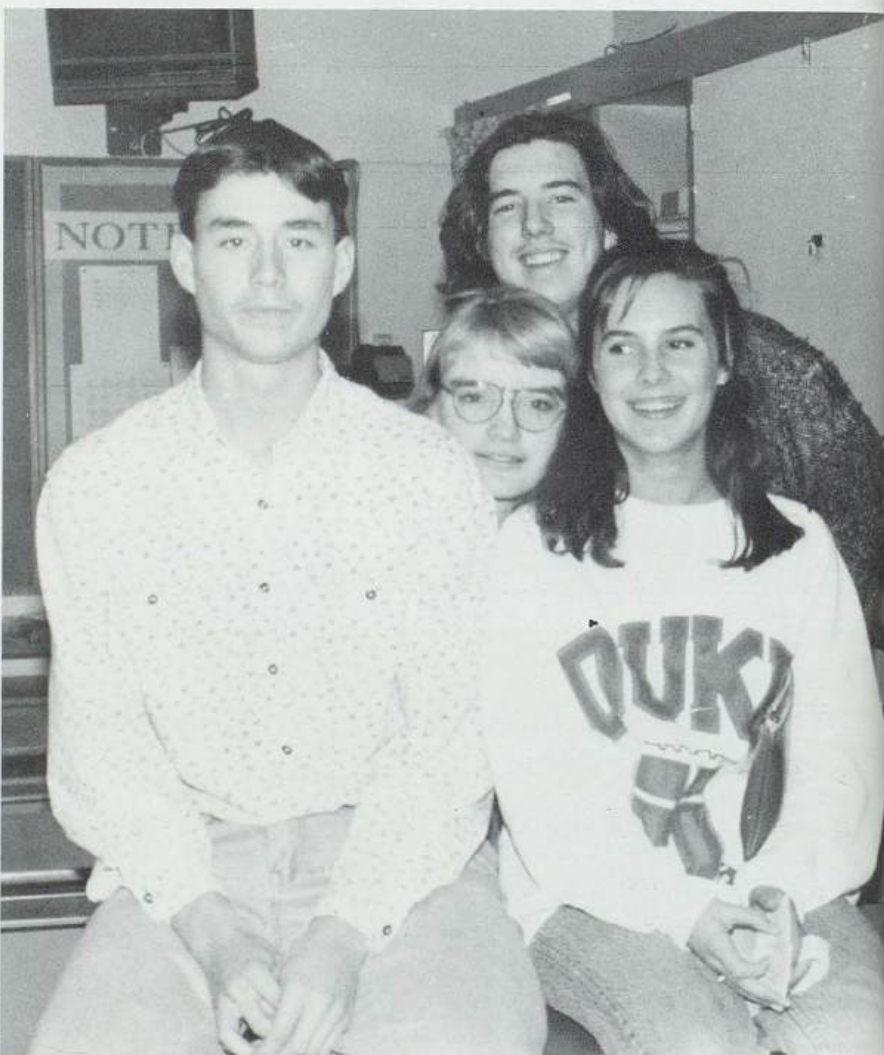

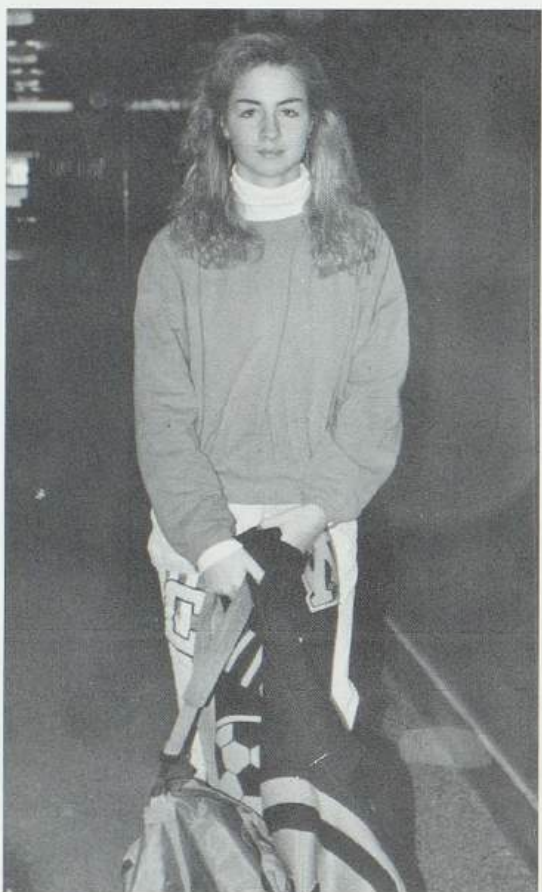

trying to succeed and to never give up.

What the future holds in store for us is unknown, but a quick survey reveals that many will further their education into the law, medical, and business fields.

# SOPHOMORES

## Class of 1995

The class of 1995 is a class rich in spirit, is very sociable, and is out-going. During both our Freshman and Sophomore years we have received the Sportsmanship Award during the winter carnival. This is mainly because we demonstrate a willingness to help each other out during competitive activities.

Our class always has full participation from everybody. Whether it is the winter carnival, fund raisers, or just activities where help is needed, there is always somebody who is there and is

willing to lend a helping hand.

We are always full of new and innovative ideas to help improve the school, ourselves, and other members of the student body. If you speak to any of us, you will discover that we have different and exciting opinions on how to make our school environment better. Every member of the class of '95 is very aware of the events going on around them. We are able to make useful recommendations on how

to improve activities that involve or affect the entire student body. In order to maintain a good posture for helping in the change process at Wisdom High, five of our classmates attended a Leadership Seminar in Hartford, Connecticut during the spring of 1993. The purpose of the seminar is to train student leaders in the change process.

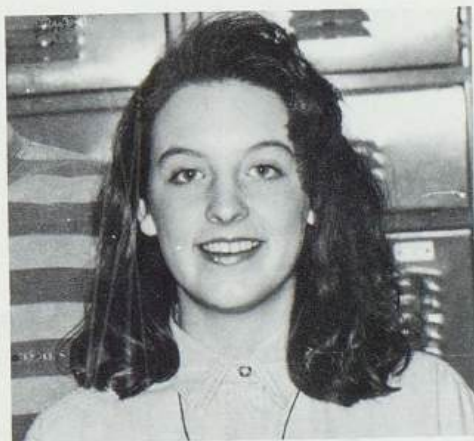

The class of '95 is a class that has experienced many memorable moments in its past school years. Our eighth grade trip to Augusta is one we'll not soon forget. Nor will

we forget our wonderful years at the Dr. Levesque Elementary School. We hope to make many more memories as we move ahead toward our future. We all have our own personal outlooks on what the future will hold for us, and we will not be intimidated by the tough road ahead. As for now, though, we are enjoying our high school years with each other and hope the years we have left together at Wisdom are just as pleasant as the first two.

# CAROLS OF JOY

The Wisdom High Chorus Group, directed by Mrs. Martha Michaud, sing a Christmas carol. From left to right they are: Erik Myers, Tim Flanders, Carla Guerrette, Nadia Ouellette, Barbie Ouellette, and Angela Olmsted.

The Wisdom High School Chorus and Band had a Christmas Concert. They performed "Holiday Celebration", "Rudolph", and "I'll Be Home for Christmas". Also performing was the Caribou Choral Society, which included students as well as adults. We hope to have more concerts like this one in the future.

Ben Michaud plays "I'll Be Home for Christmas", on piano.

# FEATURES AND ORGANIZATIONS

## THAT'S US!

"Yes, I know that looks like a school. But, which school is it?!"

Not too many strangers in town will be saying those words anymore. We're telling everyone who we are, not only when we compete with other schools but whenever anyone takes a look at our new sign.

The sign was made possible through the generous donations of various student groups at Wisdom. Donated labor time by Charles Collins, Sinclair Masonry, Ken-L-Electric, James Chamberland and Euclid Bourgoin also contributed greatly to its completion. Needless to say this was indeed a true community project. Thanks to Mr. David Raymond for his organizational role.

Pictured on the left is Mr. Herman Picard, sign designer presenting Jimmy Killarney an award of recognition for being helpful and considerate during the construction of the new school sign.

The general sentiment from the Caribou High School NHS was "We hope that future conventions will be modeled after the one [Wisdom's] NHS chapter put on this year."

# OUR WORLD- A STAGE

This past year the drama club has been very successful. Bouncing back from the loss of great talent last year due to graduation, we managed to recruit a variety of actors and actresses, singers, artists, and crew.

To start off the year, we produced "Symbilene," an adventurous play written by Doug Clapp, in which witches and warlocks are caught in a time warp in their quest to find a powerful mystical stone. As usual, the drama club stunned its audience with amazing special effects including a magical portal where the witches leaped through to travel in time and a variety of other explosions to enhance the witches' magical power. "Symbilene" was an overall excellent production.

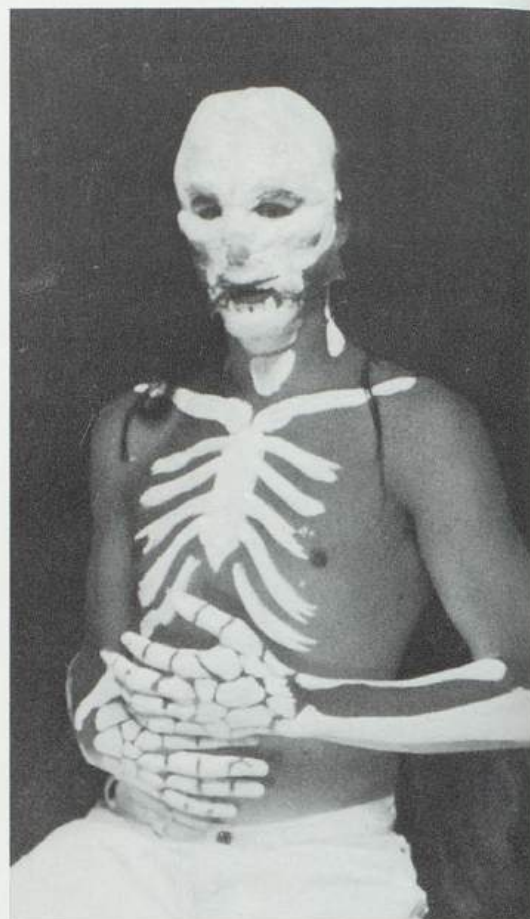

Our 3 One Act plays were lots of fun. One of them ("My Brother's Madness,") went to the One Act Regional Drama Festival in Limestone. The play's "Cobbler Stick To Thy Last," "Cupidosis" and "My Brother's Madness" were staged at Wisdom. They drew large crowds for the evenings of comedy. "My Brother's Madness" was recognized at the Regional Festival when Carrie Ouellette, Nathan White and Dwayne Gagnon won All-Festival Cast Awards, and a Special Achievement Award. Congratulations!

Lastly was the production of "Nan's Diner" an intergalactic extra-terrestrial thriller which portrayed the interaction between earthlings and aliens.

Under the direction of Doug Clapp, the Drama Club has grown to be successful in its endeavors. We would like to thank Mr. Clapp for all the time he spends on Drama.

# GIRLS VARSITY SOCCER

The 1992 Girls' Soccer Team started out with renewed vitality. The players worked very hard during practices, and put together a great team under the leadership of Coach Joe Deschaine.

Although the team had a few setbacks, they did an overall great job, almost making it into the playoffs.

An interview with Coach Deschaine revealed that the greatest strength the girls had was the number of players on the team, which allowed them to play many people at many different positions. Coach stated that their greatest goal was to score goals, and that they had to work very hard to find individuals who could

do so. Although, this goal was not attained, the girls never stopped trying. When asked to give a word of advice to next years girls, Coach said, "Develop the skills that we lacked this year, and we will play three playoff games here next year."

Something good that came out of the season was

that Amy Lerman was chosen to the All Eastern Team. When asked how she reacted when she got the news, Amy said, "I was surprised and I thought of all the instances that had occurred during the season that made me achieve this award."

# BOY'S VARSITY SOCCER

This year proved to be a most exciting and successful year for Coach Aldrete's varsity squad. The soccer team's talent, aggressive play, and desire to win earned them a place in the Eastern Maine Semifinals.

The varsity team hadn't gone beyond the first round playoffs since 1984. This year, they knocked off a higher seeded Central Aroostook High School team to gain the spot in the semifinals. Unfortunately, they lost a hard-fought game to number one ranked

Katahdin High School.

We outscored opponents in all games 60 goals to 23 goals this year. This was due to an explosive offense and a strong and hard-hitting defense. A lot of teams thought very highly of our skills this year. Both Caribou, a class A team, and Fort Kent, a class B team, requested that we scrimmage them for preparation to the playoffs. We certainly earned respect as a team.

Our desire to win as a team brought forth emo-

tions that had a great deal to do with the two red cards and eleven yellow cards the team acquired throughout the season. These cards are given as penalties. Our perseverance earned us two records. A sixteen to zero blowout against Easton, and scoring in nine seconds against Washburn.

In an interview with Coach Aldrete, he said that "With the returning veterans, I knew we were going to be strong in scoring, but I did not know about our defense. The

most pleasant surprise was Jay Wrisley. The position of fullback is the most demanding position next to goalie. Jay did the most to fulfill my expectations. The team as a whole was very positive. The team was very close on and off the field, and everybody pulled for each other. We will think of this season for a long time to come. Knowing the Eastern Maine Championship was in our grasp, gave a good feeling to the team on what they could have accomplished."

# PIONEERS GO EASTERN MAINE!

**A BANNER YEAR  
FOR  
BOY'S BASKETBALL**

This year was definitely the most exciting and successful season for the boys varsity basketball team. From the outset, Coach Deschaine was determined to have his team playing the style of basketball that was necessary to win. From the first game of the season in Ashland, which we won, WHS came out in every game controlling the tempo, giving the Pioneers an edge to win each and every game.

Playing like we did, our team was often locked in tight, closely-matched contests, especially the December 22 home game versus Central Aroostook of Mars Hill. The Pioneers were able to pull the game out as senior forward Jimmy Killarney netted a three-pointer field goal at the buzzer to give his team the 52-51 victory.

From here only positive things lay ahead for the Pioneers. WHS posted its best record ever at 10-6, finishing in the fifth place position in Eastern Maine Class D standings. The Pioneers even managed to beat the Fort Kent Warriors

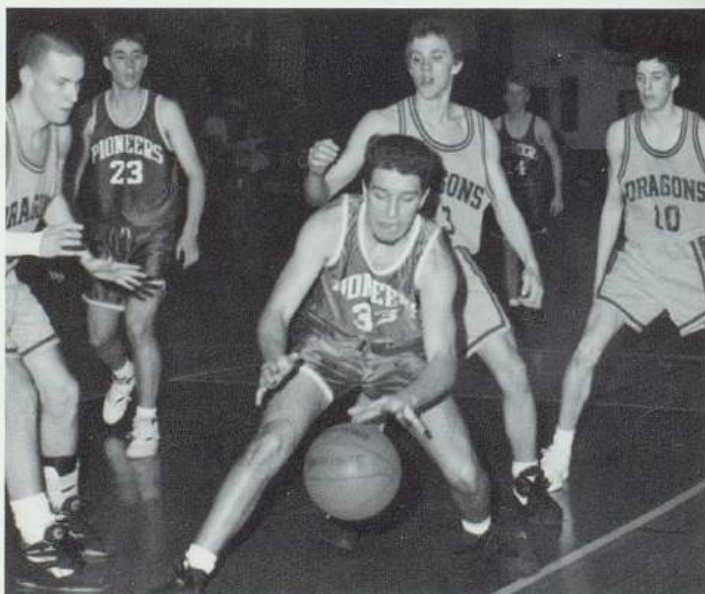

here at Wisdom by a score of 62-60. It was the first time in our school's history that Wisdom beat Fort Kent. It also helped the Pioneers on the way to their record setting 8 home wins as they finished the season 8-1 at home.

Finishing fifth in our division put the pioneers in the Eastern Maine Tournament for only the second time in the team history. They faced up against #4 Woodland. It was a great game and a great experience for all team members and their fans. Wisdom lost this game. The season was over. As a result of our competing in the Tournament we captured the Eastern Maine 1993 Sportsmanship Award, which earned us the respect off the court as well as on the court.

# PIONEERS SPIKE THE TOURNAMENT

## VOLLEYBALL

The Wisdom Pioneers of Saint Agatha won their fifteenth Aroostook County Girls Volleyball in 18 years by beating the defending champion Central Aroostook. In the 18 years, Wisdom has only lost in 1982, 90, and 92.

Coming out of the losers bracket, Wisdom had to take it to an extra match to beat the undefeated champs. Wisdom came through strongly beating Central Aroostook in 2 matches.

"We won the tournament because the setters and spikers worked well together and no other team showed this skill." stated Linda Desjardins.

# PIONEER BATTER UP!

## A challenging year for the Pioneer Baseballers

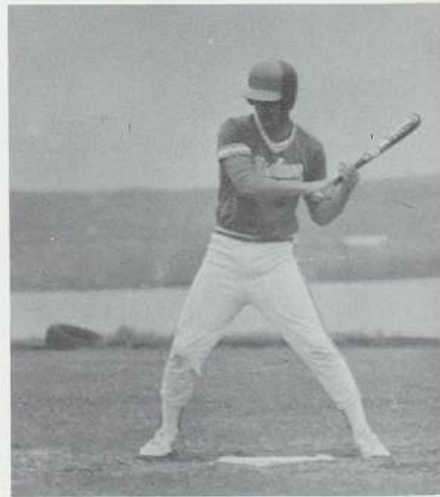

The 1993 Varsity Baseball Team consisted of fifteen players, six of whom were seniors. Just by looking at the roster, much was expected of the Pioneers. They finished the season with a record of 4-8. Not quite what they expected! However, they lost many games by only a couple runs and could have easily finished the season at 8-4. It just didn't happen. Finishing 4-8 left the Pioneers in eighth place, four tenths of a point away from qualifying for the Eastern Maine Class D Tournament.

Although we are graduating many seniors this spring, a lot of people will be returning. With many new comers, the Pioneers expect to improve on their 4-8 record in the 1994 season.

# PIONEER SOFTBALL ACTION!

## A very challenging year for the Pioneer Softballers

Before the 1993 Varsity Softball season began, the team knew and understood that this would be a tough season. They expected to have some close games and hoped they could pull some out. As Coach Deschaine said, "I was hoping to be good enough to make the playoffs and to play home." This goal was not accomplished, but as the season progressed, the Pioneers showed their pitching was solid, and when not committing errors, they looked quite good.

With this in mind, they know that next year, if they cut down on errors, they could compete well with anyone they play.

**SPORTSWOMAN OF THE YEAR**, Pat Roy, anticipates the pitch.

It was a very unified activity which everyone got to participate in. I believe it was a fulfilling experience for everyone involved. - Robert Raiten

I feel we won the sportsmanship award because we cheered the other classes on even though they were beating us. - Glen Gagnon

Everyone always put down our class and we are very happy about winning the winter carnival two years in a row. This was our chance to prove to everyone that we truly are a class of champions. - Jennifer Sirois and Monica Chamberlain

There were more events in the high school winter carnival such as skiing, potato sack race, snow sculpture, the song contest and tug-of-war. But, in the Junior High we had the jumping rope contest which was lots of fun. - Wendy Lavoie, Lee Ann Blanchette, Julie Morneault

I liked this winter carnival a lot better than last year's because I found that there was a lot less competition than last year. - Carrie Chasse

Winter carnival was exciting this year because the scores were very close and the spirit was competitive. We are extremely proud of our class because of the way we ALL pulled together to achieve our #1 goal - WIN! - Monica Chamberlain, Jennifer Sirois

"Sea of Love" was the theme for this year's Junior/Senior Prom. The night that will never be forgotten took place on May 1 in the Wisdom High School Gymnasium. The gymnasium was transformed into the bottom of the sea which added to the evenings mood.

It was an evening full of excitement, dancing, laughter and fun. Yet, it was also an evening full of romance. The Jerry Thibeault Band was the entertainment for the night of nonstop dancing.

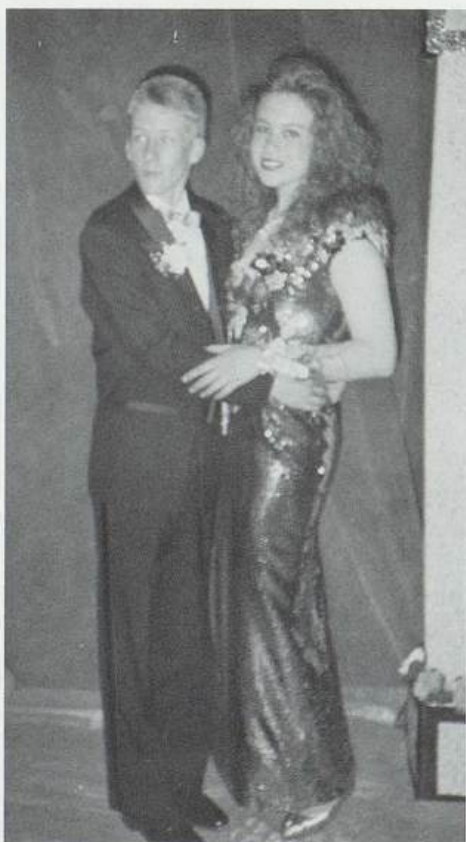

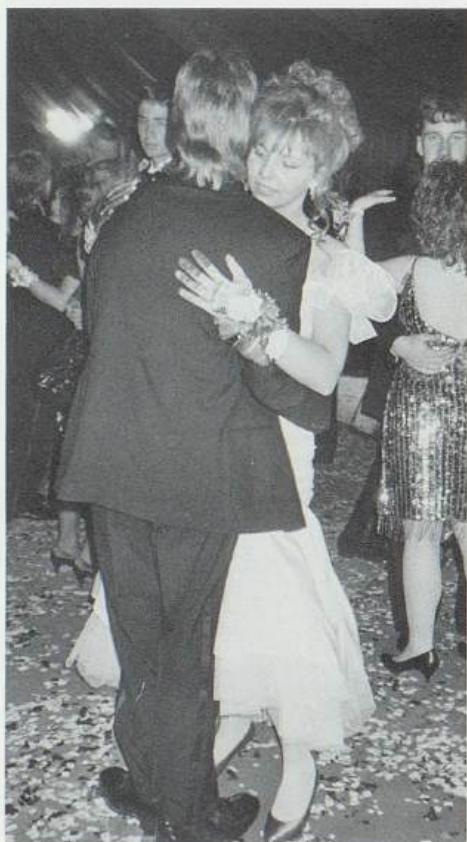

The prom pictures were taken by Barbie Ouellette and Jill McGlaughlin.

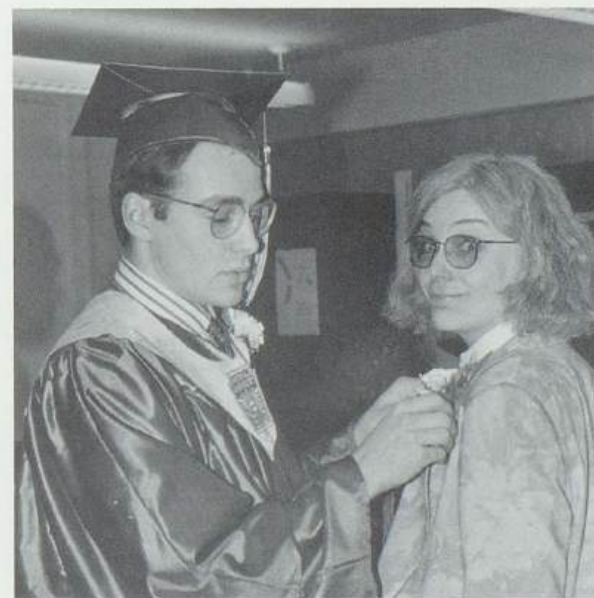

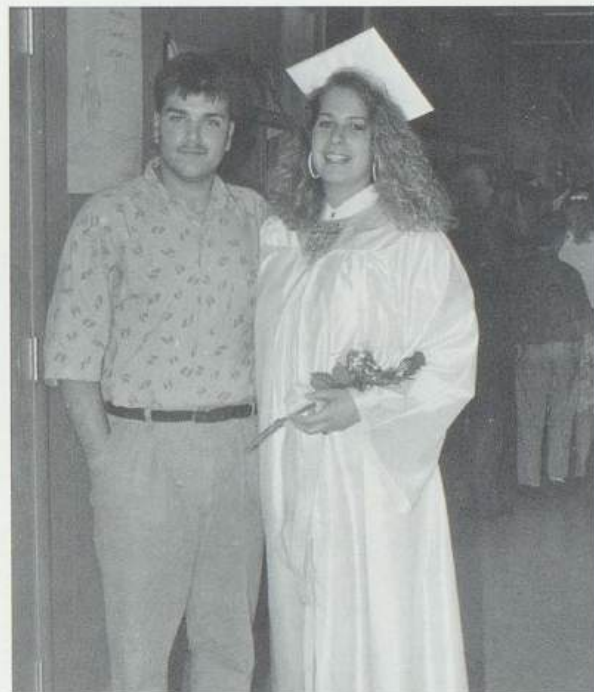

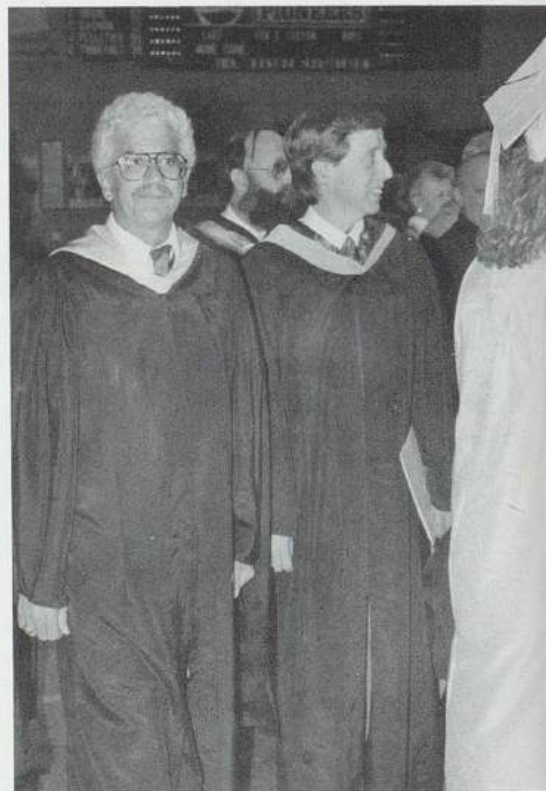

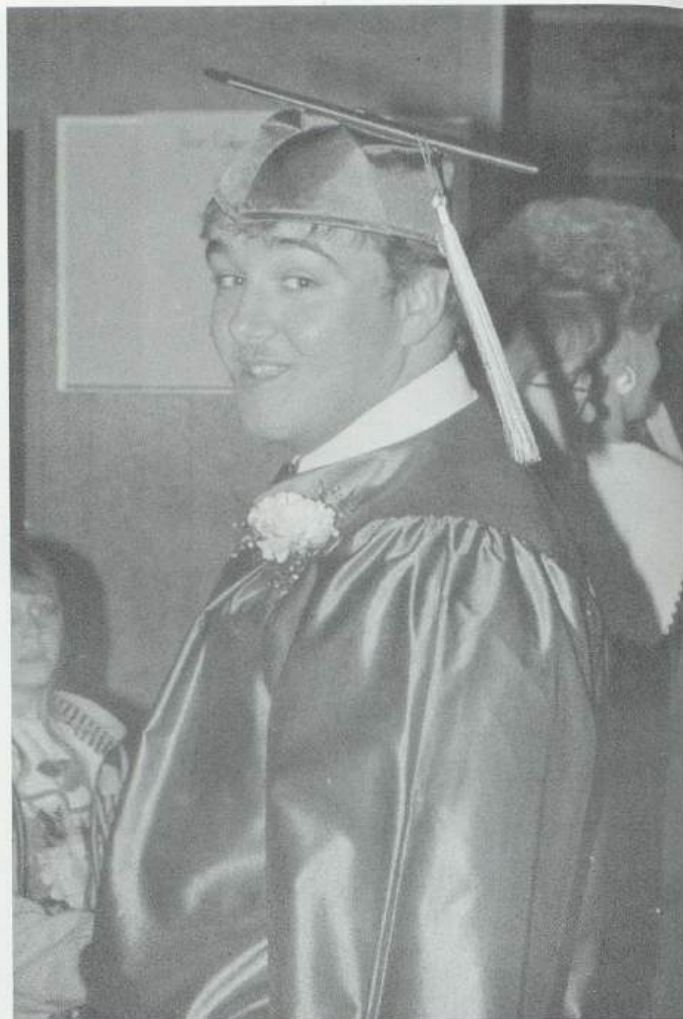

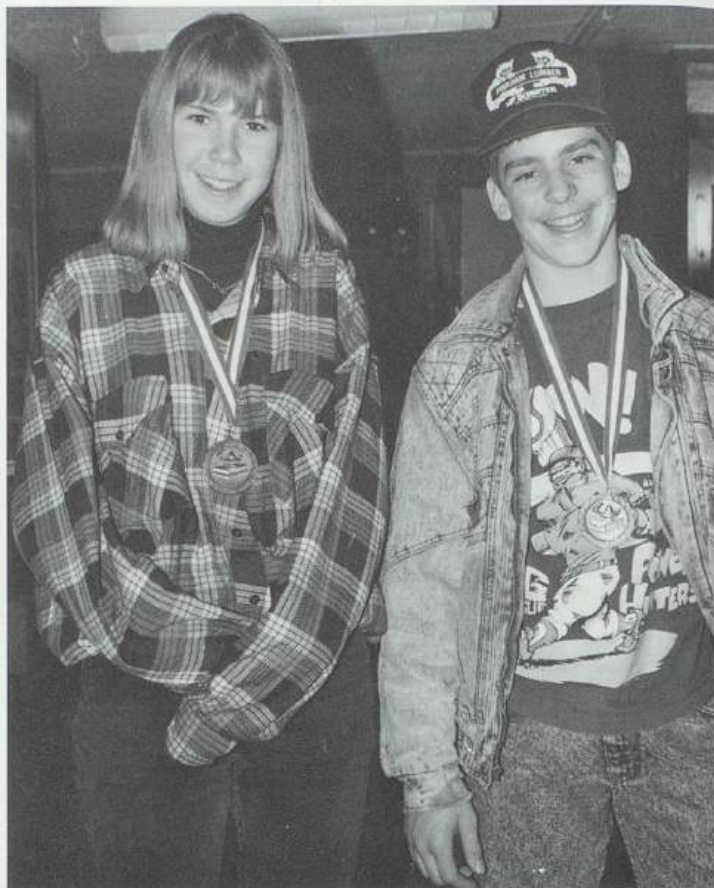

The winning team was Mrs. Labbe's Gladiators.

# Sometimes the real learning takes place between classes.

One on one, you and the teacher. Discussing, debating. Clearing up a point, asking a last question. Taking the time to really understand something.

Education doesn't just come from the text or the lesson plan or the tests. Sometimes it comes from digging just a little deeper into a

subject. Or into yourself. Key Bank congratulates you for what you have learned. And we hope you never stop learning, even when the classes are over.
