PIONEER

Dedication

Lora (Cyr) Albert was born on May 18, 1988 to Lynne and Denis Cyr. She grew up in Fort Kent, ME, along with her three siblings, Kayleigh, Davis, and Devon. In 2006 she graduated from Fort Kent Community High School. That Fall, she attended the University of Maine at Farmington and graduated four years later with a major in Secondary Education - Biology. Her first teaching job was in York ME, at York High School teaching Chemistry and Biology for 5 years.

Mrs. Lora moved back home in 2015 where she accepted a teaching position at Wisdom Middle/High School as a high school math teacher. Half way through the school year, she transferred from the math department to the science department where she is still currently teaching. That same year, she also started dating Jordan Albert, the love of her life. On August 1, 2017 they were engaged and married one year later on August 3, 2018. On December 14, 2019, as an early surprise, they welcomed the newest member of their family, Demi Marie Albert. When she's not teaching, she loves to be outdoors. She enjoys hiking, swimming, traveling, and spending time with her family.

Among her contributions to our school community, she runs the clocks for the soccer games, manages the home book for the basketball games, and manages the Snack Shack. Mrs. Lora has also been the advisor for the Class of 2020 since their freshman year. It wasn't hard choosing who to dedicate the 2020 yearbook to. Mrs. Lora has been there for us since the beginning and has helped us get to where we are now. Whether teaching us about cells in Biology or cheering on our class during Winter Wellness, she is always there supporting us to make sure we're doing the best that we possibly can. Thank you for so many fulfilled years, you've been the Marigold in our lives.

I also stand and leave myself with my kind and shining pride to the school. I have been such a happy-go-lucky student since the day I entered here. During my first year at Wisdom High, I felt like a newcomer/veteran in the school, mostly a veteran. Everyone I knew was eager to see me back. Majority of everyone I've known in this school has completely changed even my closest allies from Dr. Levesque. My junior year at Wisdom was easy come easy go. Little stress was building inside me because senior year was coming so mediocre but fast. Garden of Love

The fountain may have busted due to staples falling from the ceiling and literal tears may have been shed during decorating, but in the end Prom 2019 was a success! Some promgoers may have *literally* let their bodies hit the floor while dancing, but every single couple looked spectacular in their prom attire at Wisdom's Garden of Love. A huge thank you goes out to; Mrs. Lora, Mr. Don, and the parents who helped with the set up, for making this magical evening possible.

Players after winning the first boys prelim game in 5 years.

Prelim vs. MSSM

The Wisdom Boys made the prelims again this season. Their game against MSSM was decided in the first minute of the game. The only goal was scored by Wisdom senior Jacob Roy. Senior goalie Trevor Couture spent the next 79 minutes making sure MSSM did not tie the game.

The boys quarter final game against Van Buren did not fair so well for our Pioneer Boys. The Van Buren Crusaders opened the scoring with a goal before the end of the first half. Unfortunately, our boys were unable to find the back of the net and Van Buren went on to score 3 more goals in the second half, making the final score 4-0.

1/4 Final vs. Van Buren

Senior goalie Trevor Couture going for the save.

Prelim vs. FF

The Lady Pioneers qualified for a prelim game against the Fort Fairfield Tigers. Having lost to them twice during the regular season, our Lady Pioneers remained optimistic that they could win. In the end, even though the girls put up a good fight, they were outscored 2-0.

Players eagerly warming up for their prelim game.

Showing some Pioneer pride for our Varsity Girls and Boys soccer teams on their way to their preliminary playoff games!

Girl's Basketball Playoffs

Not making it to Bangor the last four seasons, the girls went into the season with that goal in mind. With 2 eighth graders, 3 freshmen, and 2 juniors, they knew it was still going to be tough. With practice and dedication, the Lady Pioneers improved every day, finishing the season with an 11-7 record and the fifth seed, earning them a trip to Bangor to face the Shead Tigers. They knew going into the game that they could win, but it would take a lot of work and concentration. The game started close, but the Tigers took the lead at the half with 23 points. During half-time, Coach Pelletier told the girls to take it one basket at a time. Coming out of the locker room, with a changed mindset, they were able to tie the game up and stay competitive with Shead. The girls kept their heads high and finished the game losing by only 5 points. There is no doubt that our girls will be there again next year.
