# TWENTY THREE

PIONEER

Mrs. Deb Toussaint has been working for MSAD #33 for the past 16.5 years. This is actually her second yearbook dedication and that is just a testament to all that she does. This is what our school community had to say about how important she is to our little school..

"Mrs. Deb is the heart of the school. And she never misses a beat." - Ms. Denise

Deb has been instrumental in supporting me in the guidance office! She has been my right hand woman! I can depend on Deb to get things done quickly and with quality. She's dependable, reliable and all mine!!! Her witty attitude and smart remarks also keep me on my toes. I especially love her soft and caring heart! Thanks, Deb, for all you do! Much love!"

- Ms. Tammy

"Mrs. Deb is the glue that holds us together." - Ms. Mel

Mrs. Deb plays a crucial role in making the school a welcoming and efficient environment for students, parents, and staff. Her professionalism, organizational skills, and friendly demeanor have a positive impact on all who come in contact with her. Mrs. Deb's tireless efforts to ensure the smooth operation of our school does not go unnoticed and appreciated. Thank you for all you do for us!

- Mrs. Hallowell

Mrs. Deb has been the heart of Wisdom and has gone above and beyond for the past 15+ years. She is always willing to lend a hand, thinking about the best interests of students, and assisting the staff. She is our "School Mom". She has been a great co-worker, mother-figure, and friend through the good and bad times. I love you Mrs. Deb!

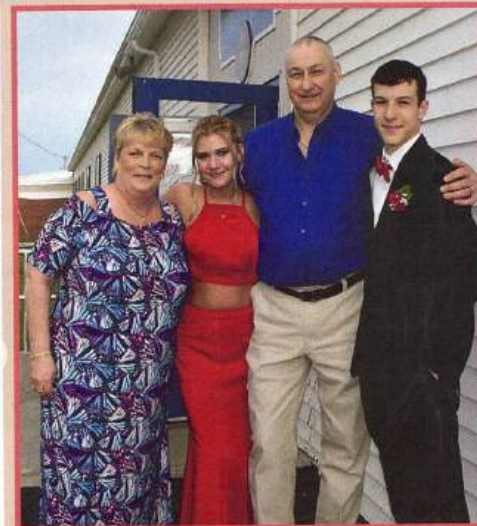

- Mrs. Kathy T.

Mrs. Deb is the kind of person that everyone needs in their lives. She's the kind of person that does it all and expects nothing in return. The Class of 2023 is grateful for all she has done by stepping up to the plate for our class. We love Mrs. Deb!!

- Olivia O.

Mrs. Deb is a bright light in our school family. She is the person that students, staff and parents can usually go to for answers and if she doesn't know the answer, I guarantee she will find it for you. Her heart is to serve those around her and it shows in all she does.

- Mrs. Boucher and the Yearbook girls!

## GETTING ON THAT GRIND

*"We are able to participate in something we never could in a regular classroom."* Jake Lilly, Junior

St. John Valley Tech. gives students, from all three Valley school districts, the opportunity to discover and apply career related skills. Not only do they learn in regular classrooms, but they can also, apply that knowledge to internships and job shadowing in their communities. Aidan Barriere has been interning with Robin Lemarr a speech therapist.

## MEET THE WISDOM SENIORS

# Girls' Quarter-Finals

Going into the playoffs as the #2 team and getting a bye in the Pre-lims, the team was able to soar past Easton with a 7-0 victory. They knew the rest of the games would not be this easy.

# Girls' Semi-Finals

Playing against their season rivals, Ashland, the Lady Pioneers played with intensity until the very last minute. In the first half, Ashland scored by curving a corner into the goal. With just a minute left in the game, Abbie Lerman sent a ball to Lilly Roy to tie it up. Going into overtime, the girls were hopeful. When Ashland scored again with 2 minutes left the girls still refused to admit defeat and fought until the final buzzer. Our Lady Pioneers should be proud of their season!

# Boys' Prelims

The boys were able to defeat the Woodland Dragons in their Pre-lim game. They came out of the game with a 6-1 victory.

# Boys' Quarter-Finals

This game was a nail biter the entire time. Playing without Dawson Gagnon, the boys came out of the game with a 1-0 lost against Fort Fairfield. Although the boys didn't make it as far as they hoped they made their community and school proud.

# BASKETBALL PLAYOFFS

## Prelim: Boys vs. Van Buren

The boys started off their tournament run strong. They were able to cruise past Van Buren with a 59-25 win. The team advanced to the next round in Bangor.

## Quarters: Boys vs. Machias

The boys gave it their all but came up short to a very good Machias team. They finished the game with a 73-50 score. The boys should be proud of the incredible season they had. Even though they only had seven players, they gave it their all.

*The girls got off to a slow start in the first half, but they were able to hold off Jonesport Beals with a 62-29 win.*

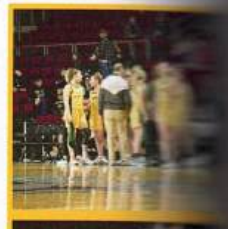

*In the semi-finals, the Pioneers started the game off strong and never looked back. Their "suffocating defense" made East Grand struggle to score. And on offense, they were hitting their shots and making their layups. The Pioneers went on to win the game 54-20.*

# REGIONAL FINALS

*This was the game the girls were anticipating the whole season. They started preparing for this game the minute they stepped foot on the court back in November. Their rivals, Southern Aroostook. This was going to be their toughest game yet.*

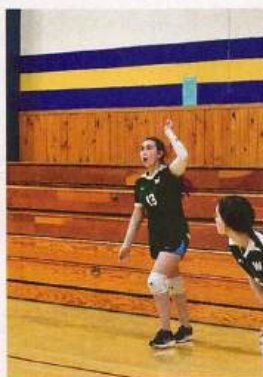

*The girls got off to a quick start with shots falling for Ava and Alexis. Southern Aroostook was able to catch up quickly and it was a toe to toe game till the very end. With just 22 seconds to go it was a tied game 49-49. Southern Aroostook was able to steal the ball and get a basket off transition and then was able to score another two points to win the game 53-49. The girls had an amazing season and played an incredible game.*
