

TWO THOUSAND

PIONEER

Dedication

Mr. Scott Pelletier grew up "next door" in Fort Kent and attended Community High School. After graduation Mr. Pelletier attended the University of Maine at Fort Kent and then the University of Maine, graduating from Orono with a Bachelor of Science in Business Management. Moving back home, Scott pursued his Bachelor of Science in Elementary Education and began teaching for MSAD #27's Adult Education Program. An obvious love for learning propelled Mr. Pelletier to obtain a Masters of Science in Educational Leadership from the University of New England in 2011.

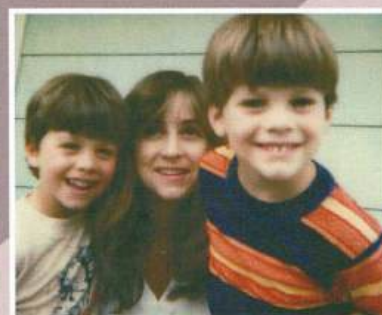

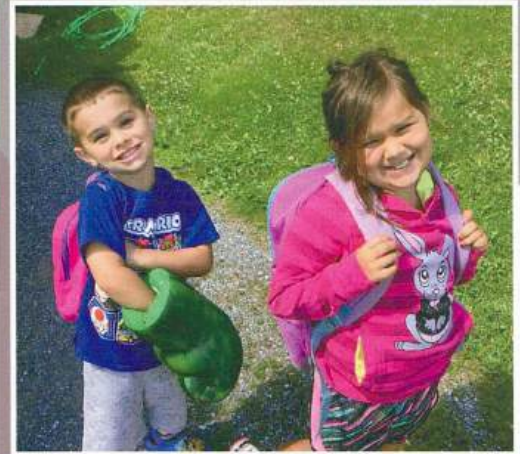

Mr. Pelletier came to Wisdom for the first time as our Boys Varsity Coach in 2007, a position he held until 2011. He then took a position closer to home in Fort Kent. Mr. Pell (as the students call him) decided to join Wisdom for good in 2014 as a High School Math teacher and then as our District Physical Education/Health teacher in 2015. During this time he has coached Varsity Girls Basketball and more recently Varsity Boys Soccer.

Mr. Pelletier's passions are simple and boil down to the three things: Faith, Family, and Friends, something that can definitely be seen in the way he interacts with staff and students. We are definitely glad to have him and are thankful for all that he contributes to our schools and students.
