Recipe for using electricity more efficiently for cooking.

Use flat-bottomed pans.

The flatter the pan, the better the contact with the electric unit. Be sure the pans have tight-fitting lids to reduce cooking time and moisture loss. Match pan size to unit size to avoid heat loss.

When cooking foods in liquid — whether in an electric skillet, crock pot, Dutch oven or on your range — use the lowest heat setting that will maintain a boil.

Don't open the oven door unnecessarily. Opening the oven door when the oven is hot can cause heat loss and extended cooking time.

Reduce cooking time by thawing meats before cooking them. When recipes call for a preheated oven, don't turn it on too far in advance — usually 10 to 15 minutes will do.

Plan one-dish meals that can be cooked in a portable electric appliance such as a skillet, deep fat fryer, Dutch oven or crock pot.

For toasting bread, use a toaster or portable toaster-oven instead of your range oven. The smaller appliances are more efficient for this job.

The Proud Symbol of Wisdom Pioneers

After many hours of hard work, this nearly twelve foot high painting of a Pioneer was completed. Steve Albert, a Senior, was in charge of the project and was assisted by many other members of the Athletic Club.

We can safely say that now, when other schools come to Wisdom to compete with our athletes, they will literally have something to look up to as they enter the gym.

Thanks, guys, for all your energy. The product of your labours will be enjoyed by everyone for many years.

'Twas a Perfect Match

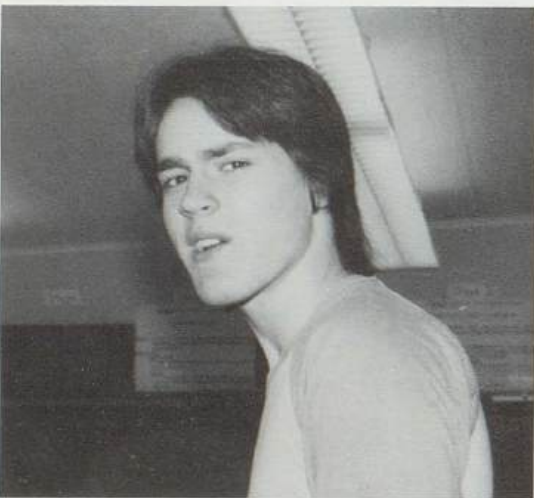

'Twas a table of periods, and families or rows;
Not an element was alone, but with friends and their foes.
The electrons were floating in clouds in the air
In hopes that a friend for them soon would be there.
The protons were snuggled in their positive nucleus
While neutrons left them in charge without trying to assist.
And Magnesium in her family, and Iodine in his row
Had just thought of an idea that could satisfy both.
When Magnesium wouldn't begin to converse,
Iodine said to her, "O.K., I'll be first.
Since I want to gain and you want to give,
Let's make a compound and both happy we'll live."
So away they went with their planned little task,
When a question arose and Magnesium asked,
"What shall we do may I ask Mr. Iodine?"
There's a miniature space and two electrons of mine!"
Iodine replied not, for he knew not what to say,
And decided to turn and start walking away.
More rapid than ions Magnesium ran
To catch up with the lonely Iodine man.
"Now Iodine, now Iodine, in the seven A family,
On Iodine, on halogen, to my arms opened lovingly!"
To the top of his voice he exclaimed in despair,
"Float away, float away, float away in the air!"
As dry clothes on the line blow,
So did Magnesium and with nowhere to go.
Search as she may, there was no one to love;
No one like Iodine, to fit like a glove.
And then in a twinkle she heard from the rear;
The pacing and panting of her beloved little dear.
As she stopped in her tracks and was turning around,
There Iodine flew, to her feet with a bound.
He was drenched with exhaustion from his head to his toes.
And his outer shell was wet from regrets and his woes.
A bundle of thoughts seemed to be crammed in his head,
And he looked like a balloon in a pin factory-with dread.
His electrons were stagnant, more than ever before;
And the nucleus as a whole wasn't the once happy core.
The stump of a tree he so desperately banked onto,
And its four rings how it reminded him of his lost family two.
He had a frail face, about ready to break;
That shook when he talked for Magnesium's sake:
"I've been such a fool and don't really know why
I left you to wander, to grieve, and to cry!"
A wink of her eye, and a sigh of relief
Soon led him to know that what she lacked now was grief.
So he told her with pleasure, that their problem had a solution;
It consisted of subscripts, and numbers of oxidation.
And he filled his outer level with one of her electrons,
And told her to meet his clone and give him the other.
She sprang to her feet and did this request,
And was happy to have again, Iodine and his guest.
So, balanced they lived, and said one clone to the other,
"If we would've known this before, it would've saved such a bother!"

THE COLD IN ONESELF

One child is talented
But leaves idle his skill
The other is talented
And does it good will.

One child is gifted
But cares not the fact
The other is gifted
His work shows his craft.

One child is beautiful
But chases not to be groomed
The other is beautiful
And shines as the moon.

One child is loved
But gives none in return
The other is loved
And shows love he has learned.

And that one child
Who cares not of himself
Will not get far in life
For his soul has no wealth.

But the other
Who stands mighty and bold
We can be certain today
He will conquer the gold.

LITTLE BIRD

Fly away bold little bird
Into the rising sun
As the golden shafts spear the cotton clouds
You will rise above the night

Though the preying hawks do rule the sky
And the wild barn swallows dip and fly
One small gold bird no longer cries
His wings now strong, he sings his song

And in the heat of the noon, when the wicked retreat
You will shine in glory at your wondrous feat
As the hawks bow low and resign their hold
You will know it is so because your heart is gold

Gold Is Wherever, Whenever

The sun rises,

The light shines brightly through my window

Looking like a patchwork quilt on my wall.

The grass seems greener than ever,

The water in the stream glistens,

The bud on the flower's stem

Leaves a flower and,

The leaves on the trees form a foliage.

The peaceful hue seems to last,

But only a few moments.

As dawn becomes day,

Everything I see is black as night,

And seemingly,

Day becomes dusk.

Gold is wherever, whenever.

Go For The Gold

My pocket was full of that brilliant metal
That many work so hard to find.
Some giving up, some continuing on,
Following the dream of riches and gold mines.

I returned to the town where I was staying
And beheld an awful sight.
People were leaving with packs and bags,
They were giving up their fight.

I walked up to a tired old man,
And reaching in my pocket,
I thought I'd lend him a hand
And give him what I'd dropped in it.

The old man looked up and smiled,
And once began to live.
What is gold, I thought to myself,
If gold is not to give.

I watched the old man return to the town,
His shoulders back, head high and bold.
By giving him that shiny piece of metal,
I had given him courage to go for the Gold.

Allons-y Pour L'Or

Mes amis, rassemblons-nous
Pour notre carnaval d'hiver
Qui aura lieu chez-nous
Formons donc de nos mains
De belles sculptures de glaces
Qui gagneront sûrement la première place

Toute d'une même voix
Chantons en unisson
Tous nos beaux chants de joie
La patinoire est bien glacée
Allez d'avant et patinez
Qui va nous dépasser?

La neige est blanche et veloutée
Les raquettes sont enlignées
Nos skis sont bien cirés
Nos idées sont bien faites
Nous allons tous gagner
Eh! Qui auras l'audace
De nous dépasser
Allons alors, jouons les jeux
Pour remporter la MÉDAILLE D'OR

André Albert

Allons-y pour L'or

Ça prend des heures pour gagner
une petite médaille. Mais ce n'est
pas la médaille qui fait la personne.

Ça prend aussi la détermination et
le courage pour gagner l'or. Les
personnes qui regardent les sports ne
voient jamais tout le travail
qu'on fait pour l'or.

Pour quelques personnes, l'or est très
proche et pour d'autres ce sont des rêves.
Une personne a besoin de très bonnes aptitudes.
Mais quelques uns gagnent avec l'espoir
et le désir.

ALLONS Y POUR L'OR

La vie est basée sur des rêves
Et chaque rêve peut devenir or

On devrait faire un effort
Pour accomplir le rêve de nos cœurs

On a tous des rêves qu'on essaie
Essaie avec force de réaliser

Nous vivons dans un temps de grands combats
De combats pas toujours nécessaires

Mon rêve c'est la paix
Et pour moi, la paix c'est de l'or...

Allons-y Pour L'Or

Le petit garçon patinait,
Ses patins coupaient la glace.
Il rêvait des olympiques
Et la belle médaille d'or.
Il pratiquait chaque jour
Sur le miroir froid, —
Jusqu'au temps qu'il a devenu assez vieux
Pour essayer de devenir membre de l'équipe.
Vu son succès,
Il est devenu membre
De l'équipe de hockey.
L'équipe qui jouait dans les olympiques
Et sont allés pour l'or.
Sur le jour du jeu fameux
L'arbitre nous parlait,
"On a pratiqué pour long temps
Pour arriver où on est à présent."
Allez sur la glace
Et donnez tout votre énergie
Préparons-nous pour le jeu
Et allons-y pour l'or".

It was a mighty wet, cold day at the state championships at Husson College. But our Pioneers were there giving their all as they had throughout the season.

Pioneers beat Lubec in semifinals, 3-1

ST. AGATHA — In a thrilling semifinal soccer game played at St. Agatha Wednesday (Oct. 26), the Wisdom Pioneers advanced to the Eastern Maine Class C soccer finals by taking a 3-1 victory over Lubec before an enthusiastic crowd.

Paul Bouchard, Kevin Plourde and Gary Michaud scored unassisted goals in the second, third and fourth quarters to give Wisdom its 11th win of the season.

Lubec's Robert Bryant scored on an assist from Bruce Hodgder in the fourth quarter.

Plourde's clincher in the third quarter was a 22-yard

shot that dented the Lubec net.

The Pioneers had a decided edge in shots, 22-12, with goalie Junior McHenry stopping all 12 attempts. Andy Foss had 10 saves for Lubec who closed out its season at 9-4-2. Lubec was ranked fifth in the final C standings.

Wisdom boys capture Class C soccer title

by Legs Labbe

ST. AGATHA — Top-ranked Wisdom edged second-seeded George Stevens Academy of Blue Hill 2-1 in an exciting battle here Saturday to cop the Class C Eastern Maine soccer crown. It was the first regional championship ever for a Wisdom athletic team.

Jay Edgecomb put Wisdom on the scoreboard in the first quarter with a shot past Stevens' goalie Andy Eaton.

Tom Daigle got the eventual game winner in the second quarter on a penalty kick. Wisdom led 2-0 at the half.

After Pioneer keeper Junior McHenry stopped a penalty shot in the third quarter, the Eagles high-scoring exchange student, Pokko Jarvela, came back later in the period to make it 2-1. Randy Astbury hit the right post on a wind driven line drive in the opening period and McHenry blocked one of his shots in the fourth quarter to keep Wisdom in front.

The Pioneers held an 18-16 edge in shots on goal and dominated the action throughout the first half. McHenry had 16 saves for Wisdom while Eaton stopped 11 for GSA.

Glenn Collin, Ken Dumais, Steve Dumond, Kevin Ouellette and McHenry keyed the defense for the Pioneers with Edgecomb and Daigle furnishing the scoring. Although not figuring in any of the scores, Paul Bouchard, John Dubois, Kevin Plourde and Gary Michaud were keys to the Wisdom attack.

The Pioneers played an aggressive game and continually pressured the Eagles. Wisdom's defense was strong until the final gun.

"Our team played well and the defense came through," said Coach Mike Aldrete following the hard fought contest. Aldrete was pleased with his team's performance in winning the first Eastern Maine championship for Wisdom High School.

"When the snow came in the final quarter the Pioneers picked up momentum," said Aldrete. "Our defense was superb. It was a total team effort," said the happy Wisdom coach.

The East finals featured two evenly-matched teams.

The EM champion Pioneers are now 12-1. George Stevens ended the season 10-4-1. Awards to the two teams were presented by Principal Paul Bouchard in the school cafeteria.

Wisdom will face Class C West champion North Yarmouth Academy Saturday for the state championship at the Husson College soccer field beginning at 1 p.m.

The Pioneers advanced to their first state championship by recording wins over Washburn (2-0), Lubec (3-1), and George Stevens Academy (2-1).

Wisdom takes title

ST. AGATHA — The Wisdom High soccer team clinched its first Eastern Maine Class C championship with a 2-1 victory over George Stevens Academy of Blue Hill last Saturday. The Pioneers of Coach Mike Aldrete will meet North Yarmouth Academy in the state final Saturday, Nov. 5 at a college field to be selected by the Maine Secondary School Principals' Association.

Wisdom is the only boys team from Aroostook County to reach the state soccer finals. The Houlton girls will also be making their first appearance in a state title game Saturday against the powerful Waterville girls in Class A.

The Pioneers enter state championship play with an impressive 12-1 record. North Yarmouth Academy has a 13-3-1 record after capturing the West C title over top-seeded and previously unbeaten Georges Valley of Thomaston. NYA was second-ranked in Western Maine.

Wisdom and North Yarmouth will be looking for their first state championship. It will be an exciting matchup and playing in a state title game will be a very exciting experience for Aldrete's Pioneers.

"This is the first time we have come this far," Aldrete said. "Everyone is very excited here."

Aldrete has been coaching boys soccer at Wisdom since 1978 and this year's team is strong in every position. The Pioneers have an aggressive defense and the front line is well balanced.

In Saturday's East finals at St. Agatha, the Pioneers faced a big strong group of Eagles from Stevens' Academy but the quick reacting Wisdom defense made the difference.

The Wisdom defense is led by seniors Glenn Collin, Ken Dumais and juniors Steve Guimond, Tom Daigle, Jay Edgecomb, Kevin Ouellette, and goalie Junior McHenry.

The Pioneers' front line features plenty of speed with seniors Gary Michaud, John Dubois, Kevin Plourde and junior Paul Bouchard leading the offense.

In 13 games played this season, the Pioneers have scored 58 goals and given up 10 to set new school records.

Many believe that Western Maine teams still have an advantage over Eastern Maine in the number of players with skills and scoring ability. West teams have a different style of soccer which results in low scoring games.

Wisdom is one of three Eastern Maine boys teams who hope to overcome the Western Maine domination in state soccer play Saturday. Waterville faces Gorham in Class A and Piscataquis meets Gray - New Gloucester in Class B. One of Gorham's stars is Andy Ross, formerly of Fort Kent.

Since the playoffs began in 1970, West teams have taken home all the titles. Eastern Maine is still looking for its first state champion in soccer.

Soccer has the sports spotlight this weekend as the boys Class A, B, C and girls A and B state titles are on the line.

Our congratulations to the Wisdom High soccer team and Coach Aldrete upon winning the school's first Eastern Maine championship, and good luck Saturday in the state title game.

The Pioneers are enjoying their best season ever. No matter what happens Saturday, their season will have been outstanding.

BARBARA, LISA, TERRY — STATE DECA CHAMPIONS

Students in Region #1 did extremely well at the 16th Annual DECA State Leadership Conference held on May 18 and 19th in Bangor.

The two and a half days we spent in Bangor were quite an experience for our students. They had an opportunity to compare business activity in downtown Bangor and the Bangor Mall. This provided first hand observations of the importance of business location and the various implications involved.

Friday afternoon students participated in two competency based events in the Bangor Mall. They dealt directly with business people in the stores which provided a realistic business setting. Saturday morning students all took a comprehensive exam in their area of expertise at Husson College.

Out of a total of 74 possible awards, Region #1 came back with 21. This represents a 28% share of the awards given. The students of the St. John Valley can be very proud of their performance. We also had six students who came back as STATE DECA CHAMPIONS for 1984 because of their overall performance in their respective competitions. The following are all State trophy winners for their outstanding performances:

Barbara Clavette — Wisdom — First place Advertising Services
 Lisa Michaud — Wisdom — First Place Apparel and Accessories
 Terry Morneau — Wisdom — First Place Phillips Free Enterprise Project
 Lisa Albert — Van Buren — Second Place — Phillips Free Enterprise Project
 Bruce Guimond — Fort Kent — Second Place — Food Marketing
 Ernest King — Van Buren — Third Place — Restaurant Marketing

1984 is a year that the Marketing and Distributive Education students will long remember.

The First Annual MSAD #33 Honors Banquet

Organized and directed by the Wisdom High School National Honor Society, the 1984 Honors Banquet was a tremendous success.

A social at 5:30 was followed by a dinner at 6 p.m. Gary Morin said grace before the meal. At 7, Elaine Michaud welcomed everyone. This was followed by a presentation by the guest speaker Dr. Larry Mangus, Vice President of Student Affairs, UMPL, and announcement and awards presentation by Mr. Paul J. Bouchard. Elaine gave the closing remarks.

The following students were honored for their academic excellence:

JUMP ROPE FOR HEART

Once again Wisdom Jr. High students participated in the annual Jump Rope For Heart sponsored by The American Heart Association. Unlike last year, this year's program took on a much more formal presence. The participants attended a workshop where they were taught a variety of rope skipping skills. Once this was done, the Wisdom Skippers (as they are called) went on a performance tour in several area schools.

Their goal of raising \$1,000 for the American Heart Association was surpassed as the Wisdom Skippers raised over \$1,200. Their able and dedicated leader (and a real sweetheart too) was Mrs. Judy Bougie. Congratulations, Wisdom Skippers.

Wisdom's 1984 Commencement Program

Wisdom High School was the site Wednesday, June 6th of the 1984 graduation program. Some 850 parents, friends, and relatives were on hand to witness this event which saw 59 Seniors receive their diplomas. The Wisdom Jr. and Sr. High School Band — directed by Mrs. Louise Roy — provided the music during the evening playing such selections as: "Ode to Joy", "The Ewok Celebration", and "Against All Odds."

The *Commencement Addresses* were given by: the Honor Essayist, Steven Albert, who spoke on "George Orwell's novel, 1984, and freedom of choice. Steven is the son of Mr. and Mrs. Roland Albert; Gary Morin, "Salutatorian", reflected on the responsibilities these 1984 graduates now face. Gary is the son of Mr. and Mrs. James Morin; and the "Valedictorian", Elaine Michaud, thanked the many people who have been their teachers throughout their lives and especially their parents. Elaine is the daughter of Mr. and Mrs. Jack Michaud.

Fifty-nine Seniors received their diplomas conferred by Mr. Garfield King, Superintendent of Schools, assisted by Mr. Paul Bouchard, Principal of Wisdom High School.

Awards. The following awards were presented by Principal Paul Bouchard. *Department Awards* were presented to those students who displayed scholastic achievement in the subject, contribution in class, effort, and attitude towards the subject. The English Award was presented to Steven Albert; The Math Award went to David Sirois, son of Mr. and Mrs. Robert Sirois; the Science Award to Elaine Michaud; the Social Studies Award to Janis Pelletier, daughter of Mr. and Mrs. Roland Pelletier; the French Award to Gary Morin; the Business Award to Monica Bernier, daughter of Mr. and Mrs. Camille Bernier Jr.; and the Physical Fitness Award to Paula Martin, daughter of Mr. and Mrs. Roland Martin.

Honor and High Honor Awards: Honor Awards were presented to those Seniors who generated an academic average of 90 or better for all courses taken during their 4 years of high school. The recipients of this award were: Steven Albert, Elaine Michaud, Nicole Michaud, daughter of Mr. and Mrs. Rosaire Michaud, and Gary Morin.

High Honor Awards were presented to those Seniors who not only averaged 90 or better during their four years, but also were able to make the honor roll or high honors for each ranking period during their high school years (for 16 quarters). The recipients of this award were: Elaine Michaud, Gary Morin, and Steven Albert.

Near Perfect and Perfect Attendance Awards:

1. We have 7 Seniors who did not miss one day their Senior year — Peter Corriveau, son of Mr. and Mrs. Armand Corriveau, Sandra Daigle, daughter of Mr. and Mrs. Daniel Daigle, John Dufour, son of Mr. and Mrs. Gerald Dufour, Hervin Levesque, son of Mr. and Mrs. Lawrence Levesque, Gary Morin, Theresa Morneault, daughter of Mr. and Mrs. Rino Morneault, and Jean Paul Paradis, son of Mr. and Mrs. Roland Paradis. 2. Two of these Seniors mentioned above missed only 1½ days during their four years of high school career: Peter Corriveau, and John Dufour. 3. We also have one Senior not mentioned above, who missed only 2 days throughout her high school career: Sharon Chasse.

Scholastic Excellence Awards were presented to the top students in their class. This year's recipients were: Steven Albert, Honor-Essayist; Gary Morin, Salutatorian; and Elaine Michaud, Valedictorian.

Scholarships: The National Honor Society awarded 2, \$100 scholarships to Elaine Michaud and Gary Morin.

The M.S.A.D. #33 Teacher's Association presented 12 — \$100 scholarships for a total of \$1200 to the graduates to further their education. The recipients were: Nicole Frallicciardi, daughter of Mrs. Patricia Frallicciardi, Thomas Ouellette, son of Mr. and Mrs. Jean Paul Ouellette, Sharon Chasse, daughter of Mrs. Gilmay Chasse, Paula Martin, Jean Paul Paradis, Stella Sirois, daughter of Mr. and Mrs. Fernand Sirois, Gary Michaud, son of Mr. and Mrs. Bernard Michaud, Nicole Michaud, Tina Guerrette, daughter of Mr. and Mrs. Roger Guerrette, Steven Albert, Elaine Michaud, and Gary Morin.

The Student Council awarded 5, \$100 scholarships to Sandra Daigle, Tina Guerrette, Steven Albert, Elaine Michaud, and Gary Morin.

The Frenchville-Madawaska Federal Credit Union awarded one, \$100 scholarship to David Sirois, son of Mr. and Mrs. Robert Sirois. This scholarship is awarded to a Federal Credit Union Senior member.

The St. Agatha Federal Credit Union sponsored its third annual \$200 scholarship to a St. Agatha Federal Credit Union, Senior class member found most deserving of this award. The recipient of this award was Nicole Frallicciardi.

GUARANTEE THE SKILL TRAINING YOU WANT BEFORE YOU GO IN.

That's what the Army's Delayed Entry Program is all about. You choose a skill you'd like to learn. If you qualify to train in that skill, and it's available, the Army guarantees it in writing. And you don't go in until that opening comes up.

You get to choose from over 300 skills, many of them technical, many of them with civilian job applications.

Delayed Entry is like making a guaranteed reservation on a career and the future.

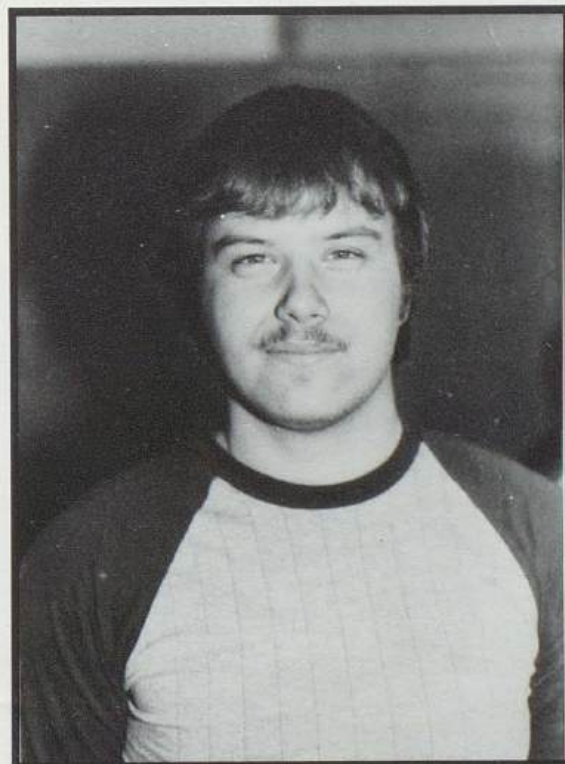

If you'd like to be sure of what's going to happen after graduation, look into the Army's Delayed Entry Program.

Your local Army Recruiter can tell you all about Delayed Entry. So don't delay. Stop in and see him today.
