Looking back now, well it makes me laugh
 We were growin our hair, we were cuttin' class
 Knew it all already, there was nothing to learn
 We were strikin' matches just to watch 'em burn
 Listen to our music just a little too loud
 We were hangin' in there with the outcast crowd
 Man I don't know, where the time goes
 But It sure goes fast, just like that
 We were wanna be rebels who didn't have a clue
 With our Rock n' roll T-shirts, and our typically bad attitudes
 Had no excuses for the things that we'd done
 We were brave, we were crazy, we were mostly ... Young

This year was a really tough year for the J.V. Girls. At the beginning of the season they barely had enough players for a team. Then a little way into the season they had lost people due to grades, and they could not have a team. After a while they regained some people and were able to play again. Not long after that they lost some more people due to quitting. They could not complete their season this year.

Dear Graduates,

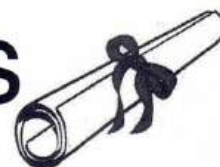

Life is a learning experience. The academic, personal management and teamwork skills you learn in high school are only the foundation of your future.

Continue to build on them with an open mind, an honest heart and a generous spirit. You'll achieve even more than a rewarding career, you'll have a fulfilling life.

Congratulations and Good Luck
in all your future projects!
