## "GOING, GOING GONE!!" to the Butler County Fair

### WELCOME TO THE 163rd BUTLER COUNTY FAIR

Sound familiar? Our home town girl Maddie Poppe with Caleb Lee Hutchinson will be performing in concert on Friday night! Other highlights of the week—Pirates of the Colombian Caribbean, an aerial high wire show, Bull Riding and Night of Destruction! Next Generation Shows Carnival is back with rides for all ages! As always there is free admission and parking to the fair grounds. Please show your support for our youth as they prepare their 4H projects. Be it clothing or showing animals, the Butler County Fair would not be the same with without the kids or their dedicated leaders.

## Queen's welcome...

Thank you Butler County! My name is Danielle Ison and I was so fortunate to have served as your 2018 Butler County Fair Queen for the past year.

I would like to start off by thanking the Fair Board for making the last year possible. I will have these amazing memories to cherish for the rest of my life. The love and support that everyone showed me from the moment I was crowned was truly amazing!

Last June I was crowned Miss Clarksville during Pioneer Days. A few weeks later was the judging for Butler County. I was full of nerves and excitement for what the day was going to bring. After being there for about five minutes and getting to meet all the wonderful ladies from the surrounding towns my nerves calmed. Everyone was just so kind and welcoming. We spent the day answering questions, getting to know one another, and joking around especially when it was time to make the signs for the parade and some of us forgot how to spell! It was such an amazing day.

I was completely shocked when I heard my name following the announcement of the 2018 Butler County Queen. I can only imagine how much that showed on my face! Following the announcement I was talked through some of the events that would take place throughout the week and a quick rundown of the schedule and immediately thought holy cow it's going to be a busy week! I was not wrong!

My favorite part of the fair was definitely watching the 4-H'ers hard work from the past year pay off. Seeing how proud of their projects and animals they were was such a heartwarming experience. I loved getting to hear their stories and seeing the excitement on their faces. I was so impressed how they all come together and are there to help each other out.

I was lucky enough to get to have conversations with fair goers young and old about their fair experiences and the conclusion was always the same "It's the best fair around".

From the 4-H'ers, midway shows, races, concerts, and so many other events and of course let's not forget all the wonderful food. Butler County is truly blessed to have such a passionate and dedicated Fair Board that works so unbelievably hard to make our fair so memorable for so many.

As I continued my journey to the Iowa State Fair in August. I would spend the next five days surrounded by 103 amazing and kind-hearted girls while competing for the title of State Fair Queen. There were times I think we forgot that we were even being judged or had just met each other because we were having the time of our lives. I made so many new friends from across the state. We still keep in contact with each other and we have even gotten together on a few occasions!

I couldn't be more thankful to have been a part of such a wonderful and life-changing experience and it's all because of you and our incredible Fair Board. You help make the Butler County Fair such a popular event year round and the Fair Board makes every piece of it possible. I have met so many new people and made wonderful memories that I will carry with me for a lifetime.

As I prepare to end my year as Butler County Fair Queen I am excited for the crowning of the 2019 Queen! I hope that she embraces the year and I look forward to seeing the amazing things she will do in her time. I have been extremely blessed and honored to have represented the Butler County Fair this past year. I couldn't be more thankful to have been chosen to be part of such a wonderful and life changing experience. So thank you to all the people of Butler County and our amazing Fair Board for the memories that I'll cherish for a lifetime.

With much love,  
*Danielle Ison*

# Maddie Poppe

**FRIDAY, JUNE 21 • 7:30 P.M.**

**Maddie Poppe** is a twenty-year-old singer-songwriter from **Clarksville, Iowa**. After performing a duet with her sister at a school variety show in the sixth grade, Maddie fell in love with music and learned to play guitar, ukulele and piano. In 2016, Maddie released her debut album, "Songs From The Basement," which she wrote, produced and recorded alongside her father, Trent. Maddie had been performing locally in Iowa for over five years when she decided to audition for American Idol which she calls her "saving grace." As she continued through the competition, she ultimately stole America's hearts and was crowned the winner, giving the audience an emotional, overjoyed, and tear stained performance of her single, "Going Going Gone." Since her Idol victory, she has been in high demand and gone on to appear and perform on multiple TV shows including Jimmy Kimmel Live, Live! with Kelly & Ryan, the 2018 Radio Disney Music Awards, and performances at the Hollywood Bowl in Los Angeles and the 2018 CMA Fest in Nashville. Maddie embarked on the American Idol Live tour last year.

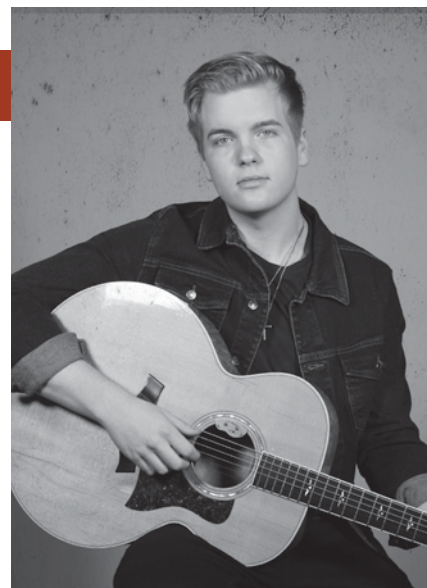

## WITH OPENING ACT

### CALEB LEE HUTCHINSON

**Caleb Lee Hutchinson** was the blond-haired charmer whose crisp baritone and forward-thinking tastes captivated American Idol's 16th season, and with an adventurous batch of original music on the way, he's ready to build on those hints of artistry. One of the genre's finest new vocals reaches back through history and combines with a cutting-edge vision of modern country sonics, as classic meets contemporary in earnest.

Raised in the small town of Dallas, Georgia, just 35 miles west of Atlanta, Hutchinson came by this new generation of three-chords-and-the-truth honestly – while other kids were obsessing over sports, he was doing the same with music. His dad schooled him in classic-country icons like Waylon Jennings and Merle Haggard, his mother loved the electronic energy of '80s pop, and an uncle kept heavy-metal legends like Black Sabbath and Led Zeppelin in constant rotation.

In 2017 he took that spirit to American Idol, moving seamlessly between his love for traditional giants like Keith Whitley and rough-hewn modern stars like Sturgill Simpson. He stood out immediately as fans latched on to his dynamic Southern vocals – just as resonate on Carrie Underwood's "So Small" as they were on Prince's "When Doves Cry" – and by the show's finale he had earned a strong second place finish. But it felt more like a beginning than an end.

MidAmerican Energy wishes everyone a great fair experience!
