## Message from Erika Brinkman, 2024 Queen

Dear Butler County Fair Fans,

Flowers are blooming, fields are planted, and everyone is out of school for the summer, and most importantly, it's fair time! Like younger me, I was always a big fan of summertime, especially when fair time rolled around.

To our out-of-town folks, Butler County may not have movie theaters, fancy restaurants, or even stop lights! But what makes up Butler County is a true community—a commune that values hard work, dedication, and pride in all of the small things in life. It is a place where, everywhere you go, you know someone, and everyone you meet is called a friend.

Growing up on a family farm, I have learned what it means to be a true person and be a friend to all. Attending the Butler County Fair every year since I was a little girl and seeing the fair queen walk around and all of the lights and people at night are memories I will never forget. I wish everyone could experience such an amazing fair and environment that our county offers in a small town in Iowa. A clear description I'm trying to paint for you is shown when you walk the grounds of any county fair.

Growing up, I have always dreamed of the day of becoming a fair queen. Watching her in the arena or walking around the fair, I knew I wanted to be the fair queen and represent our county. After being crowned the fair queen, my little girl's dreams had become a reality. I have never been so grateful in my life to be able to represent an amazing county and fair that I love so deeply. From attending all of the livestock shows, grandstand events, and everything in between, many memories were made! As I rode in the parades for various town celebrations, I got to witness a little bit of what makes each community unique and special. Even though it was dreadfully hot at times, we made the most of the situation and had loads of fun! That's what Butler County is all about! Plus, what's fair if not everyone is sweating!?!

I continued with my fair queen duties when the state fair rolled around. My time at the Iowa State Fair Queen contest was amazing, and I had a blast! Going into this contest, my main goal was to make lifelong friendships and soak in the whole experience, no matter the outcome. From the workshops, to the interviews, introductions, to runway practices until midnight, and time spent at the fairgrounds, I did just that! It was also an amazing feeling seeing family, fairboard members, and friends at the fairground to support me!

More importantly, I met so many wonderful girls who share the same interest as me: the love for their county. There was no better feeling than representing an amazing county at the Iowa State Fair! Although we didn't get the outcome we hoped for, I learned much bigger things than just the contest. After meeting all these girls, I learned that Butler County isn't the only place where you can learn that a sense of passion and community is shown. It is all around Iowa, and you feel it everywhere you go.

Overall, my time as this year's fair queen so far has been a dream come true. I'd like to thank all the volunteers, the fairboard, etc., for putting on the best fair yet! My love for Butler County and the Butler County Fair will forever run deep and be home for me! I can't wait to see who I will pass the crown to and live out their childhood dream, and make so many unforgettable memories!

It was such an honor representing Butler County and being your 2024 Butler County Fair Queen!
