

GX3PRO

ELEVATE YOUR DRIVE

GX3 PRO

ELEVATE YOUR DRIVE

BOLD DESIGN, UNMATCHED SOPHISTICATION

The bold front fascia of the **GX3 Pro** showcases a **sleek grille** design paired with **striking LED headlights**, exuding confidence and modern sophistication.

Its sharp contours and aggressive stance give it a commanding road presence that turns heads wherever it goes.

WING-TYPE THREE-DIMENSIONAL BUMPER

A laterally stretched wing-shaped bumper with **"Boomerang"** LED daytime running lights for greater visual impact.

DAZZLING LED DAYTIME RUNNING LIGHTS

"Boomerang" style with a tough look, 8 LEDs on each side of the left and right, side reflection design.

DYNAMIC AND MELLIFLUENT SIDE

- > With a through-the-waist line make **GX3 PRO** more dynamic and smooth shape which further reflects the GX3 PRO's relaxed design and meet the user's pursuit of the level of appearance;
- > The unique triangular window design of the A-pillar weakens the blind spot of the driver's vision.

INTEGRATED REAR BUMPER & BLACKENED TAILLIGHTS

- > In correspondence to the front face's design , the visual width is increased, the overall appearance is strengthened, and the movement is more pronounced. Integrate with blackened accessories to meet customers' demands for a **sporty, dynamic** and **fashionable design**.
- > Blackened design, more visually impacting, highlighting the quality.

INTEGRATED LUGGAGE RACK

- **SUV Style**, highlights the sporty feeling, not only improves the aesthetics of the vehicle, but also effectively controls wind noise;
- Integrated luggage rack design, directly connected to the BIW, perfectly integrated with the body, **elegant and aerodynamic**, not only improves the visual, but also reduces wind resistance, saving fuel consumption;
- The roof can effectively carry a certain **weight of luggage (30kg)**, no longer having to worry about not being able to fit the luggage in the trunk for long trips.

**FIVE-SPOKE(ARMS)
DYNAMIC ALUMINUM ALLOY RIM**

16-inch five-spoke wheels, a three-dimensional
with a visual effect that is more sharp and dynamic.

COMFORTABLE ERGONOMIC DESIGN COCKPIT

- > Three-spoke multifunctional sports steering wheel
- > Three-dimensional shape console
- > 8-inch floating center display
- > Black (with red stitching) integrated sports seats
- > Feathered style dynamic door panel
- > Leather central armrest box

COMFORT & CONVENIENCE

- > Anti-pinch Sunroof
- > Eco-friendly Interior
- > NVH Performance
- > Cruise Control
- > Intelligent Windows Control
- > Keyless Entry & One-button Start
- > Audiovisual Entertainment
- > Flexible storage space

SAFETY

- > Auto Switch ON/OFF Headlight +LED Day-running Light
- > Electronic Stability Program
- > HHC+HAZ
- > TPMS
- > Visual Reversing System
- > Passive Safety System
- > Reliable and secure braking system

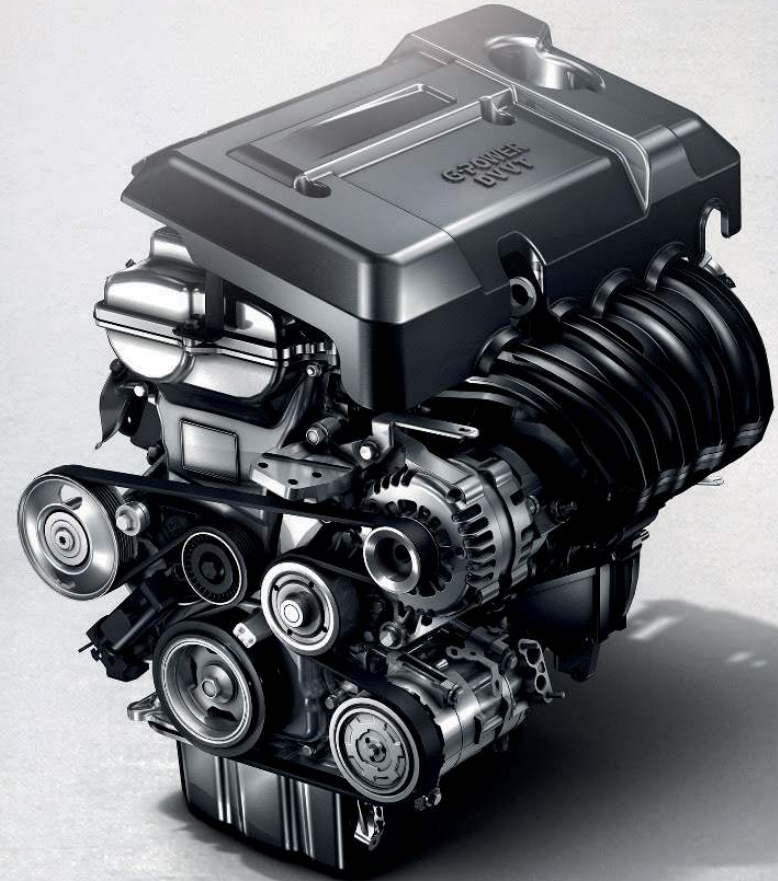

EFFICIENT POWER

DVVT Engine

- **Displacement:**1.5L,
- **Max net power** 76kW,
- **Max torque:** 140Nm.
- The engine is lighter because of used aluminum alloy material ;
- Optimized exhaust system; Good exhaust performance;
- Optimized camshaft, fuel rail and injector; Improve product performance and lower noise;

CVT

- Optional Sport mode, more powerful output and timely power response, which can meet the special needs of young people who pursue power;
- Torque increasing design, bring more powerful when vehicle starts.
- Continuously variable gear shift.
- Gear shift smoother; More comfortable driving experience; Lower fuel consumption;
- **8 speed** continuously variable transmission; Optional SPORT Mode; More driving fun;
