<sup>1)</sup> : ABS can help a driver prevent unsafe situations while braking, but is never a substitute for safe driving. ABS does not always reduce stopping distances. Stopping distance can be influenced by many factors including road surface conditions and friction between the tires and the road surface.

<sup>2)</sup> : Radio waves from the Keyless Operation System may affect pacemakers and other medical devices. Please consult your local Mitsubishi dealer/distributor for details.

<sup>3)</sup> : Rockford Fosgate<sup>®</sup> and associated logos are registered trademarks of Rockford Corporation in the United States and other countries.

Note: Equipment may vary by market. Please consult your local Mitsubishi dealer/distributor for details.
