

BOOK WITH CONFIDENCE

We understand that during these uncertain times, our Paddock Club guests will need extra flexibility to book with confidence. As the world reopens, we have created new cancellation terms so you can plan and book safely.

The flexible book with confidence policy is valid for all 2021 events.

42-DAYS REFUND GUARANTEED

You can cancel up to 42 days before the Friday of the F1 Paddock Club event you have booked and receive a full refund for the ticket amount.

COVID-19 COMMITMENT

If you, or your travel are impacted by Covid, we will issue you a credit note for the value of your Paddock Club ticket, which you can redeem for another event during the 2021 Championship or 2022 Championship.

EVENT CANCELLATION PROTECTION

If the event you have booked is cancelled or held behind closed doors, you can choose to opt for either a full refund or a replacement ticket of equivalent financial value, giving access to the F1 Paddock Club at an alternative race of the 2021 Championship or 2022 Championship.
