

SPELLBOUND®

Reimagining patient experience

Spellbound Books™

Using the SpellBound app, hold a smartphone or tablet up to the pages of the book and see the characters and scenes come to 3D life, hear the story read aloud, and interact with the story in ways you have never imagined before

- Two titles available
- Sleep Sweet (soft cover)
- Albert the Confused Manatee (hard cover)
- Android or iOS

Tip from a child life specialist:
These books are also great to keep children visiting siblings or parents calm and occupied.

Used by child life specialists and occupational and physical therapists to **engage, educate, and entertain** patients
