MEET OUR TEAM

Our Bremen Club members are learning to recognize and talk about their feelings through our weekly Social-Emotional Learning time. When they started bringing SEL books from their school library to read at Club, we knew the lessons were truly sticking.

One mission. One community.
A whole lot of support.

At Boys & Girls Clubs of Marshall County, our mission is to provide a safe, supportive place where young people can learn, grow, and thrive, especially those who need us most. The Club offers fun activities and high quality programs in areas like education, character development, health and wellness, the arts, and sports, all designed to help kids build confidence, form positive relationships, and prepare for a bright future. With three locations in Plymouth and Bremen, and generous community support fueling our work, we're proud to stand together in

empowering local youth to reach their full potential.

We are already well into 2026 and have so many exciting things ahead for our youth.

Our first BIG event of the year is our Bremen

Club Annual Fundraiser, the Bremen Backyard Bash on April 25th. We really need BIG Supporters this year. Reduction and loss of some government funding has been a challenge and we are excited to have an opportunity for you to consider making the difference. Help us support our youth and complete the best ever 2026 during our Country's 250th Anniversary -

Thank you!!!
