SUMMER TIME

Summer fun is almost here at the Boys & Girls Clubs of Marshall County! From games and sports to art and enrichment activities, Club members enjoy a safe, positive, and exciting summer filled with friendships and fun every day. Our caring staff work hard to provide an environment where kids can stay active, build confidence, and create lasting memories throughout the summer months.

"I'm incredibly excited to kick off summer because it is such a powerful time for our youth to grow, connect, and create lasting memories. Summer programming allows us to expand opportunities and truly make an impact in the lives of the kids and teens we serve."

-Joanna Flora VP of Operations

Big Science, Bigger Fun: Club Kids Build Giant Functioning Straws Through STEM!

At the Boys & Girls Clubs of Marshall County, learning and fun go hand-in-hand! Recently, Club kids put their STEM skills to the test by designing and creating the largest functioning straws through hands-on engineering and science activities. From problem-solving to teamwork, members

explored real-world concepts while laughing, experimenting, and discovering just how exciting science can be.

Programs like STEM give kids the opportunity to learn in ways that feel more like fun than school, helping spark creativity, curiosity, and confidence every day after school and throughout the summer. As we head into an exciting summer season filled with activities, field trips, enrichment programs, and meals, now is the perfect time to learn more about what the Club has to offer. Visit our website for more summer program information and updates.
