Sets denoted with a 'B' at the end of the item# (ex. #1801CB) are kitchen cutlery sets without Table Knives (or Steak Knives when appropriate) that include a block with slots for Table Knives/(Steak Knives when appropriate). This allows you to sell or bonus the appropriate number of individual Table Knives/Steak Knives to complete the set. The Ultimate and Signature Set Blocks are the ONLY blocks that will accommodate the Steak Knives.

For example, if you sell item #1801CB, the customer will receive the #1801C (10-Pc. Set) with a #1748 (Homemaker+8 Set Block). You have the option to sell or bonus individual Table Knives, or omit them from the order.

\* Set is offered in oak block with cherry finish.
