

# GOING TO PIECES QUILT CO

## 1st Quarter Newsletter January - March 2026

To all our quilting friends, happy new year! I'm sure you all had a whirlwind holiday week just like I did! Now as I look back on 2025, the year just seemed to fly by. It's crazy how it's the beginning of a month and in the blink of an eye, the month is over.

What I can say is that we sure felt your support this year. We've had to deal with the uncertainty of tariffs wondering if all of you would continue to support us as prices rose along with higher utility bills and increases in every area of running a business. You all were very understanding when we discontinued our stamp cards to help with pricing. For that we say thank you!

We continue to order new lines and have added a new company or designers which is always fun. We continue to hold special events and as promised we've kept all of our special sales events. That will not change in 2026! Our staff is definitely the best part of our shop! They are knowledgeable and always willing to help our customers find just what they want. And if we don't have what you need, we try to direct you to where you can find it.

Customer service is a top priority for our shop! We enjoy sharing stories of children, those wonderful grandkids, weddings and other special occasions. We've given hugs to those that need them and received them when we need them. We are so blessed to have made so many friends through the years. There's nothing like our quilting friends!

And now as we look to 2026, there's so many wonderful events to come. New fabrics, new ideas, and some surprises are ahead in the coming year.

### Your Destination Quilt Shop

Over 5000 bolts of traditional to bright fabrics! Over 1000 patterns! More notions every day! Classes! Ideas! 250+ Samples!

Make sure you sign up to receive this newsletter and watch our videos on Facebook or Instagram. We will keep you up to date with all that's happening at the shop.

We sincerely thank you for your support and hope you all have a wonderful 2026! May much happiness, good health and prosperity come your way!

With love for joyous and prosperous (and quilty!) New Year,  
Mary, Joanne & Staff
