

Going to Pieces Quilt Co

January thru March

Quilters never grow old, they just go to pieces!

As I sit to write this, I am reflecting on the past year, actually the past 13 years of our shop! It's been an incredible ride through the years.

When we started **Going to Pieces Quilt Co**, we had 1400 bolts of fabric and a 3400 square foot shop with a back classroom. We expanded with our sales, buying more and more fabric, sewing more samples and finally adding more square footage for a new classroom and batik room during the covid years.

Now in 2023 we expanded once again, taking on another 800 square feet of space and turned the space into our holiday, fall and children's fabric room.

In the end, we now have nearly 6000 square feet of space and over 5000 bolts of fabric. The growth has been tremendous to say the least. Our classroom had a remodel with new flooring and is a beautiful space for our sewers, knitters, and embroiderers.

We continue to grow our customer base and enjoy all our "regulars" and travelers. The support we have received from the community is so gratifying, we find it hard to put into words how much we appreciate all of you!

We have what we feel is the best staff anyone could ask for, all with special knowledge of sewing and quilting. From bags, to quilts, to applique and more, we have someone to answer your questions.

We have a wonderful partnership with **The Quilting Connection** right next door and share customers. They too have grown in the two years they've been next door which is so awesome! The "connection" between our shops is very special!

As the year comes to a close we reflect on the friends we've lost in the quilting community but also reflect on the new friends we've made.

Now as the year 2023 closes and 2024 opens, we want to wish you all the happiest of holidays. Enjoy your time with family and friends. Join us in the new year for classes and events or just to catch up while stopping in. We so very much enjoy our time with all of you!

THIS IS GOING TO BE A GOLD STAR YEAR! Stay tuned for more!

Piecemakers Sampler – 86 x 95

Block of the Month

We are excited to announce a new BLOCK OF THE MONTH from Marcus Fabrics which will begin in February, 2024. Pam Buda's new BOM celebrates the lasting appeal of the Sampler style quilt, with her new collection of the same name, PIECEMAKERS SAMPLER. The rich color palette is as varied as the blocks they create...

Pam explains, *We may not all be quilters but we are all Piecemakers. There are thousands of blocks, and variations, and through our quilting life, we all have our favorites. Piecing blocks is like putting a puzzle together, and conquering blocks we deem challenging is a thrill. That's how we grow creatively. This quilt, with its gorgeous slate blue print background, has a myriad of sampler blocks to put together. They shine like jewels against the blue background. Perhaps a few blocks will soon become your new favorites? If you're a Piecemaker, this quilt is for you! Sign up now!*
