## Do You Belong to a Quilt Guild?

A quilt guild is a group of quilters who gather, at a designated time and place, to discuss quilting. It differs from a group or bee in that a guild has official bylaws and membership is usually required. Guilds come in all different shapes and sizes. Today there are even online quilt guilds, with members from around the country and world. We have several in our area. These guilds sponsor *Quilt Shows*, invite speakers to their meetings, have demonstrations, share lots of information, donate charity items, and the list goes on. Check one out!
