Big Change Here!

Simple Whatnots Club 12

includes eight fun-to-stitch patchwork quilts.

Small project sizes (typically 40" square or less) make these quilts approachable and easy to finish. Pattern handouts feature clear, concise project directions, and often include extra snippets of information providing sewing tips, recipes, occasional crafty things, and hints for living with quilts.

Instead of signing up for this club and picking up each month, these are the changes:

1 – If you want all 8 designs, you will get the patterns and fabric up front. Please let us know if you want this option ASAP.

2 – A certain number of kits will be cut for all 8 designs. These will now be on a first come, first served basis. When they are gone, we will not replace kits.

Cost will vary, depending on the project.

Simple Whatnots Club 12 will be available in January, 2023.

The Quilting Connection

will be hosting Hands-on classes!

Appleton is sold out, but you can join the waitlist. There are still spaces available in Elkhorn. Join them for 5 days of hands-on classes Oct 7th-11th and learn more about longarm quilting techniques.

These classes are for all skill levels and all machines brands! Visit their website www.QuiltingConnection.com for full class descriptions and to register.

On-site lodging and meal options available too!

Don't miss out on this personal hands-on machine training!
