### **NFMF Insignia**

The encircling band of blue is the loyalty that holds us together.  
It is tipped with gold that is enduring in our friendship and our music.

The eagle of supremacy, with outstretched wings, stands guard above us.

Across all rests our symbol, notes reading "My Country Tis of Thee." It is with faith in friendship,  
country, and God that we stand secure within the bonds of our Federation through music.

### **NFMF Collect**

We praise and thank Thee, Father, for the gift of Music.  
Through us, as channels of Thy grace, may this blessed legacy be shared with all mankind.

Grant that we may exemplify in our own lives the harmony of Thy great purpose for us.

Give us magnitude of soul and such understanding hearts that we who make music may be as players  
upon rightly tuned instruments responding to Thy leading.

Let us with renewed consecration dedicate ourselves to the purpose of our Federation:  
to bring the spiritualizing force of music to the inner life of our nation.

Open our minds that divine knowledge and wisdom may teach us how best to execute our pledge.  
Amen

### **PLAN OF WORK 2019-2021**

Club Presidents are the hub of the SCFMC wheel! We wish to work closely with each club president by aiding and assisting in promoting the work of the SCFMC. Workshops will be conducted each year to share ideas and suggest new programming. A report from each club president is due April 1 in order that each club's accomplishments can be compiled before the state convention or conference.

Include in your report the highlights and accomplishments of your club's work by listing anniversary celebrations, NFMC, District, State Young Artist, or Student Winners presented on programs or in concert, state, or local scholarship winners featured, Federation and/or Founders day speakers, exchange programs, or outstanding or unusual programs. Include new Life Members and Cradle Roll Members. Any honors bestowed on individual members, monies contributed to Summer Scholarships, fundraising projects, social events, and anything that you think might be of interest to other clubs.

Copies of the Presidents' Reports for each year are distributed to all SCFMC clubs at the annual convention or conference and a copy is placed in the SCFMC file. Let's have 100% participation from each of the clubs in South Carolina!

## GOALS AND METHODS

Committee: Sandra Anderson, Vice Chair; Harriet Coker, Jean Frazier, Barbara Hildebrand, Sara Kellar, Elaine Knight, Carol Larkins, Ruth Morrow

### Goals:

1. Maintain the protocol necessary for the proper operation of the National Federation of Music Clubs.
2. Emphasize the customs, traditions, rules and regulations of the National Federation of Music Clubs, while stressing etiquette and courtesy.
3. Strive for harmony among all people in the organization.

### Methods:

1. Work closely with the president to maintain an efficient organization.
2. Observe correct procedure in all conventions and meetings.
3. Exercise diplomacy and courtesy with any conflict that may arise.
4. Recognize protocol as a tool for creating good public relations for the Federation.

### Other Information:

**State Level:** The state president and each local club president should have a copy of Protocol at a Glance (AD 4-1). This informative booklet offers guidance for hosting a national guest, planning head table seating, receiving lines and many other essential guidelines to good protocol.

**Protocol Concerning Officers:** Current national officers and past national presidents should be properly introduced at meetings. The ideal way to recognize the officers is to have them seated at the head table when meals are involved. Two head tables may be used when there are numerous guests. Honors tables may also be used to include attendees who should be recognized

The appointment of a protocol Chair in each club would support good basic protocol throughout the Federation.

## **GOALS AND METHODS**

### Goals:

1. Seek the guidance and blessing of God in our endeavors.
2. Promote love, kindness, unity of purpose and harmony within the organization.
3. Provide opportunities for meditation, prayer and expression of gratitude.

### Methods:

1. Offer prayers at appropriate functions.
2. Prepare and deliver short messages of inspiration, motivation and guidance.
3. Participate in services to honor the contributions of past and present leaders of NFMC.
4. Conduct the memorial service at national meetings.

### In consideration:

Although the NFMC is not a religious organization, it is appropriate to express our gratitude to God for the gift of music, and to ask for inspiration and wisdom in nurturing and sharing that gift, working together in harmony and unity of purpose.

## GOAL AND METHODS

### Goal:

Preserve the history of the National Federation of Music Clubs at all levels – national, state and local.

### Methods:

1. Each State is encouraged to appoint an active historian.
2. The State historian and/or the State president should send a short history of their State federation to the national historian.
3. The State historian and/or the State president should send the following to the national historian: a copy of the program, newspaper write-ups, and a photograph of national and State federation officers present concerning very significant 50th, 60th, 75th, etc. anniversary celebrations of their State federation.
4. Each State historian should collect and preserve all historical materials of the State federation and arrange and catalogue them as directed by their State board of directors.
5. All organizations should keep a more personal, and total record of their meetings in addition to the official minutes. These historical accounts are often kept in albums and displayed in the meeting place. Such accounts become a valuable part of the organization's heritage.
6. The State files and records may contain:
  - Official State publications
  - Annual convention program
  - A list of State composers
  - Pictures and/or newspaper accounts describing any state federation activities
  - A list of persons in the State federation who served as NFMC Officers, Board Members or National Chairs.

The National Federation of Music Clubs celebrated its 100th Anniversary in 1998. All state historians joined to preserve their state's illustrious record. For a complete history of the federation's first one hundred years, refer to the book *A Musical Legacy of 100 Years*, written by Lucile Parrish Ward for NFMC's 100th Anniversary in 1998. The publication "Important Events in the History of the Federation" (1893 – 2011) (AD 9-1) may be downloaded from the website ([www.nfmc-music.org](http://www.nfmc-music.org)). It is located in the publications section under the Administrative Division, or it may be ordered from headquarters.

*A Musical Legacy of 100 Years*, may be purchased from the SCFMC Insignia chair.

**Note:** Information in underlined passages is required. The wording may be rephrased.

In February 1955, founder Ada Holding Miller, the 17<sup>th</sup> NFMC president, established the NFMC American Music Department along with the Parade of American Music. Its purpose was to create a time for special emphases on all types of American Music.

In 1987, New York Federation Life Member and widow of Professor Rudolf R. A. Schramm, along with friends, established the **Professor Rudolf R. A. Schramm Award for the Parade of American Music.** Mrs. Schramm and friends donated the funds to endow this annual monetary award to the NFMC music club presenting the most outstanding American music program during the month of November. In 2006, the endowment was increased substantially by Mrs. Schramm and friends.

Professor Schramm was a distinguished composer, conductor, musicologist and arranger, first Music Director of the US Office of Education; conductor of over 15,000 TV and radio programs, including President Roosevelt's "Fireside Chats" and Mrs. Roosevelt's "My Day"; composer of over eighty film scores, including the documentary "Nanook of the North"; one of the founders of the National Symphony Orchestra in D. C.; first music scientist to develop the Total Rhythm Families. Dr. Marion Richter and Dr. Merle Montgomery were his students.

By action of the NFMC Board of Directors in August 1998, American Music Month was changed to the month of November beginning in 1999. This was done at the request of the Sonneck Society for American Music which was founded in 1975 and named for Oscar Sonneck, early Chief of the Music Division of the Library of Congress and a pioneer scholar in the study of American music. The Society was incorporated in 1975. It seeks to stimulate the appreciation, creation, performance, and study of American music in all its historical and contemporary styles and contexts, including art, popular music, the music of ethnic groups, minorities, and the full range of activities associated with music in North America, including Central America and the Caribbean. In 1998, the Sonneck Society voted to change its name to the Society of American Music.

## **GOALS AND METHODS**

### **Goal:**

Increase an awareness of the importance of folk music as a unifying entity in America, connecting the nation's cultures, occupations, philosophies, and emphases from colonial days to the multi-cultural present.

### **Methods:**

1. Present ten monetary awards to clubs that present the best programs featuring folk music.
2. Adopt the theme, "We Need to Sing!"
3. Sing a folk song at every NFMC meeting.
  - Sing it together. Have it be a grand old sing-along time.
  - Sing old favorites. Learn new favorites.
  - Be broad in the definition of folk music.
4. Make enthusiasm a prime priority in the choice of song leader and/or accompanist. Be ready to teach "the old standards" to younger members, some of whom grew up being listeners rather than participants. Do not assume everyone knows the words of the patriotic songs.
5. Don't take more than a few minutes for the singing part of the meeting. Reviewing lyrics and/or teaching the melody does not take much time.
6. Be sure song sheets comply with copyright laws.
7. Continue to schedule programs with special guests and performers for folk music programs.
8. Clubs should report their activities to the Chair each year.

### **Connect the Links:**

1. Each club needs reminders that folk music is an important element of NFMC.
2. Each region and state shall appoint a Folk Music Chair.
3. Reports and entries are due to the national Chair by May 15.

**Folk Music:** Music that is significant because of its person-to-person connection, reflecting concepts of heritage, history, humor, heartaches, and all aspects of everyday living. Folk songs are passed from generation to generation. They may be traceable to a composer/writer, or they may have sprung anonymously.

See the NFMC manual for sources of Folk Music information.

REPORT DATE: April 1

**GOALS AND METHODS**

**Goal:**

Provide NFMC members a structured, unified, enjoyable way to connect vocally with our heritage through singing a specific American song at monthly meetings, thus ensuring that our country's songs will not be lost or forgotten, but will continue to connect us with our historical and cultural roots.

**Methods:**

1. Have a Chair for the TWS part of the meetings.
2. Read the information on pages 4 and 5 of the TWS songbook for a overview of the plan and purpose of TWS.
3. Read the pertinent information about each song as provided on pages 54-61. Consider having the song leader read that information as members read in their books.
4. Be sure that everyone is aware of the heading above each song.
5. Sing the song suggested in the Together We Sing songbook.
6. Be ready for positive reactions. We like to sing. We like to sing together!

**Additional suggestions:**

1. If your club does not meet in the summer, consider adding the June, July, and August songs to other programs during the year. (They are great songs.)
2. Sing at your board meetings.
3. Take advantage of opportunities to sing rounds. There are four included in the book which might remind you of others.

**Connect the organizational links:**

Ideally, each state should have a Together We Sing Chair. Realistically, that probably won't happen yet. It is important, though, for each club to have someone specifically responsible for TWS. That person should feel strongly that TWS is an important element of the overall goals of NFMC, the promotion of American music.

Be ready to share your club's involvement in TWS. Report forms should be sent to the national Chair postmarked on or before May 1. You may contact your national Chair with questions or comments at any time during the year.

1. Appoint a state Chair who will promote Music Outreach in junior, student/collegiate and senior clubs.
2. Stress that only the hours given to the confined are counted. Rehearsal and travel time can be counted.
3. Provide the state Chair a copy of these goals and methods and copies of Forms AR 10-1 and AR 10-2.

### **State Chairs:**

1. Obtain a list of your state's current club presidents with addresses.
2. Write a letter to club presidents during the summer or early fall; give them the objectives stated above and any other information that would encourage active participation by the club in this project.
3. Suggest to the club presidents that appointing a Music Outreach Chair is helpful.
4. Include with the letter to club presidents a copy of AR 10-1 for reporting their club's activities. This must be postmarked on or before April 1.
5. Send a copy of AR 10-2 (use current form). This must be sent to the national Chair postmarked on or before May 1.
6. Stress that only the hours given to the confined are counted. Rehearsal and travel time can be counted.

### **Awards:**

Certificates will be awarded annually to individual volunteers who have given 100 or more hours of music-related services to people in their own homes, nursing homes, hospitals, retirement homes, schools for the disabled, prisons, etc.

## **MUSIC OUTREACH TO DISABLED CHILDREN:**

Statistics indicate that Federation members have reached out with music to the elderly, often in nursing or retirement homes. However, disabled and confined children, from birth through seventeen years of age, enjoy music also. The Federation is encouraging members to reach these children by adding the category "Disabled and Confined Children."

(Continued)

**Suggestions for reaching Disabled/Confined Children (birth through 17):**

Before attempting these suggestions or any of your own, get permission from the person with authority over these children. This is not only necessary, but can also be very helpful. A good relationship with administrators, staff employees, and parents/guardians can enable a volunteer to obtain valuable information about the best way to reach these children with musical activities.

**General Hospitals:**

- Supply musical tapes/CDs or videos to the children's floor of the hospital.
- Relieve a tired parent/guardian by playing a musical tape/CD or reading a book about music to the child.
- Send or present musical get-well or holiday cards to hospitalized children.
- Donate musical items to hospitalized children.

**Children's Hospitals:**

Usually groups are allowed to present programs at certain times in the hospitals. Musical programs are appreciated by the children, their parents/guardians, and the hospital staff. Since these children are typically hospitalized for longer periods of time, it may be possible for a club to "adopt" one child (or more) for members to visit and share musical activities.

**Homes for the Mentally Disabled, Blind, Deaf, Autistic or Other Disabilities:**

These children have been reached musically to some extent, but more can be done. Let's find more ways to do it.

**Special Olympics for Music:**

Perhaps you can organize this in your city or state for children who are included in the special education category.

**Homebound Disabled Children:**

Many cities have these children who would enjoy being reached musically. A club or even some of its members could "adopt" one or more of these homebound disabled children.

**Juvenile Justice Centers:**

- Provide musical programs.
- Provide spiritual music for religious services or individual use.
- Donate musical tapes/CDs, videos, books, etc.

Sometimes children who are not violators of the law are housed at these centers because they have been abandoned by their parents or have been molested. These children usually attend regular school but have to return to the center to live. They are partially confined. Musical activity offered to them would make their lives more enjoyable while they are living at the center.

The Federation welcomes any other suggestions about how to reach disabled and confined children with music. We encourage our members to do so.

### GOALS AND METHODS

#### Goal:

Reward excellence in students (age 9-30) attending summer music centers in the United States. The categories of the awards are; strings, woodwinds, brass, piano, opera, voice, ensemble, orchestra, band and composition. (See Competitions and Awards Chart – CA 20-1)

The applicants must be citizens of the U.S. (Exception: At least half the recipients of Summer Music Awards at the International Music Camp must be U.S. citizens.) Application forms are available through the Summer Music Centers, not through NFMCC. For the most part, the Centers select the award winners in the early spring. All deadlines and requirements listed on the NFMCC CA 20-1 chart and other NFMCC materials must be strictly observed. The NFMCC Summer Award recipients are eligible to receive the same award *only once*.

#### Chair Responsibilities:

1. Communicate with the administrator of each Summer Music Center giving current information regarding the NFMCC's interest in their Music Center.
2. Communicate with NFMCC Official representatives to the Summer Music Centers (SMC), sending them the necessary Forms, NFMCC Certificates and station, and current instructions.
3. Receive winners' names on Form CA 11-1 from each NFMCC Representative immediately after winners are named and send this signed Form to the NFMCC Treasurer as soon as possible.
4. Submit an article to *Music Clubs Magazine* which will appear in the winter magazine issue. This article should include information about the Music Center, and a picture and biographical data about each winner.
5. Prepare a list of interested Representatives to be elected at the NFMCC Conventions. All Representatives must give their written consent to the SMC Chair.

#### Official Representatives:

The NFMCC has official representatives at summer music centers where the NFMCC offers scholarships. These representatives (listed in the NFMCC Directory) should:

1. Distribute information about the NFMCC award to the center (and others).
2. Visit the centers, becoming acquainted with the faculty and students.
3. Send to the SMC Chair: Form CA 11-1 and CA 11-1a with winners' names as soon as they are determined; also send a report of the Center's summer activities; a brief bio of the winner; and a photo of the winner (if available) for publication in *Music Clubs Magazine*.
4. Present the NFMCC certificate to the winner at a public ceremony at the Center.
5. Send a letter of congratulations on NFMCC stationery to the winner.
6. Encourage recipients of the Awards to acknowledge the Awards received from NFMCC.

#### State Representatives are encouraged to:

Promote the NFMCC Summer Music Center's program, urge club members to support the SMC financially and visit the Centers in the areas where they live. Publicize names of the SMC winners of NFMCC awards and ask them to perform at club meetings.

## **SOUTH CAROLINA SUMMER SCHOLARSHIPS**

Chair: Elizabeth G. Martin

Taylors, SC 29687  
(864) 313-0193  
[eguest@anderson4.org](mailto:eguest@anderson4.org)

### **GOALS AND METHODS**

The South Carolina Summer Scholarships program presently awards six scholarships to Brevard Music Center – one is administered in each of the six districts, pending acceptance for admission of entrant by Brevard Music Center, six scholarships to an approved band camp with one being awarded in each of the six districts, and six scholarships to an approved string camp with one being awarded in each of the six districts of SCFMC, and six scholarships to an approved jazz camp. The approved string and band music camps by SCFMC are Furman University, University of South Carolina, Charleston Southern University, and Bob Jones University. Southern Wesleyan University is the approved Jazz music camp.

The Brevard Music Center Scholarship shall be funded through club contributions and other gifts designated for this purpose, supplemented from undesignated funds of the SCFMC if needed. Interest from the Brevard Music Center Endowment is to be used at the discretion of the Board of Directors to supplement payment for South Carolina Summer Scholarships if needed.

The values of the SC Brevard Music Center Scholarships shall be determined annually by the Board of Directors.

The District Directors shall arrange for the auditions and perform all duties needed for this event. Auditions must be completed by March 1 and all music camps notified about the recipients by the SC Summer Scholarship Chair. Each District Director shall notify, no later than January 15, every club in her designated region as to the details of the audition. Written application for audition must be mailed to the Scholarship Chair by a deadline announced by the Chair. Students of orchestral or band instruments are eligible for the SCFMC Brevard Music Center Scholarships. Winners from previous years are ineligible.

The District Directors shall conduct the auditions for approved string, band, and jazz camps simultaneously with those of the SC Brevard Music Center Scholarship.

There are six State scholarships awarded each year to Brevard – one in each district. The winner from each of the six districts will submit a CD to the SC Summer Scholarship Chair for adjudication by BMC for the one full scholarship at Brevard Music Center. Also, each district's piano winner will submit a CD for adjudication as there is only one Brevard Piano Scholarship Statewide. Clubs are encouraged to give local scholarships after showing their loyalty to the Federation by supporting the State scholarships and BMC Endowment Fund.

Should any district or districts not declare a Brevard Music Center Scholarship recipient, the monies from that district's scholarship shall be divided equally among the other Brevard district scholarship winners, not to exceed the approved amount by SCFMC.

Pledges of contributions to this fund shall be made in writing to the State treasurer and the State Chair one week prior to the Fall Board Meeting. It is hoped that all clubs in the Federation will participate. You may plan fund-raising projects or ask businesses in your area to contribute toward SC Summer Scholarships. If you have been awarding similar scholarships through individual club auditions, consider giving them through the Federation. Thus, you may take points on the evaluation sheets. Should we not receive the necessary funds, it could be necessary for fewer scholarships to be awarded.

Application blanks and entry information may be obtained from the State Chair or District Director.

[hmeetze@bellsouth.net](mailto:hmeetze@bellsouth.net)

### **GOALS AND METHODS**

The Cornelia R. Freeman Awards shall be funded by earnings from the Cornelia R. Freeman Endowment, a fund contributed by family and friends. The fund shall be in the possession of the South Carolina Federation of Music Clubs for investment and shall have an advisory committee of three persons: the President of the SCFMC and two members of the Freeman family or their appointees. The first two members shall be R.E.L. Freeman and Cornelia R. Freeman. Successors shall be appointed by these members or by their heirs should a situation develop needing such an appointment.

The Endowment may be increased with additional contributions and accrued interest. The awards, designated as the Cornelia R. Freeman Awards, shall be in two categories: An award to the state Stillman-Kelley Auditions winner and awards to South Carolina entrants in the Young Artist Auditions of the NFMC who participate in the NFMC semi-finals.

1. Award to the winner of the Stillman-Kelley Auditions for the South Carolina Federation of Music Clubs. The award given first in 1990, shall be for \$200 for continued study with payment made to the winner's teacher. At an appropriate occasion after the Stillman-Kelley winner is declared, presumably at some performance for a Federation group, the winner shall be presented a Cornelia R. Freeman Award winner's certificate and a card or letter for the teacher notifying the teacher of the forthcoming payment of \$200 toward the cost of the winner's continued study.
2. Award (\$250) to a young musician with a permanent South Carolina address who competes in the NFMC Young Artist semi-finals. An entrant chosen for the semi-finals who for some reason does not participate will not receive an award. At an appropriate occasion after the entrant has participated in the Young Artist competition a certificate and the award will be presented.

If a South Carolina resident studying or living temporarily in another state enters the auditions as a representative of that state, that person shall not receive an award.

As the Stillman-Kelley and Young Artist Auditions are already a part of the structure of the SCFMC, administrative cost of these auditions shall not be shifted to the Cornelia G. Freeman Endowment. Should the National Federation change procedures for these auditions of the awards as established become impracticable, the advisory committee may develop a plan for other suitable Cornelia G. Freeman Awards.

.....  
Contributions to establish Cornelia G. Freeman Awards were made in commemoration of her fifty years of service to the Federation of Music Clubs. The funds with the stated rules were accepted as an endowment by the SCFMC and the project added to the state rating sheet. (5/16/86)

## **FINANCE DEPARTMENT**

### **GOALS AND METHODS 2019-2021**

The Finances of the National Federation of Music Clubs are derived from:

1. Membership dues and fees
2. Interest from endowments and general fund – FOUNDERS' DAY contributions
3. Gifts and legacies – MEMORIAL AND RECOGNITION FUND
4. Projects approved by the Board of Directors, sale of insignia, notepaper, etc.
5. ROSE FAY THOMAS FELLOWS

The working capital of the NFMC is derived from the dues, other fees (festivals, etc.) and a small profit from the sale of insignia – all of which is placed in the general fund.

The future of this organization is dependent upon its established endowments, that is, funds which none of the principal is spent. Only the interest is used. In addition to the many designated NFMC endowments, including 14 fully endowed awards honoring past national presidents, endowments provided by the NFMC bylaws include: NFMC Endowment, the Fund for the Advancement of Musical Arts, Competition and Awards Funds and Summer Music Center Funds.

The Development Program Committee solicits funds for the maintenance of NFMC activities and for the Embrace the Future campaign and other fund-raising efforts to increase the competition awards through permanently endowed funds.

There are more than 70 NFMC awards offered.

The Fund for the Advancement of Musical Arts (FAMA) Committee oversees the operational expenses for worthwhile projects and administers several competitive awards. A minimum balance of \$50,000 is maintained. The Memorial and Recognition Fund Chair receives contributions given in recognition, or as a memorial, to support the FAMA.

Founders' Day contributions of \$1.00 per member are sent by clubs to their state treasurer and reported to the national Chair. These funds honor the founders of the clubs. Clubs attaining 100% participation are reported in the Honor Roll in Music Clubs Magazine.

The Past National Presidents Committee works to fully endow a scholarship in the name of the national president at the close of term of office. Clubs are asked to give \$4 each year to this fund.

The Rose Fay Thomas Fellows are NFMC benefactors who have contributed \$1,000 toward the permanent NFMC Endowment Fund.

In addition to these committees, the Past Presidents Assembly and Life Members, under separate departments, generate funds for the Young Artist Awards.

### **GOAL AND METHODS**

Goal:

1. Recognize that juniors are the future of musical America and to encourage their musical development.
2. Provide activities and rewards for juniors through junior clubs, festivals and competitions.

Methods:

1. Encourage state presidents to emphasize the organization of federated junior clubs.
2. Provide festivals as a venue for junior performance and rating.
3. Conduct the Federation Cup program as an incentive to junior performers.
4. Provide information to state presidents concerning the activities, competitions and awards available to juniors.

NFMC is proud to present awards to the winners of the many competitions offered to juniors. Opportunities available to juniors in many areas of the musical arts include:

1. **Junior Keynotes Magazine:** The official junior magazine contains current information about all aspects of the junior program and allows juniors the opportunity to contribute articles and design covers.
2. **Federation Festival and Federation Cup Program:** This annual event, involving over 120,000 participants nationwide, gives each junior a performance and award opportunity.
3. **Composition:** Musical composition contests, each with several levels, exist to challenge juniors to begin composing early. Monetary awards stimulate interest.
4. **Angie Greer Junior Music in Poetry Award:** A creative opportunity for young poets.
5. **Junior Club Achievement (JR 1-1):** A great resource for planning junior club activities, as well as a reporting form that illustrates what the club has done.
6. **Yearbooks:** Provide information for members on club activities, programs and membership throughout the year. Guidelines for developing yearbooks can be found in the Junior Counselors Guide – JR 3-15-1 through 5 and ME 3-5-1 through 5 on the website.
7. **Achievement Record:** Provides a record of what the club has done. Keeping one each year records the club's history.
8. **Improvisation and Theory:** Both are Festival Events and Federation Cups may be earned.
9. **NFMC Competitions and Awards Chart (CA 20-1):** Lists all competitions and awards provided by NFMC, with description, eligibility, and national chairs's names and addresses. This is an excellent resource for involving juniors in NFMC's competitions.

### **GOALS AND METHODS**

#### **Goals:**

1. Provide a program that encourages musical growth, promotes study, stimulates interest in American music and motivates participants to reach high standards of excellence in their musical endeavors.
2. Provide musicians of all ages with opportunities for musical growth and achievement. Federation Festivals meet the needs of junior musicians under the age of 19 as of the date of their Festival event. Adult festivals provide adult students with a chance for evaluation and encouragement in their musical studies, regardless of experience or age.
3. Offer opportunities for participants to perform and receive an evaluation. Participants do not compete but are rated on individual merits. Federation Festivals are for all interested NFMC members.
4. Increase participation by our nation's music teachers, junior counselors, and junior and adult musicians in NFMC Federation Festivals on an annual basis.
5. Promote NFMC through the Federation Festivals program.

#### **Methods:**

1. Communicate to state presidents the following information and suggestions concerning festivals:
  - Become knowledgeable about the NFMC Federation Festivals program. Know its purpose and rules.
  - Be proactive in the selection of enthusiastic, competent and experienced state festivals chairs. However, once a state festival chair has been elected/appointed, do not interfere unnecessarily in the administrative processes that fall under the purview of the State Festivals chair position.
  - Provide opportunities for festival workshops at regular state board meetings, state conventions or other state meetings.
  - Encourage involvement of all members in the state Federation Festivals.
  - Promote participation in a wide variety of festival events. There are over 140 possible festival events. Do not limit your state's participation to piano solo.
2. Complete all reports in a timely manner so that all deadlines are met.
3. Reports will be shifting to computer format. Data entry will be an important component of Federation Festival reporting at all levels. Chairs may delegate this to a capable assistant if needed.

#### **State Chairs:**

1. Secure one copy of each NFMC publication used for Federation Festivals from the [nfmc-music.org](http://nfmc-music.org) website. Select those publications that will be necessary for your state's festivals. Direct area chairs to these publications online and provide guidance to them if they should need assistance in understanding the forms.
2. Study carefully the NFMC Federation Festivals Bulletin, the NFMC Junior Division Federation Festivals Procedures Manual (JR 3-18) and all articles relating to Federation Festivals in Junior Keynotes. Be very familiar with all the rules and procedures that govern NFMC festivals.
3. Hold a festivals workshop at least once a year for all area chairs within your state. At this time instructions can be given, problems discussed, festival supplies distributed, dates set for area festivals, record keeping explained, etc.

4. Be sure area chairs understand all rules governing Federation Festivals and deadline dates for reports and collection of festival fees.
5. In collaboration with your state federation, develop guidelines for Federation Festivals. Guidelines must adhere to NFMC rules.
6. All reports, requests and certificates must go through the state chairs.
7. Make sure the Federation Festival fees are computed accurately and paid by the state treasurer to NFMC no later than June 1.

**Regional Chairs:**

1. Encourage and mentor new Federation Festivals within your respective regions.
2. Answer questions and facilitate conflict resolution.
3. Provide the NFMC Federation Festivals Chair with understanding regarding your region.
4. Assist with formation of proposals and policy.
5. Identify and provide names of qualified individuals for positions within the Federation Festivals Committee.

### **GOAL AND METHODS**

#### **Goal:**

Provide extrinsic motivation for learners of all ages to continue their musical training through participation in festivals and earning points to receive Federation cups. The plan, which is sponsored by NFMC, is available to all entrants in the NFMC Federation Festival program, including adults. Accumulation of points is not affected by an interruption in Festival participation or rating progression.

#### **Methods:**

1. State presidents must appoint a State Federation Cup Chair who will be responsible for verifying points, keeping accurate State records, approving and ordering all cups. Only State Federation Cup chairs are authorized to order cups from NFMC headquarters.
2. The State Federation Cup Chair must follow the guidelines as listed below.

#### **State Federation Cup Chair Responsibilities:**

1. Study carefully the cup rules in the current *Federation Festivals Bulletin* and be sure that all local and area Federation Cup chairs understand these rules.
2. Keep abreast of and communicate all policy and procedural changes to area Federation Cup chairs.
3. Follow all directives set forth by the National Federation Cup chair and relay all pertinent information to the area/center/district cup chairs in a timely manner.
4. Keep accurate state records. All student records should be kept until the student reaches age 19.
5. Each state will determine an annual entry fee; set the time, amount and method of payment for these fees.
6. Collaborate with state Federation Festivals chairs in conducting workshops for state conferences. Cup eligibility has a direct link to following NFMC Federation Festivals guidelines.
7. Only state Federation Cup chairs may validate all points, sign and send all Grand Cup and President's Cup applications to the NFMC Federation Cup chair for approval using a current JR 4- 1 form. Outdated forms will be returned for resubmission on current forms and may cause a delay in the student's receiving the cup.
8. All NFMC dues and fees must be paid before cups can be ordered.

#### **PLAN:**

1. Points accumulate every year the student is entered into the plan. The first cup is earned when point totals reach 15. (See rules in current *Federation Festivals Bulletin*) Points over the amount necessary for the next cup are carried over and credited toward the next size cup.
2. Festival participants earn points toward a cup in a single event and may not combine event points with the following exceptions/alternations in piano events (see rules in bulletin): Jr. Concerto III, Senior Concerto, Lynn Freeman Olson, ensemble events (duet, trio, quartet, duo piano).

(Continued)

3. An entrant may work simultaneously towards a cup in more than one event but he/she must pay the required fee for each event entered in which they desire to accumulate points towards a cup; this includes Junior Composer events.
4. Points will be transferred from state to state using the Festival Transfer Information (JR 3-1) form if and when a junior moves to a different state. However, cup fees are non-transferrable (see Rules in current *Federation Festivals Bulletin*).

Fort Lauderdale FL 33308  
(954) 325-0064

**GOALS AND METHODS**Goals:

1. Bring together young people for regular group study of music, for performance before others and for social enjoyment.
2. Train future club leaders.
3. Cultivate courteous and appreciative audiences.
4. Stimulate interest in creating music.
5. Provide incentive for high standard of performance through Federation Festival events and the Federation Cup Award Program.
6. Encourage service through music.
7. Broaden the vision and the ability of members through understanding of cooperation with the state and national goals.

Methods:

Communicate to state federations and local clubs the importance of increasing membership and participation by using the ideas listed below. New members bring new energy, vitality and enthusiasm to any organization. State presidents, state junior counselors and state extension chairs must work together to bring new individuals and organizations into the National Federation of Music Clubs.

Try some of these ideas:

1. Invite existing youth organizations to join NFMC, such as church choirs, bands, school choruses, handbell choirs, etc.
2. Form performance clubs. These can be multi-disciplinary and give juniors an opportunity to perform before their peers. Include pianists, instrumentalists, dancers, vocalists, junior composers.
3. Form festival clubs. These clubs can assist juniors in preparing and performing for festival as well as providing a venue for receiving the awards following the festival.
4. Form study clubs. This can give juniors an opportunity to learn about the arts as they choose a particular area of study and share that with others in the club.
5. Form junior music service clubs. This would give juniors an opportunity to share their music with those in their community. They could find performance opportunities in schools, day care centers, hospitals, nursing homes, etc. (See JR 3-15a-e on the NFMC website.)
6. Involve parents, music teachers, members of federated music clubs and others who are interested in junior club work.
7. Share what works. Let others in the NFMC know of the successes of your junior club. Submit informative articles on your club's activities to the *Junior Keynotes* Magazine. This can give others ideas on how to make a junior club work.
8. Learn from others. Be sure you receive the *Junior Keynotes* Magazine, and be sure all your juniors subscribe. This is a valuable tool for helping our junior clubs grow and be successful.
9. The Junior Division chair's theme for 2019-2021 is "Keeping the Music Alive for the Future Through Our Juniors" as we encourage our juniors to enter composition contests, performance competitions, festivals, poetry and essay contests.

### **GOALS AND METHODS**

#### **Goal:**

Provide a means to evaluate the work of local clubs throughout the NFMC.

#### **Methods:**

1. Communicate to the state presidents the information about the reporting process.
2. State chair receives the Senior Music Club Annual Summary Form (ME 7-1) from the club chairs by *July 1*.
3. National chair receives the State Senior Club Annual Summary Form (ME 7-2) from the state chairs by *July 15*. From these reports, compiles a statistical accounting.
4. Send this accounting to each of the nine division chairs, showing by state and program where the strengths and weaknesses occur in each division.
5. Compile an overall report to provide a true picture of the work being done in each of the reporting states.

It is essential that all who participate in the senior club reporting process use only the current, updated forms. The Senior Music Club Annual Summary Form (ME 7-1) and the State Senior Club Annual Summary Form (ME 7-2) are used to report club and state activities. These forms are available on the NFMC website and are easy to complete. Clubs take credit by placing a check in the box adjacent to the program and by adding dollar amounts, where appropriate.

#### **Club Presidents:**

- Appoint a senior club reporting chair or do the report yourself. Prepare the Senior Music Club Annual Summary Form (ME 7-1) for your club and send it to your state chair by the date determined by that chair.
- If a senior club wishes to receive a certificate, use the appropriate information listed at the end of ME 7-1.
- Use ME 7-1 as a source of information for programs and for reference.

#### **State Chairs:**

- The deadline for receipt of the State Senior Club Annual Summary Form (ME 7-2) by the national chair is postmarked by *July 15*.
- Therefore, establish a deadline for receipt of ME 7-1 from your senior clubs to allow time to compile ME 7-2 and forward it to the national chair postmarked by *July 15*.
- Send ME 7-1 to each senior club early in the club year. Emphasize your deadline for submission of the completed form.
- Suggest that the forms be used as a guide for activities during the year.
- Send completed copies of ME 7-2 to your state president, to the NFMC headquarters and to the NFMC chair listed above.

### **GOALS AND METHODS**

#### Goals:

1. To promote the National Federation of Music Clubs across America.
2. To assist states and local clubs in promoting and publicizing their programs, activities, competitions and music in general.

#### Methods:

1. Advise state presidents to give information to all clubs and interested parties in their states about NFMC, current events, competitions, scholarships and the NFMC website. Encourage states to link their state with the NFMC website so that their state information on membership, special events and competitions is easily accessible.
2. Provide information to help clubs prepare radio, TV and newspaper publicity about their clubs, NFMC, special events, concerts and competitions. Explain ways to submit publicity to local media outlets.
3. Encourage state federations to place ads in the *Music Clubs Magazine* or *Junior Keynotes* and to seek other ads from community advertisers for our magazines. Use the Media Information Guide available from NFMC headquarters.
4. Encourage purchasing the promotional video, “NFMC – Celebrates the Arts” to use for clubs, schools, universities, churches, etc. This 12-minute video tells the NFMC story in a delightful way. Most states have a copy to lend to their clubs.

#### **Public Relations Tools for States and Clubs:**

NOTHING IN THE NFMC IS MORE IMPORTANT THAN PUBLIC RELATIONS. Contact members of the Public Relations Division for suggestions and assistance with publicity and promotional projects to help showcase your state and local activities.

PUBLICIZE IN SOCIAL MEDIA, RADIO, TV AND NEWSPAPERS. Have a website and Facebook page. Be sure to create an event page and invite all your members—and make it shareable for your members to invite. Call radio and TV stations and ask for the person who works with PSA (Public Service Announcements). Ask how and to whom you should submit your material. Most newspapers have events calendars. Send email messages for upcoming events to the editor listed in the paper and be sure to mention that events are free and open to the public.

EMAIL OR FAX IS THE PREFERRED WAY OF SUBMITTING MATERIAL TODAY. Be sure to tell the “who, what, where, when and why” of your event plus what or whom it benefits if applicable. Give as much information as you can. That person can select what he/she wants to include. Include the NFMC and state websites, along with an organization logo.

CLUB MEMBERS ARE YOUR BEST PUBLIC RELATIONS PERSONS. Remind members to invite their friends and acquaintances to visit music club and then JOIN. Being a member of a music club gives many rewards including the opportunity to meet nationally prominent and locally outstanding musicians.

KEEP BUSINESS MEETINGS PROFESSIONAL. Programs should be interesting, enlightening and enjoyable. Members can enthusiastically share news about their club.

**ORDER THE NFMC MATERIALS.** These materials help tell our story in tangible ways. It is always helpful to see something in print because it makes our story more powerful. Wear your NFMC pin(s). Let people ask you about it.

**LISTEN TO YOUR MEMBERS.** Make changes, adjust meeting schedules, create programs to attract community members. Change can make the difference in retention of membership.

**SOCIAL MEDIA IS IMPORTANT. ADVERTISE, POST, SHARE**

Have a webpage and a public Facebook page. Create “events” and share with members and on other musician pages. Post pictures. If ASCAP compliant and you have permission, Facebook livestream the event! Be sure to be tasteful, present good quality and create a positive impression.

**SUCCESSFUL PUBLIC RELATIONS IS NEEDED FOR GROWTH.** If we are to be successful in publicizing and promoting the NFMC, public relations should occur at every level – national, state and local.

## **GOALS AND METHODS**

### Goals:

1. Encourage every state and/or local club to have a Facebook public page and/or closed group. Instagram, Twitter, Pinterest, LinkedIn and Google+ are other possibilities.
2. Encourage every state to have a social media chair.
3. Aid states in setting up their social media presence.
4. Encourage regular posting about NFMC and state events and awards.

### Methods:

1. The Facebook public page is a vehicle to promote events, awards and introduce local clubs. Posts may not show up in the newsfeed of people who "Like" your page. Remember this is your public image, so be respectful and thoughtful of what is posted.
2. The Facebook closed group is a method for communicating with members in your state or local club. Closed group posts will show up in members' newsfeeds, unless unsubscribed. Posts and shares will be limited to members only. One will have to adjust privacy settings of a post in order for members to share with those outside the group.
3. Create an event for meetings or when hosting public events/concerts to invite members and their invitees. Encourage members to check in and post pictures when attending the event.
4. Posts with images receive 94% more views than those without. Tweets with images receive 18% more clicks than those without. So consider adding clip art or make your post more visual. (Be careful not to use copyrighted material.) Sharing links can be effective for this. Refer them to your website for more visibility.
5. Be sure to promote all NFMC/state/club awards well in advance of deadlines.
6. Have clear guidelines for what sort of posts are allowed. Member promotion of self-products and services may cause complaints.
7. Post content consistently in order to build a following. You may schedule repeat posts.
8. Within ASCAP guidelines, consider doing Facebook "Live" of your meetings. It allows those that can't attend to watch - live or even after it's over.
9. Post notifications of award winners and tag them.

### Reporting:

Invite Angela Teasley, chair, to your page or group. Send a private message to Angela or post on her page by May 1.

The NFMC Gretchen E. Van Roy Music Education Scholarship is awarded annually to a junior majoring in music education at a college or university which is a member of the NFMC and gives a degree in this field. If the school of music is not a member, the applicant must have an individual Student/Collegiate membership in the NFMC. A membership in the National Association for Music Education (NAFME) does not replace this requirement.

**Application:** Members of the music education faculty should select the most outstanding music education student (a junior) for this award. The student recommended must complete both pages of the application form (ST 9-1) and mail it, along with all required accompanying material, to this Chair postmarked on or before *April 1* of each year. Two faculty members must send their recommendations postmarked on or before *April 1*. The application form is available from the national headquarters office or can be downloaded from [www.nfmc-music.org](http://www.nfmc-music.org). (Go to “Competitions – Annual Student/Collegiate.”)

**Adjudication:** Since this is not a performance scholarship, music educators will judge the applications and recommendations and determine the most highly qualified applicant.

The schools of music recognize this scholarship in music education as a much-needed financial aid to the future music educators who may or may not be performers.

**Please continue the good work by making the colleges and universities aware of this opportunity.**
