Profile

# Saudi Top Chems Company

Specialty Chemicals Manufacturer

Technical Solution Provider

## Top Chems ... Who We Are?

Providing invaluable service for water and wastewater treatment by supplying and maintaining specialized chemicals And equipment sourced from the foremost manufacturers in the world through strategic partnerships and alliances. Dealing with the highest quality of chemicals products and equipment.

### OUR VISION

To be a recognized leader in growth, excellence and partnerships in the chemicals industry.

### OUR MISSION

To continuously create value through sustainable, innovative and quality products relying on our growing capabilities and motivated employees.

### OUR VALUES

#### Courage

Taking initiative to face fear, risk, and adversity; daring to think, ideate, and communicate assertively, confronting what's wrong and defending what's right.

#### Passion

Having positive energy and being enthusiastic at work; the urge that drives people towards excellence, job-loyalty, productivity, and achievement.

#### Agility

The ability to swiftly and efficiently adapt in response to change in the environment in order to achieve optimal results, while prioritizing our desired results and conserving time and resources.

#### Collaboration

Enabling teams to achieve common goals by eliminating barriers for productivity through mutual respect, effective communication, and accountability.

## ■ Top Chems

is committed to excellence in providing both equipment, engineering and consulting services for our clients

## ■ Top Chems

offering our clients a comprehensive range of services with leading technologies and products.

## ■ Top Chems

provides a full range of chemical solutions for our clients.

## ■ Top Chems

serve all users in the commodity, specialty water treatment and Oil & Gas fields.

## ■ Top Chems

are regional leaders in process solutions for all water and wastewater treatment. By supported an analytical facility that carries out accurate real time analysis.

## ■ Top Chems

focus on meeting strict industry guidelines and customer specifications has empowered us to lead in international standards and exceed expectations.

# Our Services

**Water Treatment for HVAC System**

**Industrial Chemicals**

**Water Treatment Chemicals**

**Engineering Services**

**Chemical Dosing Systems**

**Disinfection of Potable Water**

**Laboratory Services**

**Desalination Equipment**

**Water Treatment for Boilers**

# OUR SOLUTIONS ...

- Oil & Gas Specialty Chemicals
- Water Treatment Specialty Chemicals.
- Food & Beverage

- Monitoring System; Analyzers, Dosing Pumps
- Membrane, Toray, Filmtec , ...
- Filtrations Systems.

- Trading of wide range of commodities, NaOH, HCL, Sodium Hypo.... Etc.
- Trading of Water Mineral kits , Magnesium Sulfate , Potassium, Calcium Chloride and Polybrite...Etc.

# OUR VALUES ...

# OIL & GAS PRODUCTS

## PROCESS & PETROCHEMICAL

- ▶ Desalting demulsifies
- ▶ Filming and neutralizer corrosion inhibitors
- ▶ Anti-fouling
- ▶ Anti-foams
- ▶ Oil and residuals viscosity reducers
- ▶ Anti-oxidants
- ▶ Oil soluble scale inhibitors
- ▶ Solids wetting agents
- ▶ Sulphur compound scavengers

## Commodities

- |                                  |                        |                         |
|----------------------------------|------------------------|-------------------------|
| ▶ Sodium Hypochlorite 12%        | ▶ Softening Salt 99.5% | ▶ Citric Acid           |
| ▶ Caustic Soda 50%               | ▶ SMBS                 | ▶ Acetic Acid           |
| ▶ Sulphuric Acid 30, 50%, & 100% | ▶ DEG, TEG             | ▶ HCl                   |
| ▶ Phosphoric Acid 85%            | ▶ Sodium Chloride      | ▶ Sodium Bisulphite 40% |
| ▶ MEA, MEDA                      | ▶ Calcium Chloride     | ▶ And others ....       |

# WATER TREATMENT PRODUCTS

## Cooling Water

- ▶ Scale and corrosion inhibitors
- ▶ Biocides, Antifoams
- ▶ Dispersants and Bio-dispersants

## Reverse Osmosis

- ▶ Membrane Cleaners
- ▶ Membrane Corrosion Inhibitors
- ▶ Membrane Anti-Scalant
- ▶ R.O Biocides & Disinfectants
- ▶ R.O De-Chlorinators

## Sulphur Granulation Plant – SGP

- ▶ Dust Control agent
- ▶ Biocide

## Water Clarification, Lime Softening and Wastewater Treatment

- ▶ Coagulants and flocculants
- ▶ Filtration aids
- ▶ Thickening and dewatering polymers
- ▶ Reverse emulsion breakers
- ▶ Demulsifiers

# FOOD & BEVERAGE

## Natural Food Preservatives and Additives

Since soft drinks, dairy and food industry became one of the most important industries in our daily life we have been very careful to select the best products conforming to European food additives standards.

## Drinking Water Industry – Food Grade Chemicals

- ▶ Calcium chloride (pellets-flakes)
- ▶ Potassium bicarbonate
- ▶ Magnesium sulfate
- ▶ Sodium fluoride
- ▶ Sodium bicarbonate
- ▶ Potassium sorbate
- ▶ Sulfuric acid
- ▶ Hydrochloric acid
- ▶ Citric acid
- ▶ Xanthan gum
- ▶ Sodium nitrite
- ▶ Sodium Hypochlorite
- ▶ Hydrogen peroxide
- ▶ Sodium Meta bisulfite
- ▶ Ascorbic acid
- ▶ Activated carbon
- ▶ Caustic soda pellets - flakes
- ▶ Caustic soda solution
- ▶ Sodium benzoate
- ▶ Others...

# SPARE PARTS & EQUIPMENT'S

- ▶ R.O. Systems
- ▶ High Pressure Pumps; Grundfos, Lowara, and Etc
- ▶ Pressure Vessels.
- ▶ Dosing Pumps
- ▶ Chemical Dosing Tanks.
- ▶ RO Instruments ( Flow meters, PH meters, level switches, control heads).
- ▶ Sand Filters Complete Systems.
- ▶ Pressure Tanks.
- ▶ Cartridge Filters and Housing
- ▶ Ozone System

# LABORATORY SERVICES

## Delivering Solutions

- ▶ Water Treatment
- ▶ Internal Corrosion
- ▶ Water Quality
- ▶ Bacterial Fouling and Corrosion
- ▶ Mineral Scale Deposits
- ▶ QC- Equipment's for bio and chemical laps
- ▶ Laboratory Services...

# MONITORING & CONTROL

## Water Treatment Controllers

tower, boiler, metal finishing, industrial and municipal water treatment analytical controllers is designed with a total quality commitment that starts with the best design engineering in the industry and continues throughout all stages of the manufacturing process as :

1. Chlorine residual System
2. Hardness residual System
3. Dissolved Oxygen Monitor
4. PH Adjustment System

## Advanced Automation Equipment

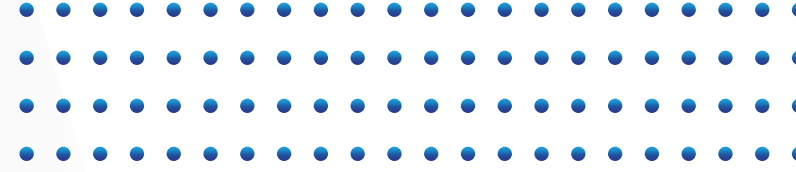

- \*Industrial Grade Controllers & Dosing Systems
- \*Seamless Interface with PLC/SCADA/Computer
- \*Suitable for Different Process Applications
