April 2024

Eclipse Day! April 8, 2024

Please join us for an eclipse pre-game. We will offer locally baked half-moon cookies (limited supply) for kids who join in our craft event. Beginning at 11:30, we will be making moon sand that kids can create and take home in their own personal container. Head home to view the total eclipse that will be visible in our area between 3:22—3:24 PM. Special thanks to the Onondaga County Library System who teamed up with The Space Science Institute/*StarNet* to provide patrons with FREE solar eclipse glasses over the past few weeks.

History Club Explores Local Pottery; April 9, 6:00 PM

Please join our monthly History or Genealogy Club (HOGs) meeting as we venture to the Jordan Historical Society & Museum in Jordan, NY to discover and discuss Jordan Pottery. Jordan Pottery, also referred to as salt glazed pottery, was introduced to the area by Sidney N. Norton. In 1827 Norton started the first stoneware works in Onondaga County, two years after the opening of the Erie Canal, located on the north side of Mechanic Street in Jordan. Ware produced included: jugs, crocks, butter churns, cream pots, bowls and jars. During our meeting, we will view the large local collection of Jordan Pottery and dive into its rich history. Our HOGs meetings are free and open to all. No registration required.
