SUMMER READING AND TAKE-HOME BAG ONLINE REGISTRATION

Registration begins June 15 – June 30. We are capping registration at 100 participants.

To sign up for our Summer Reading Program, including our take-home bags, please go to:

<http://elbridgefreelibraryny14.readsquared.com>
(This link is also posted on our website)

On the right side of the page, click **Register Now**

Registration options:

- Older children or adults may create their own account under “myself only” during registration. They will be responsible for their username and account password.
- As a parent, if you are only registering one child, please choose “myself only” and enter your child’s information.
- If you are registering one child, and you also would like to sign up for our adult program, please register as “myself + others”.
- As a parent, if you are registering multiple children in your family, please choose “myself + others”.

The Primary Account Information only needs one username and password for the whole family, but allows you to sign up your children and log their reading together or separately as they read different books (i.e. if you read *The Very Hungry Caterpillar*, you may log it for Child 1 and Child 2 at the same time).

Logging Books & Earning Point:

The logging period runs from June 30 – August 18. Each participant has his or her own account listing in the drop down menu under “Reader Accounts” (left hand side). Each Reader Account serves as a dashboard for the selected participant and their program information, including points accumulated.

- Choose the participant for whom you would like to log a book.
- Click “log reading”.
- Highlight the participant by clicking their name and changing it from red to green. At this point you may select multiple participants if they read the book that is being logged.
- Enter book title and author information, then submit.
- Points may also be earned by obtaining “secret codes” at our live events throughout the summer. If you attend an event, our librarians will provide you with a code that can be entered by clicking “enter code” on the reader account dashboard. This will earn the participant extra points.
- Adults may also earn extra points by submitting book reviews online through their READSquared account.

Tickets & Prizes:

For each book logged, participants will earn one digital point on READSquared. Digital points will accumulate on your account throughout the summer as the program progresses. At the close of the Reading Program on August 18, 2021, your digital points will be converted to physical tickets. At that time you can stop into the library and enter your tickets into our raffle prize options. Winners will be chosen, and no one leaves empty handed!

This is my READSquared Login Information:

Username:	Password:
