## THE DONNA NEE CASPER NURSING SCHOLARSHIP

---

The Donna Nee Casper Memorial Scholarship is awarded to a student pursuing a degree in Nursing who embodies the three attributes which made Donna so special. Her devotion to family, her inherent kindness, and her unwavering faith.

The youngest of five, Donna adored her siblings Bobby, Billy, Dodo, Jimmy, and Peggy. This admiration continued throughout her life and expanded to her nieces and nephews. When it came to raising her own family, Donna was an exemplary mother. Always putting her children first and foremost, Donna ensured her children had the tools for success in all aspects of life.

With her love of family came her love of friends. Donna was a model friend, one of her best attributes being her inherent kindness. No matter the setting, Donna treated everyone she met with kindness and sincerity.

Although Donna lived a beautiful life, she also faced many hardships. Through these difficulties, she relied heavily on her faith. Always carrying a set of rosary beads in her purse, she was a firm believer in the power of prayer. Until the very end, Donna remained steadfast in her faith.

Although our family is deeply saddened by the loss of Donna, we are grateful her legacy will live on through individuals that will truly make the world a better place.
