Text/Email Notifications

We will be setting up a text/email notification for those property owners who would like to be notified before meetings and events and/or receive mailings (except for maintenance fee bills - which will be mailed) electronically. It costs your subdivision \$56.84 in postage as well as the cost of envelopes, copies, etc every time we have a mailing. By agreeing to receive future mailings electronically you would be helping our HOA be more financially responsible with the spending of your maintenance fees. There is an attached form for you to sign and return if you are interested with your contact information to a current officer or mail it to
