

Shoalhaven Avicultural Society Inc.

The benefits of becoming a member of this bird club!

Our Meetings:

Our monthly meetings are a great place to meet people who share your hobby of keeping and breeding birds. There is often a guest speaker to give an informative talk on a range of different avian species. Our members are all extremely knowledgeable and always happy to share any tips and tricks of the trade. We always have a lucky door prize and a raffle on the night where sometimes even a pair of birds will be kindly donated by our members! After the meeting, enjoy a complimentary supper and you'll have the opportunity for a friendly chat with the members.

Newsletter:

A monthly newsletter is sent to members with up-to-date information about birds, their care, hints, and tips. A "For Sale" section is included.

Excursions:

Excursions are organised through the year to visit aviaries or organized venues.

Fee:

New members joining fee is \$30 total for a single membership or \$40 for a family membership. This includes your badge and members card.

Annual renewal = single \$20.00 (discounted renewal only applies for those receiving the newsletter via email – Otherwise it is \$30 for single membership).

Family renewal is a flat rate of \$40, regardless of newsletter preference.

Junior members are free until 16 years of age – includes free cap and badge.

Meetings are held: 7:15pm on the 2nd Tuesday of each month, at the North Nowra Community Centre. 7 Hood Close, North Nowra.
