

DEAD AND DOWNED FIREWOOD PERMIT INFORMATION 2023 Season

Dear Woodcutter,

Welcome to the Spring Mountains National Recreation Area. Our fuelwood program is a service provided to the public for personal use. The program is designed to also reduce the fire hazards around communities and improve overall ecosystem health of the forest.

Firewood permits will only be processed in person at 4701 N. Torrey Pines Dr., Las Vegas, NV 89130 November 13-17 from 8:30 AM to 3:00 PM. Interested woodcutters may contact Brandon Buckley at 702-515-5428 or via email at brandon.buckley@usda.gov.

Please remember that once a personal firewood permit is purchased it cannot be refunded if not used.

Also, help keep the Spring Mountains clean by taking your garbage home with you. We appreciate your cooperation and hope you will have a pleasant trip.

Thank You,

USDA Forest Service
