

**HONESTY   TRANSPARENCY   INTEGRITY   ACCOUNTABILITY**

***A new business and social solution!***

**Membership Benefits:**

- Increase in business from recommendations & promotion
- Ethics Certification by 11 11 Global - a more impactful positive endorsement
- A new differentiation and reason to be chosen for product or services
- Membership in Mastermind - local professional networking & social events
- “Pay it forward” offerings by all members to new members
- Local advocacy to local government
- Solutions for business, government, and local, national and global society
  - Business mediation rather than reviews - we support you!
  - An ethics lobby requiring the same values in political leaders
  - A community of character about YOU rather than labels you did not choose

***Be a part of the solution - a benefit for you, your business, your community and the world.***

**11 11 Global**

*something wonderful is going to happen*
