**To: Fisherman Bay Sewer District, Lopez Island, WA 98261**

Dear Board Members:

Please, accept this letter as formal notification that I am resigning from my Clerk position on-training with FBSD as the end off September 6, 2021. I informed to my direct Supervisor, Lauren Stephens, my current health circumstances upon further encountering with the highest pressure and highest stressful work environment while working with Lauren Stephens. As a result, I have been required that I leave my position at this company by the end of this week as you all will appreciate. I apologize for not being able to give more notice. However, I regret that, due to circumstances beyond my control, I need to resign right away.

Thank you for the opportunities for professional and personal development that you have provided me during my employment on-training. I have enjoyed as much as possible assisting the Sewer District while on-training and appreciate the support provided me by a couple of the Board members during my tenure with the company.

Sincerely,

Ece Kocak
