**It was the start of a terrific Tuesday.**

**"What a delicious day! Come on Omar, let's get going," said Buckethead.**

**"Oh ya! Sure thing!" yelled Omar. "Where are we going?"**

**"We are going to the annual animal fair. You've been there before," Buckethead reminded Omar.**

**"Oh ya! The animal fair. Let's get out of here," ordered Omar.**

**"There are animals flying through the air!" gasped Buckethead. "Cows and pigs and rats and cats."**

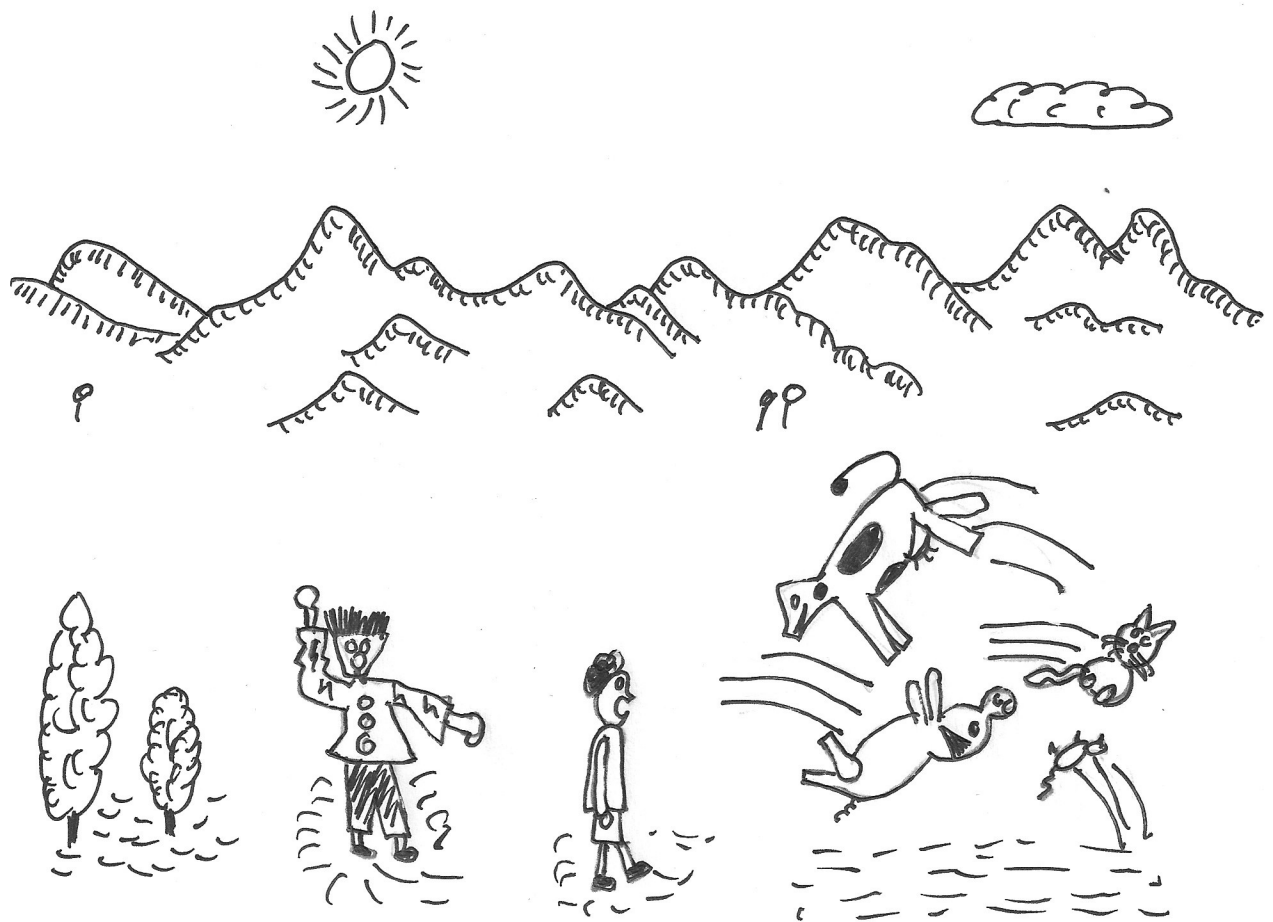

**"Make sure you don't step in poodle." Shouted Omar.**

**"This is creepy. Very VERY creepy!" cried Buckethead**

**"This will create a commotion at the animal fair." Said Omar**

**"What a crazy mess these flying animals are causing," said Buckethead**

**"You can say that again!" wailed Omar**

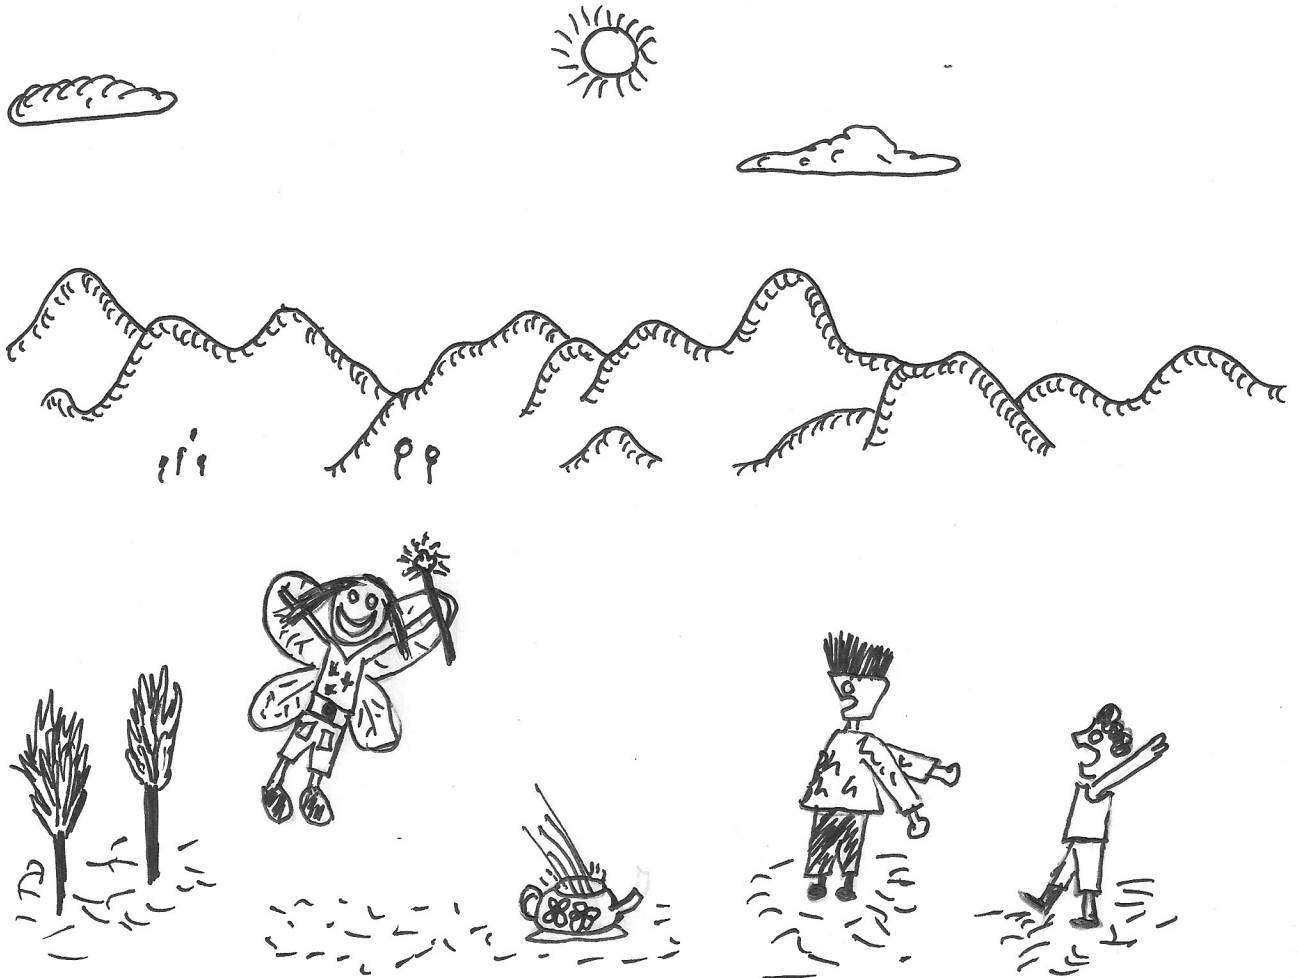

**"Is that a teapot?" asked Buckethead.**

**"It is! It is a teapot. A very freaky teapot." replied Omar**

**Right before their eyes, a fairy squeezed out of the teapot with four wings and a shiny glitter.**

**"Hello. Good Day. Ahoy! I am Heather, the Fried Chicken Fairy." said the fairy.**

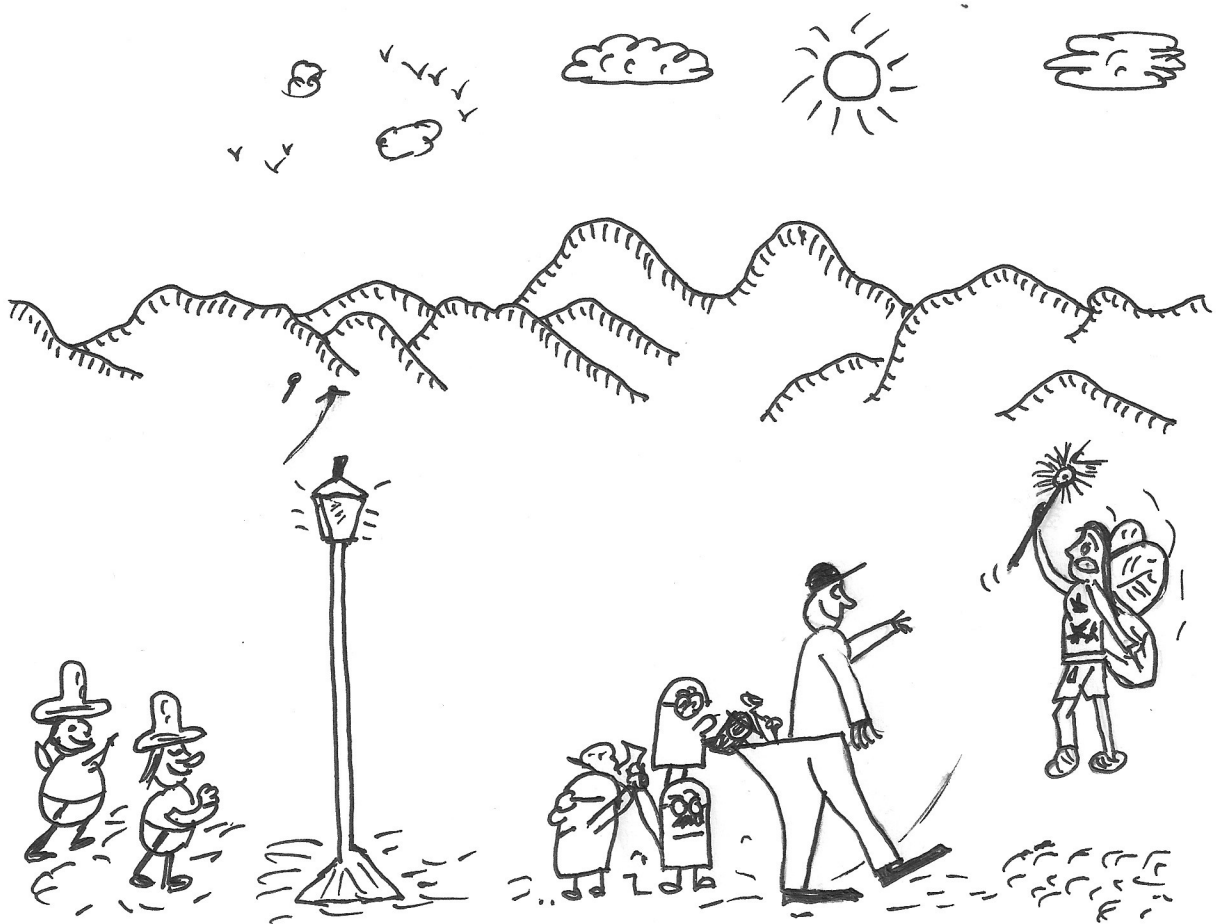

**"Crabby Carla and the Sneakies have been up to no good and they stole my magic nugget sauce! Have you seen them?" howled Heather**

**"Just look at all the trouble those vile Sneakies are causing." gasped Heather**

**"What outrageous villains. They are in disguise and putting honey down people's pants." squealed Heather.**

**"We are going to ruin the annual animal fair!" cheered one of the Sneakies.**

**"Look at that, it's the Sneakies with the magic nugget sauce over there." whined Buckethead.**

**Buckethead surprised the Sneakies by popping a balloon and then Omar grabbed back the magic nugget sauce.**

**"Nice one Buckethead and Omar!" whooped Heather.**

**"You two can help me anytime. The animal fair will be a perfect now. Hurrah!!" bellowed Heather the Fried Chicken Fairy.**

**"All Grabby Carla and those creepy Sneakies can do now is scurry away." yelled Omar.**

**Buckethead and Omar spent the rest of the day at the animal fair petting pigs and caressing cows and there wasn't a Sneakie in sight.**
