

No Up Front Money Policy!

Youth Fountain Laboratory realizes how hard times are right now for youth organizations, and that many **do not** have sufficient funds for their causes. This is why YFL is offering a “**No Up Front Money**” policy, whenever participating in a **YFL fundraiser**. To further demonstrate our commitment , we're offering a recurring payment plan, so that whenever your team/organization's customers make additional purchases, for up to 1 year, YFL will continue to reward teams/organizations with funding, for up to 1 year.

This means, teams/organizations can sell to a customer once, and receive sponsorship funds over and over, whenever those customers purchase again, for up to 1 year.
