

RWGD FIRE TACTICS LLC

VICTIM RESCUE FROM DWELLING FIRES

COURSE OVERVIEW

RWGD Fire Tactics delivers a results-driven program focused on effective victim search, location, and removal during residential structure fires. This course reinforces situational awareness, crew coordination, and decision-making to improve victim survivability and firefighter performance under real-world conditions.

KEY FOCUS AREAS

- Search techniques for residential occupancies
- Victim profiling and rescue prioritization
- Primary and secondary search execution
- Oriented, split, and targeted search operations
- Victim packaging and removal methods
- Crew communication and air management during rescue
- Coordination with suppression and support companies

DURATION & DELIVERY

8-hour, 16-hour, or fully customizable format

Available as hands-on, classroom, or combination delivery

PRICING

\$1,000 – \$3,000 per delivery (depending on duration and class size)
