

The Nandi Charity

Application form for membership/volunteer position

Welcome to Nandi – the most established and well known of the charities helping sick and abandoned animals in the Algarve.

We do hope that you will enjoy volunteering with us and thank you for taking the biggest step – making the enquiry. We really appreciate our volunteers who are the backbone of the charity and without whom we could not possibly have achieved all we have in the last 27 years. Over that time, we have helped many thousands of animals to live a better life.

Once you complete the application form, it will be passed to our Recruitment and Training Co-ordinator who will contact you by telephone to arrange a face-to-face meeting, a chat about what volunteering with us entails, your experience and what you would like to do. If you decide to volunteer in the shops, you will be given full training including an induction manual for reference.

To comply with data protection legislation, your personal information contained in this form will only be used for us to contact you with news about Nandi or the volunteering post you will fulfil or your emergency contact and will not be shared with any other person unless we are legally obliged to do so.

If you are volunteering rather than simply applying for membership, we require your NIF /Passport Number so that you can be put onto the Nandi personal accident insurance which comes into force when you have completed your 6-week probation period.

Please do not hesitate to contact us if you have any concerns about the information required on this form.

Thank you - we hope you enjoy your time with us!

Helen Mattacott,

President.
