Young Music Professionals

About

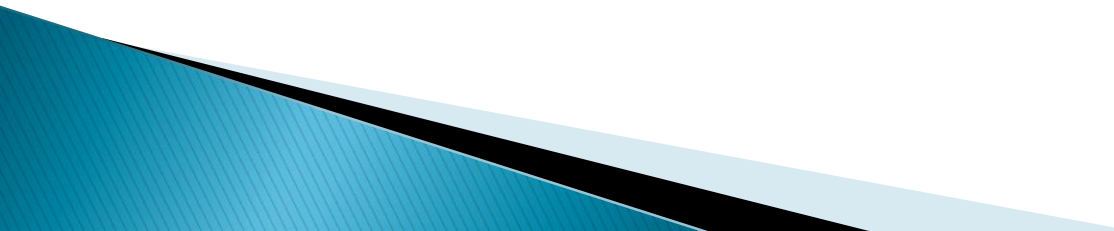

Mission:

- ▶ Connect young professionals across the music industry with each other and with industry veterans for the exchange of ideas, resources, and mentorship.
- ▶ Empower young professionals on their career path to create a clear, accessible, and supportive career pipeline within Canada's music industry.
- ▶ Communicate opportunities and ideas from this network with the larger Canadian music industry.
- ▶ Nurture the country's music industry by laying the groundwork for tomorrow.
