DIGITAL MOTORS

India's No.-1 BLDC Fan Manufacturer

digitalmotors.in

BLDC TECHNOLOGY

Who We Are...?

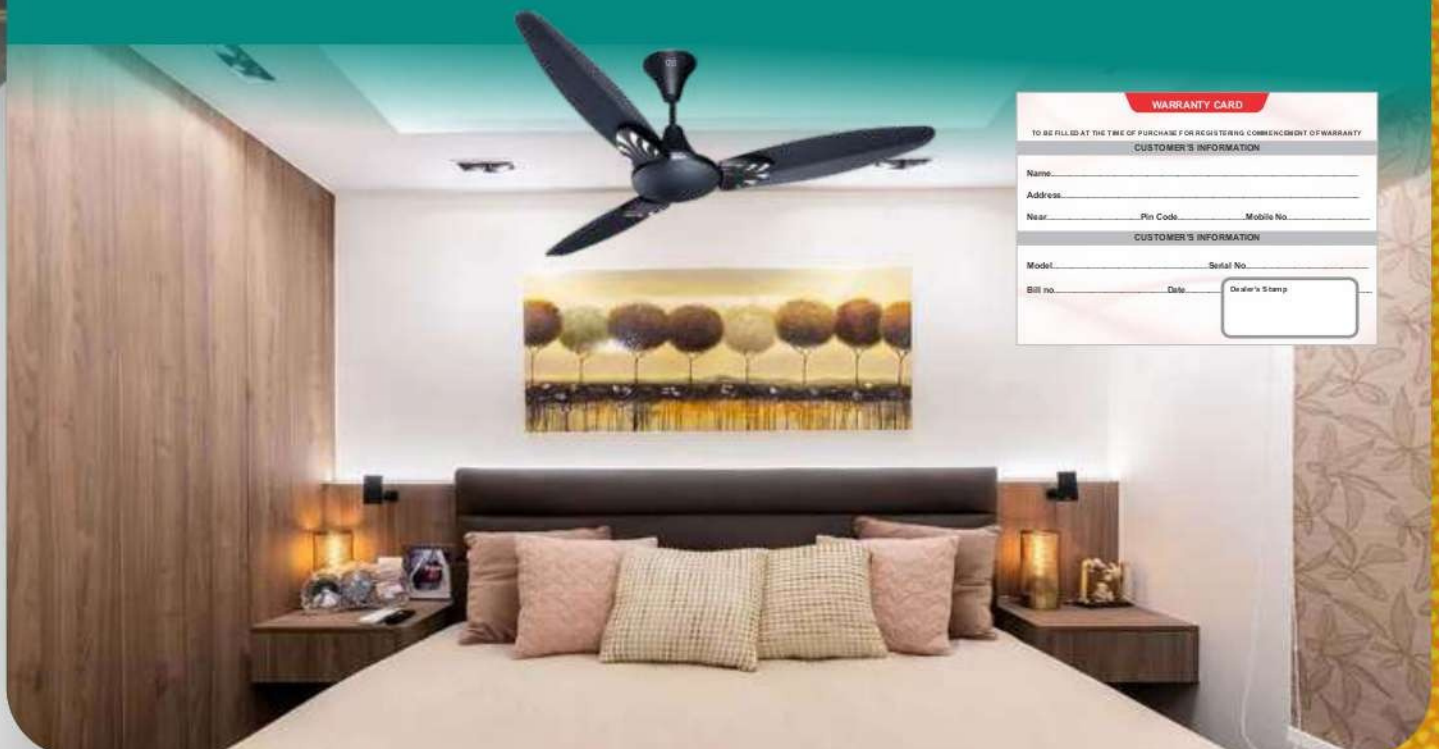

Founded in 2001, Digital Motors is leading name with a differentiated portfolio of solutions for all type BLDC Fan, Motors & Solar Power Project. Our core team of researchers and engineers make constant endeavor to bring innovative products which is an emblem our passion and commitment towards bringing best possible solution to our customers to make their life comfortable and efficient.

We are India's first solar ceiling fan manufacturer. It proved to be a mailestone in the field of solar energy and a mark of our commitment towards customer delight.

Passionately innovate to make life comfortable and efficient for our customers.

Be the brand of choice for products and services in solar power project throught passionate and committed group of people we innovate to consistently deliver a competitive advantage in reliability, service and cost.

Customer satisfaction through innovation & passion with focus on sustainable market growth.

WATER HEATER FAUCET TAP

SPECIFICATION

High Temperature Resistant, Soft And Strong,
There Are Two Type Of Display(Optional), One Is Blue Light When Water Heating,
Temperature should not higher than 50 degree
The Display Will Real-Time Display The Current Temperature
900W Instant Electric Water Heater Instant Hot Faucet Kitchen Electric Tap
Water Heating Instantaneous Water Heater Kitchen LED Digital Display Fast
Heating Electric Water Heater Faucet Tap.
