vs the program?

Where are your programs performed?

North Palm Beach Area

How do you measure your program success?

We measure the success of

What past success have you achieved?

We have provided this particular program for three years for twenty foster children and have seen a greater success in these children emotionally, in school, in personal confidence and social interaction from these abandoned children.

What methods will be used to measure results?

We maintain a communication with the facility and case workers of HomeSafe quarterly on the child's progress.

List the 3 specific, measurable outcomes demonstrating your program's impact on the lives of those served?

The children present a more balanced social behavior, a renewed confidence and improved behavior with fellow children and adults in their life. They have increased self confidence and ambition.

Describe your plan to sustain the program beyond this grant

We will expand this program this year to 44 children and will continue to seek out individual sponsors and organizations to take on this project by class. I.e. School year 2020-2021.

Does the organization agree to not use, give, or sell the contact information of our members for additional solicitation by them or other organizations?

Yes
