| Charity Contact Person Name, Email & Phone Number                                      | Cheryl Phan<br>cheryl@paintforchildren.org<br>561-385-3069                                                                                                                                                                       |
| Mission Statement (Any history, details, information on the organization are helpful). | Our mission is to make a child smile and brighten up their world through art. Paint for children gathers local artist/contractors/volunteers to donate their time and talent to transform rooms for children with special needs. |

|                                                                                                                               |                                                                                                                    |
|-------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------|
| <b>Date Started.</b>                                                                                                          | Oct 31, 2016                                                                                                       |
| <b>How would the donated funds be used?</b>                                                                                   | The donations will be used to purchase paint, supplies, furniture and accessories to create a total room makeover. |
| <b>How much of the funds are used for Admin Expenses?</b>                                                                     | We don't have any admin expenses at this time.                                                                     |
| <b>What are the current sources of funding for the organization?</b>                                                          | Donations are generated from social media efforts and in-kind donations                                            |
| <b>What population does the organization serve?</b>                                                                           | All of Palm Beach county                                                                                           |
| <b>Do you have major sponsors?</b>                                                                                            | No                                                                                                                 |
| <b>How would The Donated Funds Be Used?</b>                                                                                   | To purchase products needed to create the room makeover such as paint, supplies and accessories                    |
| <b>If chosen, will you restrict funds to just program efforts only, with no funds being used for administrative expenses?</b> | Yes                                                                                                                |
| <b>What is the organizations annual operating budget?</b>                                                                     | Our operating budget is minimal. the only cost is our website. about \$500                                         |
| <b>What percentage is tied to administrative/overhead vs the program?</b>                                                     | .5%<br>95%                                                                                                         |
| <b>Where are your programs performed?</b>                                                                                     | In the childs home                                                                                                 |
| <b>How do you measure your program success?</b>                                                                               | When we see the excitement on their face when child walk into their new room and the gratitude of the parents.     |

**What past success have you achieved?**

We have been featured on LinkedIn, Channel 25, TBN TV, Rickies report and the local entities

**What methods will be used to measure results?**

We video tape all the room makeovers and the reveal. We post them on our website, FB page and Youtube.

**List the 3 specific, measurable outcomes demonstrating your program's impact on the lives of those served?**

The children talk about their room makeover years after we did them  
Ivana's mom tells me she is proud to show off her room to everyone that comes into the house  
A couple of the moms where so impressed with the organization they joined our Board of Directors

**Describe your plan to sustain the program beyond this grant**

Our goal is to create local fund-raising events so we can reach more children with disabilities in PBC

**Does the organization agree to not use, give, or sell the contact information of our members for additional solicitation by them or other organizations?**

Yes
