

January 2018

Your Pacifica Synodical Board has met for the first time in 2018! We met at Gloria Dei in Dana Point where we will hold our March Event. While the March Event was a big focus of our meeting, Jackie Severa will chair a smaller group including Melissa Anderson and Viola Angebrandt to finish all details that are involved in our March Event. Daneen Pysz was present and gave us some information on the type of program she gives about women of the Bible. Her bio is found here: [2018 March Event](#). Really do think all of you will enjoy what she is planning. It will be a highlight for sure! The registration form is in this newsletter so please get yours sent. Bev Covey will be our new registration person for the March Event as well as convention.

A convention planning team has also been appointed and will begin work soon. The members are Melissa Anderson, Kandie Hulme, Rosemarie Peterson, and Jackie Severa from the board. They will be joined by Gerri Licke and Joanne McGavran and then myself as ex officio. We have had two absolutely fantastic keynote speakers the last two years so wondering if someone has an idea for a different type of format – can't let things get stale you know! Please let any of these women know your ideas.

And of course, start planning now to attend – November 2-3, 2018. The site has not yet been selected but it will be in the Inland Empire. It will be at a church site with hotel and perhaps a shuttle service available.

We do know that our Churchwide director, Linda Post-Bushkofsky along with a churchwide rep (yet to be announced), will be attending our convention. Both can be “put to work” or not. At the very least, both will be visiting with as many attendees as they can so they can get a picture of who we are here in Pacifica.

I want to keep talking about the newsletter and our website. Because we have a new editor, it always takes some time to make a transition. You can visit the website, www.pacificawomen.org, and under [News and Events](#), there is a yellow button on which to click and sign up to get the newsletter emailed. If you attended the convention last fall and gave us an email address, you should already be signed up. Did you get an email and receive the Nov-Dec issue? If not, let us know. And if you don't have access to a computer and need to receive a hard copy, first check with your church office and see if they will print you a copy as they should have received an email copy. And it is on our website under [Resources & Links](#). But if your church office is unable to print a copy for you, please let me know. We will be working on linking women who do receive via email and those who cannot. Everyone should be able to receive our newsletter if they wish – so help us reach that goal!

Anew in Christ!

President Eunice Hanson
