

LOVE GIFT

Traditionally we bring in kind gifts selected by the organization to whom we have chosen. Since we are not meeting in person, distribution of those gifts becomes complicated. So we have chosen to request monetary gifts. We will be highlighting human trafficking and have selected a specific place in each of our four areas.

Most counties have task forces which partner with law enforcement and other organizations. Much of what they do is for education and prevention. We have selected specific organizations that deal directly with victims of human trafficking.

ORANGE COUNTY:

Thatiana's Home opened Jan. 27 and is the first 24-hour staffed, 90-day emergency safe home for identified victims of sex trafficking in Orange County. The safe house can accommodate nine survivors at a time, and takes a trauma-informed, victim-centered and victim-informed approach.

INLAND EMPIRE:

Million Kids - Our mission is to PREVENT child exploitation by empowering every kid, and those who interact with kids, through education on predators and to INTERVENE by providing support services to those families and children in crisis.

SAN DIEGO COUNTY:

Generate Hope is a safe place for survivors of sex trafficking to heal and find restoration in long-term housing and trauma-informed therapy, education, and vocational support. Since recovery from sexual exploitation is a long-term process, GenerateHope provides safety, community, and individualized life skills support to work through the deep trauma and discover a healthy, purpose-filled life.

HAWAII:

Hale Lanipolua Assessment Center on Oahu is open to youth ages 12 through 17 who are victims/survivors of commercial sexual exploitation and sex trafficking.
