

# Birthdays With Books

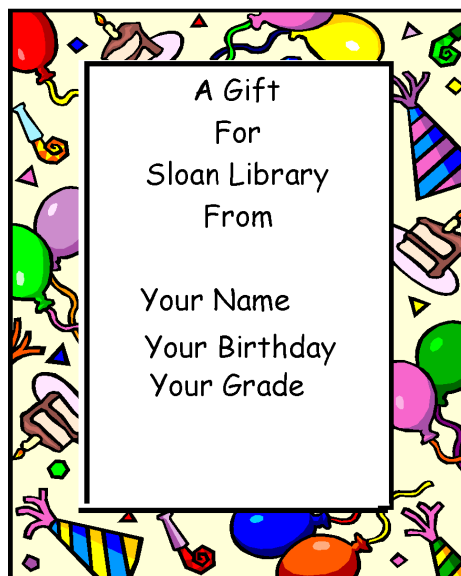

What's the best way to celebrate a birthday at school? Donate a book to the Sloan Library! Choose from our new book selection and be the first to read that book before it enters our collection! Your book will have a plaque placed inside containing your name and birthday. You will also get your picture taken with your book so you can be added to our "Birthday Wall".

Name \_\_\_\_\_

Teacher \_\_\_\_\_

Birthdate \_\_\_\_\_

Please bring your \$6.00 contribution toward a new book to Mrs. Perrott. If you bring it the week before your birthday, the book will be ready for you to check out on your big day. If you have a summer birthday, you may donate a book at any time. Please make checks payable to Franklin Regional School District.

Due to the automated nature of our circulating system, Birthday Books are DUE on your child's library day. They can, of course, be renewed.
