

NYSPHSAA GIRLS LACROSSE POSSESSION/SHOT CLOCK RULES

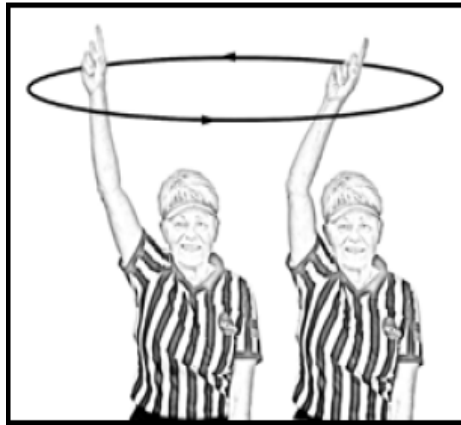

The possession clock is being piloted for the 2025 season on Varsity contests only.

1. Two visible 90-second possession clocks shall be located at each end of the field visible to players, coaches, and game officials.
 - a. If one clock is available, then it shall be located at midfield opposite the table.
 - b. If the possession clock malfunctions:
 - Possession clock and operator must be at the table.
 - Digital handheld countdown timer is recommended.
 - Refer to game clock if handheld timer is not available.
 - Verbally countdown final 10-seconds to officials and coaches.
 - Horn should sound the expiration of the shot clock.
2. The home team shall provide a trained possession clock operator.
 - a. If the possession clock is not operated at field level, the home team must ensure that direct two-way communication is available at all times between the table and the clock operators.
3. 90-Second Possession Clock Operation
 - a. START Possession Clock:
 - Clear possession of the ball after the draw or a change of possession.
 - On the whistle for 8M, 12M, or Dot free positions.
 - b. STOP Possession Clock:
 - Any defensive foul in the Critical Scoring Area.
 - Any time the game clock is stopped.
 - Team timeouts (does not reset PC).
 - Officials' timeouts.
 - c. RESET Possession Clock:
 - Change of possession.
 - Shot on goal that is saved by the goalkeeper/crosse, in or out of the goal circle, and whether possessed or deflected off the goalkeeper/crosse.
 - Shot on goal that hits a goal pipe (hitting outer goal net does not reset)
 - Any green, yellow or red card issued.
 - Offside violation.
 - d. EXPIRATION of Possession Clock:
 - Horn/Whistle, Illegal Procedure, Possession to opposing team spot of ball.
 - PC expires during a flag is a change of possession.
 - Ball in the air during a pass is administered where the ball lands.
 - No player may be closer than 4 meters to the free position.
 - Player taking the free position may self-start.

4. Officials' Possession Clock Signals

- a. Officials will signal RESET possession clock with one arm raised above their head in a circular motion. Clock operator must not reset on a shot unless the officials have clearly signaled reset.
- b. Officials will signal STOP possession clock on defensive fouls in the CSA with a tapping motion to the top of the head. Possession clock stops any time the game clock is stopped.

RESET

STOP

5. Shot on goal requirements and situations:

- a. The ball must be released from the shooter's stick:
 - Prior to the expiration of the possession clock.
 - Above the Goal Line Extended.
- b. If a shot occurs during a flag situation and the officials judge the foul affected the shot and administer a free position, then the possession clock STOPS and DOES NOT RESET (even if the shot hits the goalkeeper or a goal pipe).
- c. If officials signal reset and ball is loose, clock operators shall RESET and HOLD at 90-seconds and restart when a team gains possession.

6. Alternate Possession

- a. If offense maintains possession as a result of alternating possession, then the possession clock DOES NOT RESET.

7. Offsides

- a. Offsides by the defense MAY be a held whistle. Officials must evaluate if the attack is on a scoring play/maintaining advantage. A goal scored while the defense is offside shall count and play is resumed with a draw (Notes Pg 52).
- b. Offsides by the offense and the defense gains possession of the ball before the foul can be called, the official may hold the whistle and not penalize the offside (Notes Pg 51).
