

The screenshot shows the Copperhead Lodge website interface. At the top, there is a navigation bar with links for 'About Us', 'FAQ', 'Discounts', and 'My Reservations'. Below this is a large banner image of the lodge with the text 'Copperhead Lodge' overlaid. A search bar below the banner shows the dates 'Sat, May 23 - Sun, May 24 (1 night)', '1 room, 2 adults', and '0 children', with a 'Check Availability' button. Below the search bar, there are tabs for 'Room View / List View' and 'Most Popular / By Name'. A carousel of room options is displayed, including 'BUNK ROOM', 'ELITE CABINS', 'TWO BEDROOM CABINS', and 'PREMIUM CABINS'. A red arrow points from the top right to the 'Copperhead Lodge' text, another red arrow points from the top center to the 'ELITE CABINS' card, and a third red arrow points from the bottom center to the 'Elite Cabins' section below. The 'Elite Cabins' section shows details: 'Max Adults 4', 'Max Children 4', 'Max People 4', and 'Smoking allowed No'.
