All students beginning post-secondary education (college or university) in September 2026 are invited to apply for the GOC Markham Founder's Scholarship, awarding \$2,000 to the selected applicant(s). Completed applications should be addressed to the **2026 GOC Markham Scholarship Committee** and delivered by email (see above).

The scholarship is open to current GOC Markham member families only. Paid Membership will be verified on current roster.

The GOC Markham Founder's Scholarship was established to honour the legacy contributions of the founding families of our church and community while at the same time reducing some financial burden from our parish youth and supporting the early pursuits of their academic passions.

For this year's program, we are pleased to honour Mrs. Toula Karageorgiou and her late husband Mr. Nick Karageorgiou. Nick and Toula's dedication in developing and supporting our church and community is immeasurable. Over many years, they worked hand-in-hand with other families to establish and lead our community in Markham and build the beautiful church we enjoy today. Nick and Toula consistently gave their time and effort to support our church services, kitchen, senior's group as well as our annual festival. Nick and Toula served for many years on our Parish Council and Philoptochos, respectively.

As you complete this scholarship application, the Committee hopes your love and faith in God remains and serves you throughout your life.

Students may be invited to attend an interview with the 2026 GOC Markham Scholarship Committee as part of the final selection process.

The 2026 GOC Markham Scholarship Committee reserves the right to review and ultimately award Founder's Scholarships to selected students.
