PROFESSIONAL EXPERIENCE

Clinical Psychologist

Private Practice, Baltimore, MD and Ellicott City, MD. April 1989 - Present
Provide psychological services including individual, family, marital, and couples therapy to a diversity of clients, including adults, adolescents, children and families. I have met the State of Maryland requirements to provide parent coordination.

Staff Psychologist

Sheppard Pratt-Ellicott City (formerly Taylor Manor Hospital) August 2002 – June 30, 2003
Provided psychological services to adult patients and specialized with the adolescent patients, including case management, individual, group, family psychotherapy, consultation and supervision.

Staff Psychologist

Taylor Manor Hospital April, 1989 – August 2002
Provided psychological services to adult patients and specialized with the adolescent patients, including case management, individual, group, family psychotherapy, consultation and supervision.

Consultant Psychologist

Choice Program, Baltimore City, MD. May 1990 - January 1996
Provided psychological consultation to paraprofessional staff, case consultation, and staff development in a diversion program for children and adolescents at risk.

Clinical Psychologist

Cann Health Services, Fallston, MD. September 19, 1988 - April 1989
Provided psychological services in a private practice setting and at Fallston General Hospital.
Area of specialization included children, adolescents and families.

Post-doctoral Fellow

Mercy Hospital and Medical Center, San Diego, CA. September 2, 1987 - September 2, 1988
Provided individual, group, marital and couples therapy, psychodiagnostic evaluations, intake interviews, emergency room and hospital consultations, liaison to the pediatric floor and Mercy pediatric clinic, development and implementation of treatment plans, intake coordinator and supervision of psychology interns. Areas of specialization and interest included children, adolescents, families and young adults.

Psychology Intern

Mercy Hospital & Medical Center, San Diego, CA September 2, 1986 - August 31, 1987
Provided individual, group, marital and couples therapy, psychodiagnostic evaluations, intake interviews, emergency room and hospital consultation, liaison to the Mercy pediatric clinic, development and implementation of treatment plans. This was an APA approved internship.

Registered Psychological Assistant

4344 40th Street, San Diego, CA. March 1985 - January 1988
Provided psychological services under the supervision of a licensed psychologist. Registration number SB 10482.

Psychology Intern

State of California, Department of Rehabilitation, San Diego, CA. November 1, 1985 - July 1986
As a practicum student provided psychodiagnostic evaluations, focusing primarily on clients with learning disabilities.

Counselor

United States International University Counseling Clinic, San Diego, CA. May 1985 - December 1985
Individual psychotherapy with a university student population, psychodiagnostics, crisis interventions and case consultation.

Therapist/Case Manager

Regional Institute for Children & Adolescents, Rockville, MD. August 1981 - July 1984
I was the case manager and primary therapist working with emotionally disturbed adolescents.
Job responsibilities included the development and implementation of treatment plans, individual, group, family therapy, and crisis intervention, case consultation, treatment team participation and co-therapy in psychodrama groups.

Coordinator of Psychodrama Services

Regional Institute for Children and Adolescents, Rockville, MD. August 1981 - September 1982
Job responsibilities included the development, implementation, and evaluation of psychodrama services, case consultations, individual and group therapy, and treatment team participation.

Unit Coordinator

Regional Institute for Children and Adolescents, Rockville, MD. December 1980 - August 1981
Managed an eight-bed unit for emotionally disturbed boys, between the ages of thirteen and twenty. Coordinated and implemented treatment plans, liaison with the school and the clinical

components of treatment program, crisis intervention, psychodrama, group and individual therapy, co-therapist for family groups.

Residential Counselor

Regional Institute for Children and Adolescents, Rockville, MD. December 1979 - December 1980 Duties included the supervision of adolescents on the Self-Contained Intensive Treatment Unit, psychodrama and group therapy, development and implementation of policies and procedures, program development, staff orientation and training; participated as a co-therapist in creative service therapy groups.

Outpatient Therapist

Southeastern Community Mental Health Center, Dundalk, MD. 1978 - 1979
Primary therapist and case manager for patients who had diverse psychiatric illnesses. Provided individual, group, psychodrama, family, marital, couple's therapy, psychological evaluations and consultation to staff. Participated in a four-day per week partial hospitalization program for adult patients.

Psychodrama Intern

Spring Grove Hospital Center, Catonsville, MD 1979 - 1982
Participated in a State Program to become a certified auxiliary psychodrama therapist. Training included psychodrama, sociodrama, and sociometry.
