

Dear Valued Sponsor(s):

Chicago Caribbean Carnival Parade & Festival organization (CCC) is determined to develop a sustainable organization to promote:

- Unity among the different ethnicities and communities around the Chicagoland.
- Expose the youth(s) to Caribbean Culture and teach them how to celebrate the culture through costume, dance and music.
- Become part of Chicago's tourism attraction, and to continue to show Chicago in the most positive light during our Caribbean festivities.

The organization strives to create and preserve the Caribbean Culture of Carnival in Chicago and surrounding suburbs through education and community involvement.

We believe great things are achieved through collaboration. We would like to extend an opportunity to become a sponsor of the Chicago Caribbean Carnival.
