

"Educational Excellence for Every Student, Every Day!"

From the Superintendent's Desk

of Kathy Schneider

As they say, time flies when you are having fun! We are already well into the 4th Quarter of the school year. Track meets, end of year assemblies, field trips, and plenty of learning are filling our days. Please see attached calendars to stay informed of all upcoming events.

This past week, students and staff have actively participated in The Kindness Project. The theme this year was "Shine Bright" and our school community definitely did! With dress up days, classroom lessons, challenges & activities, morning announcements filled with positive quotes & reminders, and Appreciation Stations (tables where notes of thanks could be written to be delivered to recipients at the end of each day), Mrs. Mayo and our counseling department helped to create an attitude of gratitude that lasted all week long!

If you have any questions, please feel free to stop by or give me a call.

Kathy Schneider
Superintendent

Happy Spring!

Dear Clinton School Families,

Thank you to everyone who participated in our Parent-Teacher Conferences on April 2nd and 3rd for our Kindergarten through 8th-grade students. Your involvement in these conversations is invaluable, and we truly appreciate your continued commitment to your child's education. Strong connections between home and school play an essential role in supporting student success. I also hope everyone enjoyed a restful spring break. Having it later this year certainly made April feel like it has flown by!

Our track season is now in full swing, and our athletes are already finding success. Students in 6th-8th grade have eagerly embraced the opportunity to compete. Practices began on April 13th, followed by a quick turnaround to our first meet on April 21st and another on April 28th. We are grateful to have Mrs. Hallgren, Kyle Dyrud, and Stephanie Arnson leading the team again this year. If you're interested in cheering on our student-athletes, please visit the school website for the full schedule. We're hoping for some warm, spring weather so everyone can enjoy the meets without snow and cold!

On April 30th, we hosted our Kindergarten and Early Learners Roundup. Incoming students and families participated in a meet-and-greet, brief assessments, and completed enrollment steps. We're excited to already have nine students registered for the fall! Thank you to Mrs. Hartwick and Mrs. Wilson for leading assessments, and to Mrs. Ask for coordinating schedules and supporting families. As we enter the sixth year of this program, we are implementing a few adjustments, including changes to class size and the length of the school day. Over the past five years, we have seen the positive impact of this program and are excited to continue building on that success.

Please mark your calendars for our 8th-grade promotion ceremony on May 29th at 6:00 PM. We look forward to celebrating our students and all they have accomplished. It's hard to believe how quickly the year has gone, and we are proud to see them prepare for the transition to high school.

Thank you for your continued support and partnership in helping our students grow and succeed. We are grateful to have you as part of the Clinton School community.

Tim Rose
